There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For 9 great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by druggists 75c. Take Hall's Family Pills for constipation. 9-19d 4.

A GREAT COAL OR WOOD SAVER

That is what the "Sunshine" Furnace does for its owner. It is specially constructed so as to obtain a long travel of the heated gases and to extract the greatest amount of heat from a minimum amount of fuel. Read the following testimonial:

Kennington, P. E. I. March 18, 1904
The McClary Manufacturing Co. GENTLEMEN,—I bought a furnace from you two years ago and can say that I have had perfect satisfaction with it. Last winter we burnt four tons of coal in five months; this year we will probably use six in the same time owing to the extreme cold weather. If we had three stoves burning day and night they could not produce the same amount of heat and it is easier to attend to it than a common stove.
Yours truly,
(Signed) GEO. MURRAY.
