ST. PETERS BAY NOTES.

The cheese factory is closed and Mr. Geo. Burgess has been named as the factory is to be sold to the people.
The people are rejoicing over the success of their cheese at the World's Fair. There can be no doubt now about the quality of the cheese. There will be no need of sending to New Perth for cheese. The starch factory here is now in full blast. The supply of potatoes which come in every day from the surrounding country is very great.

Good Fishing.—The fine weather we have had for the last few weeks has enabled some of our fishermen along the eastern part of the island to secure good catches of codfish and herring.
The Case Settled.—The action for damages brought against the city of St. John by a Miss Mellick, who fell into a coal hole on Germain Street, has been withdrawn because of a settlement which has been effected. Miss Mellick accepted \$400 damages.
