POPULAR PRICES.—In order to give everyone an opportunity of attending the great Bengough entertainment on Friday evening next, the charge for reserved seats will be only 35 cents; admission, 25 cents. The plan is at the Diamond Bookstore. Be sure to call at once and secure your seat, as Grip's famed artist is sure of a big house.

MASONIC BAZAAR.—The ladies of the Masonic Bazaar Sewing Committee are requested to meet in the Masonic Lodge Rooms to-morrow afternoon at 2 30. A full attendance of all members is particularly requested, as matters of importance will be transacted. A cordial invitation is also extended to all interested in the Bazaar and to all who would like to contribute towards the same.

LARCENY.—Yesterday afternoon, a young lad named Benj. Waughan, was arraigned before H. V. Palmer and Samuel McRae, J. P.'s, to answer a charge of stealing a number of fowls from Geo. King, on the 2nd October. Waughan pleaded guilty and was ordered to be imprisoned for eight days.

NEW CHURCH OPENED.—The new Tabernacle Baptist Church, at Halifax, was dedicated and formally opened on Sunday. Rev. G. O. Gates, of St. John, preached in the morning and evening, and Rev. J. A. Gordon, of Charlottetown, president of the Baptist Convention, in the afternoon. All the services were crowded.

THE MANUFACTURERS of the "Myrtle Navy" tobacco invite the very closest scrutiny of its quality. The expert whose trained senses teach him to recognize the exact quality of tobacco, and the smoker who judges by his experience in smoking it, will both come to the same conclusion that it is of the very highest quality anywhere to be found. It is made of the very finest Virginia leaf and is manufactured with the greatest possible care.

PRESENTATION.—On Saturday evening a deputation composed of the officers of the Charlottetown Engineer Corps, waited upon their Captain, Mr. William A. Weeks, who is soon to join the noble army of benedict—and presented him with a handsome marble clock and an address. Captain Weeks made a suitable reply. Both address and reply will appear to-morrow.

IN A BAD WAY.—A young man named Munn, belonging to Lot 43, was in the city to-day looking for law. He says that his wife, with whom he has always lived amicably, was stolen by a man named Murch and spirited away to his mother-in-law's house at New London. He says further that his wife is both ready and willing to come back to him, but her mother will not allow her to do so, and he is fearful that it is the mother's intention to take his wife away to some part of the United States. Hence his anxiety to once more obtain possession of his spouse.

CAUGHT IN THE ACT.—A number of petty larcenies have lately been committed in the office of Ronald McMillan, coal dealer. Yesterday a report to this effect was made to the police, and to-day Marshal Cameron detailed officer Campbell to go down to the office and allow himself to be locked in while the clerk was absent at dinner. The officer secreted himself upstairs. He had not been there more than five minutes when a young lad named Ellworth entered the office through the window and rifled the till. The officer, who saw the whole proceeding, promptly gathered Ellworth in. He will appear before the court to-morrow.

COME AND SEE THE BALL ROLLING

THE STAR TAILORING ESTABLISHMENT.

TRADE has commenced to move earlier than usual, and we mean to keep it moving if BARGAINS will do it. As we have decided to run our business, on and after October 1st, for CASH, and CASH ONLY, we have determined to quote prices lower than the lowest to secure the patronage of Cash customers.

We have taken this step after an experience of years in business. We learned that those who pay cash are entitled to the full benefit derived from prompt payments; and as "pay as you go" is the only safe road to travel, we will endeavor to educate public sentiment in favor of that independence of character which is not found in those who defer or edit to paying cash.

As we want money, we also want to give value for your money. We must, therefore, have you come in and see what we can do for you. The LATEST NOVELTIES in our line always on hand.
