All-Stars Dumped

CHARLOTTETOWN baseball fans had their first taste of what could easily become top notch ball at Memorial Field Sunday afternoon as the Legion Juveniles whipped the recently organized City All-Star Intermediates, 8-3.

I didn't get back to the City in time to see any of Sunday's game, but word has it that after the Juveniles scored five big runs in the top of the first it wasn't much of a contest. The Intermediates, although John Kane pitched six innings of shut out ball, just didn't have enough to get back in the game.

This however, shouldn't be of concern to anyone who is interested in the welfare of City baseball. It's good to see that the Intermediate club will actually be operated this season, and just because they were downed in their initial outing it doesn't mean they can't have a successful exhibition series.

If the Intermediates get together for a few practices they could come up with a club that would give Island fans some interesting ball to watch. Summerside Old-Timers would probably play a game or two, Kings County is definitely interested, and the N.B.-N.S. Border League has baseball that is our calibre.

The Legion Juveniles? They're capable of whipping any intermediate team in the Maritimes. If they're given a chance they'll probably win a lot of games this season, including the Maritime title they won last season.

Arsenault Upsets Beazley

CONTRARY TO the belief many Islanders seem to have, Andy Arsenault is not now the best middle distance runner in the Maritime provinces.

The 18-year-old Island junior entered the mile run in the Annapolis Valley championships at Greenwood Saturday knowing that defeat would likely come at the hands of Wayne Beazley, Hansport, a runner five years Arsenault's senior who has beaten Ch... Wilkinson and placed third in a field of milers conquered by Bruce Kidd.

Before the race began Arsenault decided he would pace Beazley as long as he could and then hope for the best when the Hansport runner put on his usual burst of speed in the final lap.

At the start of the final lap, Beazley opened his stride and pulled away from the field—except for Arsenault. On the back stretch however, the Islander saw that Beazley's pace wasn't picking up as much as he expected it would. So Arsenault put on the speed and took Beazley in 20 strides at the ideal point of the race—Just before they hit the back turn.

To catch Arsenault, Beazley would have to move to the second lane and pass the Islander on the turn. He didn't have near enough drive left and Andy pulled away steadily to win by more than 15 yards. His time for the last lap was an amazing 59.1. The mile was 4:31.9, the best of his career.

Arsenault agreed after, that in beating Beazley the way he did, he had won his best executed race of his career.

But he also agreed that he had a lot more miles to run before he had reached his peak. He wasn't tired after Saturday's race, not as tired at least as athletes usually are. I think if Beazley had ran in 4:26, Arsenault would have ran in 4:25.

Although if he had been pushed harder Saturday he would have had a better time, he still hasn't broken the 4:30 mark or 2 minutes in the 880, his best event. There are runners in the Maritimes, younger than Arsenault, who break these marks constantly.

Bob Lockett and John MacIsaac are two Bridgetown 17-year-olds that have turned in better times than Arsenault. Lockett saw Andy run Saturday and was impressed by the Islander's performance. He jokingly said he hoped Arsenault would stay on the Island from now on. I assured him that wouldn't be the case. Andy would be back.

Off The Cuff

GEORGE PARKS of Toronto took first place and a $1,000 prize in the 28-mile Quebec long distance championship swim in the Saguenay River Saturday. Thirty-year-old Parks bucked the current and a rising wind to finish the Chicoutimi-Bagotville race with a time of nine hours, 18 minutes and six seconds. **ARMOND CLOUTIER**, a 26-year-old Montrealer, took second place in 11 hours, 21 minutes ..... Chicago Cubs now have two Burdettes, unrelated, on their pitching roster with the recall of right hander **FRED BURDETTE** from Salt Lake City of the Pacific Coast League. The other pitcher is veteran Lou Burdette, acquired earlier this year from St. Louis Cards ...... **BILL CROTHERS** found himself boxed-in by three runners in the 880-yard race at the British Amateur Athletic Assn. championships in London over the weekend, but pulled to a near stop mid-way in the race to take an outside lane position and go on to win in a slow 1:50.1 .... Infielder **VIC POWER**, accused of spitting in an umpire's face, was suspended 10 days and fined $250 Saturday by American League President Joe Cronin. Angel general manager Fred Haney said he would ask Cronin for a hearing. The incident occured in the eighth inning of the first game of a Friday night doubleheader won by Chicago White Sox.

Montreal Rookie Obtains Reprieve

By JOE DUPUIS

MONTREAL (CP) — Those pre-season exhibition games are always tough on rookies trying to crash the lineup.

For Norm Thomas, 23, the blonde British Columbia rookie with the Montreal Alouettes of the Eastern Football Conference, the task is doubly tough.

Thomas would have been cut from the squad last Wednesday, except that he caught a 35-yard touchdown pass in the dying minutes of an intra - squad game.

"I had his name scratched from my list," Coach Jim Trimble said later. "That one play saved his job. Anyone who can do a thing like that deserves a second look."

That second look comes tonight when the Alouettes play host in an exhibition to the tough Calgary Stampeders, one of three pre-season games they have lined up with Canadian Football League teams.

In the dressing room after the intra-squad game, Trimble announced to all the players Thomas had won a reprieve for his touchdown.

"I wish he hadn't done that," Thomas said Monday in an interview. "Now I feel I'm under the gun more than ever."

But the six-foot, 191 - pound, New Westminster, B.C., native, who likes to say he's a hard guy to get rid of, knows the Calgary game may decide his professional football future.

As a flanker prospect, he has tremendous competition but is quietly confident that he can make the team. "I don't kid myself. I haven't made this team yet."

An Alouette draft choice, Thomas is one of seven Canadians in contention for flanker positions on the team.

Gregory Pitches 3 Hitter

The Bill Mulligan coached Main Brace Mariners defeated the National Park All-Stars 10-4 in Charlottetown city league softball action at the new softball diamond last night. The Mulligan coached crew were trailing 2-0 after the first inning on runs by Morrison and Misner.

In the second frame Duke Larter singled sharply over second base to start a game winning rally for the Brace. 'Teet' Gregory followed Larter and moved him to second, on a bunt. Dick Carrol was next and he popped up to shallow centrefield with Roger Goss making a nice running catch for the out. Vince Mulligan then singled to load the bases for Mike O'Brien. O'Brien lashed out with a triple down the first base line that eluded Joe Caswell and scored three runs as Mike made it to third. Paddy Shepherd and Joe LeClair batted in two more runs to give the Mariners a 5-2 edge at the end of the inning and they never looked back.

Lloyd 'Teet' Gregory was doing the hurling for the winners and had a one hitter going until the final frame when the Park connected for two hits. Frank Bradley started on the mound for the National Park and was relieved by Vince Bradley in the fifth inning.

Vince Mulligan was the big man with the stick for the Mariners as he went three for five at the plate. Paddy Shepherd turned in a two for four performance at the plate.

League action resumes tonight when the Flying Hawks will tangle with the National Park All-Stars.

Sox Topple Kansas City; Cubs Wallop Los Angeles

By THE CANADIAN PRESS

Chicago White Sox rocked the Kansas City Athletics with a three-run third inning and a five-run fifth and then withstood a late rally to gain an 8-6 victory in the opening game of Monday's American League doubleheader.

In Chicago, a five-run National League uprising capped by Andre Rodgers' three - run homer after two were out in the sixth carried the Chicago Cubs to a 10-4 victory over the Los Angeles Dodgers.

Jerry Lumpe's bases - loaded single with one out in the bottom of the 10th inning scored Gates Brown with the run that gave the Detroit Tigers a 4-3 victory over the American league - leading Baltimore Orioles.

Gary Peters, who started and gained his 10th victory in Kansas City, hit a three-run homer in the fifth. Pete Ward led a 16-hit attack with three singles in four trips.

The As drove Peters from the mound in the sixth when they scored five runs to cut the White Sox lead to two runs. George Alusik supplied the key blow in the inning, a two-run homer.

JERRY LUMPE

Don Drysdale, an 11- game winner, was victimized by the Cub's splurge and suffered his eighth loss.

The Cubs took a 2-1 lead into the sixth. Drysdale retired the first two batters and then yielded singles to Ron Santo, Ernie Banks, Len Gabrielson and Dick Bertell before Rodgers hammered his ninth homer into the left field bleachers. They added three more at the expense of ex-Cub Jim Brewer in the eighth.

Los Angeles picked up a run in the first inning on a bunt single by Maury Wills and Derrell Griffith's double. But Larry Jackson, picking up his 12th victory in 18 decisions, settled down until the ninth, when the Dodgers scored three runs.

The Tigers, behind Dave Wickersham, appeared to have won in regulation time but Brooks Robinson homered with a man on base in the ninth to force the game into extra innings.

Dick McAuliffe ignited the winning rally with a leadoff single off relief pitcher Dick Hall. Brown doubled and Don Demeter was purposedly passed to load the bases.

Lefty Harvey Haddix replaced Hall and got pinchhitter Al Kaline to hit into a force play via the plate but Lumpe then came through with his game-ending hit to right field.

Pitcher Explodes Into Rage

HOUSTON (AP) — Gaylord Perry, San Francisco Giant pitcher, smashed the bat of Nellie Fox, Houston second baseman, in a rage Sunday night after Fox had singled home the winning run in the ninth inning for a 5-4 victory.

This latest development in the rumpus between the first place Giants and the Colts that broke out in the seventh inning was disclosed Monday when the Colts filed a protest with National League President Warren Giles.

The Colts said they are sending a bill to Perry for the cost of the bat and indicated legal action would be taken against him if there is no rule prohibiting such action by a player.

Perry, who sat down on the pitching mound and changed his shoes when called into the game following the abrupt ejection of Billy O'Dell, picked up Fox's bat and smashed it against the side of the Giant dugout.

"I think Perry's action was darn bush," Fox said.

He added he personally planned no protest but said the club could do whatever it thinks best.

"I've been using that bat two months and had just gotten it to the point where it was good and hard," Fox said. "I had sandpapered it, oiled it and coddled it and I saved it for use only in games."

It was the same bat with which Fox had singled home the winning run Thursday night against Los Angeles Dodgers. That hit also came with two out in the ninth.

Perry was not available for comment.
