THE INFALLIBLE REMEDY.

Holloway's Ointment.

Contracted or Stiff Joints.

All the Medicines in the London dispensaries would barely benefit, much less cure, any chronic cases of contracted or stiff joints; whereas if this invaluable Ointment be effectually rubbed into such parts twice a day, the effects will be immense. Paralytic patients even can derive advantages from this fine remedy when other means fail.

Scorbutic Humors, Scald Heads and Skin Diseases.

Scorbutic humors arise from an impure state of the blood, and in most cases the liver and stomach are the organs at fault. The Pills will speedily restore these to a healthy action; while the Ointment, if well rubbed in at least twice a day, will soon cure any case of skin disease. Soldiers, sailors and miners use this famous Ointment in all parts of the world.

Disorders of the Kidneys, Stone and Gravel.

In any of the above complaints more benefit may be derived in twenty-four hours by adopting the following simple means than is frequently brought about in six months by any other treatment. In bad cases, if the Ointment be rubbed into the small of the back over the region of the kidneys, it will quickly penetrate, and in most instances give immediate relief. Six or eight of the Pills should be taken nightly according to circumstances.

Diptheria, Sore Throats, &c.

These maladies are of so serious and dangerous a nature that the Ointment would not be recommended unless the Proprietor was sure of its effect. It will cure, when every other means have failed, if applied immediately, and not delayed until the patient is beyond recovery. It is a sovereign remedy for sore throats. Settled coughs or wheezing will be promptly removed by rubbing in this unguent. Mothers should rub it into the chest of their infants whenever there is any hoarseness, tightness, or other affection of breathing.

Bad Legs, Bad Breasts—Old Wounds, Sores and Ulcers.

It is surprising how quickly a sore, ulcer or wound deprives the body of strength, and unfits it for the duties of life; but it is no less wonderful to watch the effect of Holloway's Healing Ointment, when it is used according to the printed directions, and assisted by appropriate doses of the Pills. The pain, inflammation, and other morbid manifestations soon disappear from the affected part, and health and strength return. This treatment creates sound flesh, and therefore makes its cures complete.

Gout and Rheumatism

Will be cured with the greatest certainty if large quantities of the Ointment be well worked into the complaining parts. This treatment must be perseveringly followed for some time, and duly assisted by powerful doses of Holloway's Pills. The essence of these diseases lies in the blood, which has floating through each vessel the pain-giving poison which vitiates and inflames every tissue it comes in contact with, and produces the hot, swollen, elastic enlargement about the joints so characteristic of gouty and rheumatic maladies.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Corns (Soft)	Rheumatism
Bad Breasts	Cancers	Scald
Burns	Contracted and Stiff Joints	Sore Nipples
Bunions		Sore Throats
Bite of Moschetoes and Sand Flies	Elephantiasis	Skin Diseases
	Fistulas	Scurvy
	Gout	Sore Heads
Coco-bay	Glandular Swellings	Tumours
Chiego-foot		Ulcers
Chilblains	Lumbago	Wounds
Chapped Hands	Piles	Yaws

Americans and other speculators purchase here, and ship for Great Britain, the United States, &c. A number of Stores, Wharfs, a Meeting House, Post Office, and Temperance Society have been established for some time, with many Grist, Saw and Cloth Mills in the vicinity; where also any quantity of all kinds of Lumber can be had in trade at low rates. SUMMER HILL property is the only *Freehold Property* for sale in the place, which renders it most desirable for all classes of artizans, now so much wanted in this rising town. A STORE, and Dwelling in it, capable of holding 15,000 bushels of produce, with a double Wharf and site for Lime Kiln, will be sold cheap or leased on reasonable terms.

IS THERE any VIRTUE in Mrs. S. A. ALLEN'S WORLD'S HAIR RESTORER AND ZYLOBALSAMUM?

Convincing Testimony.

REV. C. A. BUCKBEE, Assistant Treasurer American Bible Union, N. Y. City, writes: "I very cheerfully add my testimony to that of numerous friends, to the great value of Mrs. S. A. Allen's World's Hair Restorer and Zylobalsamum."

REV. WM CUTTER, N. Y. City: "My hair is changed to its natural color, and growing on bald spot."

REV. J. H. CORNELL, N. Y. City: "I procured it for a relative. The falling of the hair stopped, and restored it from being grey to its natural and beautiful color."

REV. J. WEST, Brooklyn, L. I.: "I will testify to their value in the most liberal sense. They have restored my hair where it was bald, and, where grey, to its original color."

REV. A. WEBSTER, Boston, Mass: "I have used them with great effect. I am now neither bald nor grey. My hair was dry and brittle; it is now soft as in youth."

REV. H. V. DEGEN, Boston, Mass: "That they promote the growth of the hair where baldness is, I have the evidence of my own eyes."

JUDSON'S MOUNTAIN HERB PILLS.

The Manochan or Great Medicine.

THESE Pills have now been thoroughly tested and have maintained the highest character everywhere, they have the wonderful power of restoring to health persons suffering under all diseases arising from

IMPURE BLOOD,

and as the Blood is the life when pure, so it is when corrupt the source of nine-tenths of the diseases which afflict mankind.

The following are among the distressing variety of diseases in which these Pills are invaluable

BILIOUS FEVERS AND LIVER COMPLAINTS—General Debility, Loss of Appetite and Diseases of Females,—the Medicine has been used with the most beneficial results in cases of this descriptions.—King's Evil and Scrofula, in its worst forms, yields to the mild yet powerful action of this most remarkable Medicine. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Painters' Colic, are speedily cured.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs and creating a flow of pure, healty bile, instead of the stale and acrid kind, Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill Temper, Anxiety, Langour, and Melancholy, which are the general symptoms of Dyspepsia, will vanish as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence: all violent purges leaves the bowels costive within two days.

FEVERS, of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstruction in others.

SCURVY, ULCERS AND INVETERATE SORES, by the perfect purity which this Medicine gives to the blood and all the humors.

SCORBUTIC ERUPTIONS and bad complexions, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints sallow, cloudy and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.

MERCURIAL DISEASES—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find this medicine a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

☞ The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Tezucans, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight the very interesting account it contains of the "GREAT MEDICINE" of the Aztecs.

OBSERVE—The Mountain Herb Pills are put up in a beautiful Wrapper. Each box contains 40 Pills, and retail at 25 cents per box. All genuine, have the signature of B. L. Judson & Co. on each box.

DR. BRIDGE'S PATENT FOOD,

For Invalids and Persons of Impaired Digestion.

Recommended by the Faculty.

THE PATENT FOOD is so carefully and scientifically prepared that it is immensely superior to Arrowroot, Sago, Tapioca, Bread, Biscuit, Corn Flour, or any other kind of farinaceous food for Infants, not alone from its purity, strength, and nourishing properties, but also from its having been peculiarly and thoroughly cooked in its manufacture, which renders it more easily digestible. It cannot cause Acidity or Wind. It is very agreeable, and, from the nature of its composition, is exactly adapted for all conditions of the stomach. It can be made ready for use, without trouble, in two or three minutes.

Mixed in Beef Tea, Milk, or any other fluid, the Patent Food is pre-eminently suited to Invalids from its wholesome and strengthening qualities. It is a real blessing, and from its remarkable cheapness accessable to all.

Hunnewell's Great Remedies.

Hunnewell's Eclectic Pills.—THE TRUE FORM OF A CATHARTIC.—By the application of true Medical Laws, both character and economy are combined in this most valuable Pill. To prevent putting into the stomach such quantities of indigestible and injurious drugs usually contained in Pills that require from four to six to get a decent cathartic, and to prevent the *Griping Pains* so erroneously judged to be evidence of character, was the study in this development. The dose seldom exceeding *one* and never more than *two* Pills, settles the question of economy, and confidence is asked to test their true character in *Dyspepsia, Costiveness, Biliousness, Liver Complaints, Piles*, all derangements of the *Stomach* and Bowels, and as a true Family Pill. For *Worms* they are a sure cure.

Hunnewell's Universal Cough Remedy.—The basis of this truly wonderful preparation, now of such well earned celebrity, is a freedom from every component calculated to debilitate, and by such to allow the greatest freedom of use, day or night, as the only true theory by which *Throat* and *Lung Complaints* can be effectually cured.

To prevent asking attention to long stories of great cures, when local causes make almost all such complaints different in effect, I would ask confidence which will be sacred, in *Colds, Coughs, Hoarseness, Sore Throat, Bronchial* and *Asthmatic Complaints, Whooping Cough*, and to all *Throat* and *Lung Complaints*, which, when neglected, end in *Consumption*. Testimonials from Physicians of the highest respectability, and from invalids, can be seen at my office by all interested.

Hunnewell's Tolu Anodyne.—This justly celebrated preparation, which has so truly earned the name and fame of a *True Anodyne* by results which had baffled every other attempt at cure or relief in *Neuralgia, Gout, Nervous Headache, Tooth* and Ear Ache, Cholera Morbus, Pains in the Stomach or Bowels, Hysteria, Distress after Eating, Loss of Sleep, General Nervous Debility, Paroxysms in Asthma and Whooping Cough, now declared to be largely nervous, and the pains in Monthly Menstruation, also declared to be one of the most important points in medicine. A lady writes from New York, "were it ten dollars a drop, I would not be without it in my family, and not one should be without it."

[EXTRACTS FROM NEWSPAPERS.]

On reference to a return made to Parliament, and ordered by the House of Commons to be printed, 7th June, 1861, it will be seen that the increase of Duty for the year, paid by the "QUEEN," was £2507, being upwards of £1000 more than paid by any other office ever yet established in this City.

[From Gore's General Advertiser, Oct. 24, 1861.]

"Indeed, we believe that we are perfectly justified in saying that no other Company, within the same period, ever attained so large an income in either the Fire or Life Departments as the Queen Insurance Company. In making this statement, we make no exception even in favor of our older local companies, namely, the Liverpool and London, the Royal, and the Lancashire Insurance Companies."

[From the Civil Service Gazette, Nov. 2, 1861.]

"Among these important institutions stands eminent for its solidity, as well as for its success, "the Queen Insurance Company," which last week held its annual meeting of proprietors in Liverpool. A reference to the ample report in another page will fully satisfy every reader of the signal progress made by this association since its foundation. Such success is, indeed, rarely attained; and it attests at once the excellence of its management, and the public confidence in its constitution."

[From the Liverpool Mercury, Nov. 2, 1861.]

"It must be gratifying to the public generally, and especially to the proprietors, to find that its income during the past three years has increased at the rate of £20,000 per annum. We believe that no other Company, within the same short period, ever attained so large an increase either in the Fire or Life Department. This speaks highly for the activity and zeal of the management, while the promptness with which all the claims, arising out of the late disastrous fire in London were met testifies to their financial ability and the care and prudence which marked the investment of these funds."
