## Our Congratulations

Congratulations to the Parkdale Royals for their sudden success over the Prince County Combines which gave them the Island Intermediate "A" Championship.

## It Was Unfortunate

It was unfortunate that such a tantalizing series should have to be tainted by questionable procedure on the official level. For the executive to render a decision and then do an about-face was unfortunate. We do not doubt the sincerity of the group. If a base judge called a runner safe an then, on second thought, reversed the decision and called him out, it would be almost sure to follow even if the judge were not there.

## Moore Snowing At Montague

LOS ANGELES (AP)—Boxer Dave Moore appears to have rallied after a slight setback in his condition Saturday night. White Memorial Hospital said Moore said it was the detested world featherweight champion remains unconscious and in critical condition.

## Canucks Set New Record

MONTREAL (CP)—National Canadiens set a Montreal Hockey League record by defeating the Toronto Maple Leafs who piled up 22 in 1954-55. Goals by Kenny Wharram and Claude Provost.

The Hawks, who had managed only one win and two ties in nine games before Saturday, fought back with three goals within eight minutes late in the third period to earn a 4-4 with Montreal Canadiens.

"We caught fire in the last 10 minutes," said Pilous in the Chicago dressing-room. "From now on, we're rolling."

"We had them outclassed because as much as that comeback helped us and they had a couple of lucky breaks."

The Hawks' outshot Montreal 27-28.

## Guy Gendron Gets Fined

BOSTON (AP)—Guy Gendron was fined \$200 and suspended for missing his final National Hockey League game at Chicago Sunday night.

The announcement was made by NHL President Clarence Campbell shortly before the game and after hearing was given by Guy Wharram and defenseman Pierre Harper.

"We had to check our lines with Bobby Hull hurt. That guy's our main worry now," said Pilous.

Hull, the powerfully built winger who suffered a slight shoulder separation Tuesday night against Detroit, was glued after attempting to return to regular action in the game.

"I felt fine until I was checked into the boards," said Hull. "But it just isn't ready. The ligaments are torn and they're giving it heat treatment, but they don't seem to be doing it."

In the morgue-like Montreal room, goalie Jacques Plante appeared even more dejected than usual.

"I don't know what happened here. I've got a thing wrong in the second period. But then in the third period, I was back in the game."
