CROWN & BRIDGE WORK (Teeth Without Plates)

DR. JOHN P. MURRAY, QUEEN STREET

FATHER ALLAN'S TRIBUTE.

The funeral of the late James Bovlan, who was drowned at Wisner's Pond on Sunday last took place on Tuesday. A large concourse followed the remains to Fort Augustus Chapel, where a solemn Requiem Mass was sung by Father Allan McDonald. After the service Father Allan spoke to the congregation and said that "he felt sure he voiced the sentiments of the community when he expressed the deep sympathy felt by all present for the bereaved parents."

Earncliffe Notes.

Congratulations to First Mate McDonald on his good luck in securing a life boat, ere the cyclone strikes the rotten ship. Poor Captain Donald must go down with the wreck. How pathetic!

Mr T H Young, of Westfield, Mass., is spending his summer holidays here. It is seven years since Mr Young last visited the Island, and his many friends in different parts of the province are pleased to see him again after his long absence.

The farmers are nearly through haying. The hay crop in this locality is a splendid one, in consequence of which the place is thickly dotted with stacks that, unlike some we see in other places, look as though they had been on a "bust"—are models of beauty and artistic skill.

An ice cream social was held at the residence of Mr. John Tweedy, on the 3d inst., and was attended by the youth and civility of Earncliffe. The many amusing and instructive games were superintended by curial friend Mr F B McRae.

Always to woo and never to wed. Is the happiest life that ever was led. We have an excellently conducted post office in Earncliffe, our postmaster, Mr. Thomas Doyle, being one of the most courteous and capable officials in the province. We think it very unfair that our postmasters, who spend so much of their time and attention in waiting on the public, should be under the necessity of doing it for practically nothing.

Eastern Notes.

The farmers of this section are busily engaged at their hay, and some are already through.

Mr James E Leet has just finished the erection of a large building in West River, which he intends to let to summer boarders.

The school ground has been greatly beautified by the planting of trees and a handsome flower garden placed there by our teacher, Angus McDonald, B.A., who deserves credit for his push and energy.

Mr Wm W McDonald who has recently started a general dry goods store, has taken into his employ Mary Moisie, who has been a clerk for many years. Mr. McDonald is doing a fair business for a new beginner.

John Ford and Frank Stewart are to ship for "cooks" on two vessels now lying in Souris Harbor.

Mr. Milton Young while out driving on the evening of the 6th was thrown from his sulky sustaining severe injuries to his spine. He was taken to Duncan Stewart's near by, where all that was possible was done for him until the doctor came.

DANDY JIM.

ESTEEMED EXCHANGES.

Halifax Herald: This "growing time" in public expenditures generally, is especially a growing time in the matter of railway subsidies. This ought not so to be. It is the very opposite of the course that should be favored and followed.

When you are nervous and sleepless, take Hood's Sarsaparilla. It makes the nerves strong and gives refreshing sleep.

NOTES AND COMMENTS.

The farmers of a section of Quebec some months ago laid before the Laurier ministers a memorial setting forth why, in their opinion, a return to a lower rate of national expenditure was necessary to the welfare of the agricultural interests. The effect of the reasons for lower taxes then set out may be noted in the work of this session of Parliament. The Conservative Government spent less than forty millions a year on the ordinary services of the country. The Laurier government, on the same services proposed to spend fifty millions.

The big, hearty healthy man is a continual irritation to his dyspeptic friend. Constipation is the root of nine-tenths of sickness of men, and of a large proportion of the sickness of women. It can be cured easily, naturally and quickly. Nature is continually working as hard as she can to throw off impurities, and to force out poisonous refuse matter. When there is an impediment, Dr. Pierce's Pleasant Pellets set the wheels working again without any trouble. They assist nature in a gentle, healthful, efficient way. There is nothing violent about their action and yet it is just as certain as if it were twice as violent. "You do not become a slave to their use." They are different and better than any other pill for the cure of constipation, headache and kindred derangements. Almost all druggists understand this, and are conscientious enough to tell you so. The druggist who tries to sell you a substitute is not a safe man from whom to buy medicine.

A BRAVE WOMAN

Miss Lizzie B Day, aged 60 years, who resides with her mother, aged 90 years, on Main Street, Attleboro, Mass., had a desperate struggle with a burglar at her home early on Monday. Miss Day was awakened by a flash in the room from a lamp in the hands of an unknown man, whom she grappled and fought desperately for fully thirty minutes, during which time a large amount of furniture was smashed. She sustained painful bruises but is not seriously injured. She succeeded in tearing the coat from the intruder's back, but he finally escaped.

It is Highly Palatable...

Don't be under the impression that Abbey's Effervescent Salt is unpalatable. It is a most delicious preparation to the taste—so pleasant, in fact, that it is oftentimes taken as a beverage. It is an unequalled thirst-quencher. But aside from these excellent qualities, it is the most wonderful regulator of health known.

Abbey's Effervescent Salt

taken daily, will purify your blood and cleanse your system. Its effect is mild—almost imperceptible—but certain. Take it every day and you will enjoy constant good health. Abbey's Effervescent Salt, which is prescribed and endorsed by physicians, is a standard English preparation which all druggists sell at 60 cents a large bottle. Trial size, 25 cents.
