BEDTIME STORIES

Why Did Reddy Do It?

Who seeks to know is not content until he finds out what is meant. —Old Mother Nature.
Sitting right inside the dear Old Briarpatch and looking out, Peter Rabbit sees much and learns much. From one side he can look over the Green Meadows clear to the Green Forest. That is his favorite side. From another side he can look over to the Old Pasture. It is so easy to see what is going on there, because the Old Pasture is full of bushes. Old Jed Thumper, the gray old Rabbit who is the father of Mrs. Peter, lives over there. Peter goes over once in a while, but he and Old Jed Thumper are not friends. Then too, Reddy Fox and Mrs. Reddy live in the Old Pasture. So when Peter does go over there, he first makes sure that Reddy and Mrs. Reddy are off hunting somewhere.

CRYPTOQUOTE — Here's how to work it:
A X Y D L B A A X R
is LONG FELLOW
One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

Eisenhower In Suez Comment

WASHINGTON (AP)—President Eisenhower said Tuesday Britain and France would be justified in adopting "more forceful" steps but not military action to keep the Suez Canal open.
The president at the same time told a press conference the United States has no plan whatever for warlike measures in the bitter controversy with Egypt.
"We established the United Nations to abolish aggression," Eisenhower said, "and I am not going to be party to aggression if it is humanly possible."
In the face of reports that Britain would soon refer the Suez case to the United Nations, Eisenhower expressed doubt that was "the exact time" for such a move.
"He declined to spell out what the next moves should be. At his meeting with reporters, Eisenhower lined up with State Secretary Dulles in turning a cold shoulder to Egyptian President Nasser's proposal for a new international conference to follow up last week's Cairo talks, which failed to break the deadlock."
