Prince Edward Island

They talk of the lakes of Killarney And the wondrous beauty there, They talk of the Irish Blarney, And the little Shamrock fair, The bonny hills of Scotland, The lowlands and the high, But the one I love best, Above all the rest, Is dear little P. E. I.

They talk of the lights of Broadway,

Prince Edward Isle, I love you, You hold me with your charms, Prince Edward Isle I love you, You million acre farm, With your sunshine and your flowers, And your skies so wondrous blue, With your summer rose and winter snows, I'm coming back to you.

whatever amount of the \$2000 asked they felt should be given. The jury retired last evening at 6:20 and returned with their verdict at 8:10.

Another New B-A Refinery goes "on stream" to bring more "TOP RATED" 88 & 98 gasoline

Edmonton is the latest city to see a new B-A refinery go "on stream." The huge new catalytic cracking and catalytic polymerization units now are working at full capacity to produce B-A 88 and 98 gasolines. Today these two great Canadian gasolines are refined and processed from Alberta's rich "on the spot" crude oils.

With this newest development in its all-over expansion program now in operation, B-A can promise a more plentiful supply of economical and peak performance gasolines. Good news indeed for Canada's motorists, for thousands of Canadians do rate B-A gasolines as "tops" in economy and performance. B-A 88 is gasoline economy with power excellence and B-A 98 is gasoline performance at its very peak.

Drive into a B-A service station for a new experience in gasoline economy and performance. Fill up with B-A 88 or 98 gasoline and you soon will learn why B-A is boosting and building for these two top-rated Canadian gasolines.
