

Fan Van Report

On Friday, Feb. 19, two fan vans loaded (proper term) with 30 dedicated, enthusiastic fans left the Barn aiming for UNB, Fredericton. After a few emergency stops, Liquor store, washroom, and to change a flat tire, the vans were on their way. Friday night the men's Basketball squad defeated the UNB team by 16 points and Saturday, after being down 10 points at half time, the Panthers came

back to win 95-89. The Panthers Basketball should be pleased and proud to have such(?) fans follow them across the Maritimes.

Saturday night, the UPEI Hockey team played host to St. Thomas Tommies and advanced to a 6-3 victory. Sunday, about 120 UPEI-fans (they were there in spirit) witnessed the poorest excuse for a hockey game. Many derogatory remarks were thrown at the refs, like "Hey, ref

- did your mother have any kids who lived?" and other abuse along that line.

The fan vans were reported to have had an extremely memorable week-end, (Once everyone was filled in on what had happened). The Cosmos, Hilltop, the Arms will never be the same again.

Fan Vanners are reminded that a portion of their trip was funded by the UPEI Student Union.

With the basketball and hockey teams

qualified for playoff positions, there is a strong possibility of sending more supporters over to Halifax and/or Moncton.

Keep an open eye and watch your ears for details (something like that).

Remember, fan vans work on a first come first served basis, whoever pays their deposit first gets on first! Don't leave home without it.
