# Tells Of Trip To Ottawa As Guest Of Rotary

Miss Mary Thompson, daughter of Mr. and Mrs. Bruce Thompson, Summerside, who was Summerside Rotary's choice this year as the high school student to be sent on "Adventure in Citizenship" yesterday addressed the local club and delivered a highly interesting and colorful talk on her recent trip to Ottawa as the representative of the Summerside Rotarians.

She was introduced by Mr. Clarence Mercer, Supervisor of the High School, who said he was especially grateful to the Rotary Club for their contribution to education in various ways such as sending a student annually on the "Adventure in Citizenship" project. He said that she was a consistent leader in her class at Summerside High.

Miss Thompson is seen above (third from left) along with representatives from all other provinces in Canada as they received citizenship certificates from the Canadian Prime Minister Louis St. Laurent.

In her talk yesterday to Rotary, she described her trip from beginning to end; told of her visits to many points of interest in Ottawa, including the House of Commons, the Peace Tower, the National Art Gallery and Court of Exchequer.

She said that the members of the group had had many opportunities to attend instructive lectures and study-group discussions and to hear addresses by many notable Canadians, including Hon. George Drew, who spoke to them on the development of the Canadian north, by Douglas Abbott, Hon. J. W. Pickersgill, Mayor Charlotte Witton, and others. In closing Miss Thompson expressed her appreciation to the Rotary Club for sending her on the trip and to Mr. Mercer for selecting her as the Rotary representative.

Writing about Miss Thompson in Ottawa, Austin Cross, Ottawa correspondent, said: "Surely one of the loveliest young ladies to come to Ottawa during Rotary's Adventure in Citizenship was Miss Mary Thompson of Summerside. Your Correspondent ran into this dazzling blond girl, with another young teen-ager ,trying to cross Sparks Street. Miss Thompson has one characteristic of which her parents might be proud; she is polite to her elders and has splendid manners . . . if Prince Edward Island has any more like Miss Thompson what a lovely place it must be."

President J. C. Mountain presided at yesterday's meeting and guests present were Mr. Clarence Mercer, Mr. Bruce Thompson and George Clow.

# Women's Institutes Hold Convention At Alberton

—The annual district convention of Women's Institutes for Alberton and vicinity was held in Alberton Women's Institute hall on Monday, May 30th with Elmsdale Institute entertaining. Mrs. Alvin Wilkie presided and Mrs. A. L. Rennie acted as secretary.

The afternoon session opened with the Ode and Creed. On behalf of Elmdale institute Mrs. James O'Brien extended a cordial welcome to those present, and Mrs. H. J. Larkin of Alberton made fitting reply.

Following minutes of the previous convention, presidents of local institutes were called to the platform. The roll call by institutes showed an attendance of fifty-seven.

Reports from all institutes showed good work accomplished during the year. Among activities reported were remembrance of sick and shut-ins, clothing sent to unitarian relief, improvements to schools and school property, school prizes and supplies, the erection of a flag pole and planting of flowers on the school grounds in one district, participation in handicraft courses, etc. etc.

A courtesy and resolution committee was appointed, its members being Mrs. Charles Johnston, Mrs. James O'Brien, Mrs. Lloyd Wilkie and Mrs. McLean Horne.

Mrs. Manning then addressed the meeting and congratulated the institutes on their reports. She showed some of the programs entered in the recent contest, among them one prepared by Alberton which won a prize. She urged group membership in drama and music festivals. She reported that two tons of good used clothing had been shipped for relief work and thanked those who had contributed.

She gave a demonstration of articles made from jute bags or mat canvas and showed place mats, skirts, shopping bags, garden aprons and cushions made from these materials.

Mrs. Manning led the sing-song for which the pianist was Mrs. Ronald McKenna.

A brief report on Red Cross work in the district, prepared by Mrs. A. C. Green, was read by Mrs. Fred Leard. Besides reference to the recent campaign, the blood donor clinics and loan cupboard service, mention was made of the disaster service organized in Alberton in recent months.

Fun and nonsense took the form of a reading by Mrs. Russell Leard.

The educational paper given by Mrs. Walter Wells was something different from those usually given at this convention and was interesting and timely. It dealt with the need for education in first aid. Mrs. Wells is a qualified Red Cross instructor in first aid and she dealt with the subject in a most capable manner.

Plans for the next year's convention were announced.

Mrs. Lloyd Wilkie, convener of health and welfare, spoke on a number of projects sponsored by the provincial executive.

The meeting closed with the national anthem.

During the supper hour delegates had opportunity to view the various articles of handicraft on display. Supper was served by Brooklyn, St. Lawrence, Alma, St. Edwards and O'Brien Road Institute.

EVENING MEETING

In the evening the courtesy and resolutions committee report was read by Mrs. Charles Johnston. Thanks was expressed to Alberton for the use of the hall, to guest speakers and all who had a share in making the convention successful.

A resolution concerning Daylight Saving Time favored its being abolished.

Resolution number two expressed this convention as being in favor of a scholarship fund as explained by Mrs. Manning. Number three expressed the convention as being in favor of bus tours on a community basis to places of interest.

The final resolution recommended that a committee be appointed to contact Alberton School Board re the hiring of a music teacher for Alberton and surrounding districts.

When these resolutions had been approved a committee, comprised of Mrs. Hubert Campbell, Montrose; Mrs. Ronald McKenna, O'Brien Road; Mrs. Arthur Wilkie, Alberton; and Mrs. Charles Johnston, Brooklyn; was appointed to contact Alberton School Board and another committee was appointed to take care of the matter of a scholarship fund. The latter is comprised of Mrs. Robert McInnis, St. Lawrence; Mrs. Joseph Callaghan, Alberton; Mrs. Kenneth Leard, Fortune Cove; and Mrs. Eldon Miller, Alberton.

The program of entertainment for the evening was as follows: Recitation, "An Embarrassing Circumstance," by Mrs. Ralph Fraser. Piano solo, Mrs. Eldon Miller. Song, Dale Fraser. Duet by Evelyn Thibideau and Eileen Doucette with guitsar accompaniment by Helen Doucette. Piano solo, Mrs. Ronald McKenna. Dialogue "Father's Quiet Evening." St. Lawrence Institute. Duet Gail and Gloria Adams. National Anthem. The accompanist was Mrs. Ronald McKenna.

Door receipts, amounting to $24.65 are to be divided between Alberton Public Library and the March of Dimes.

# Death Tuesday of Mr. John Webb Of Woodstock

—An aged and esteemed resident of Woodstock in the person of Mr. John Webb was removed by death early Tuesday morning, May 31. On Friday he had celebrated his ninety-seventh birthday. Until about two weeks ago he had enjoyed good health and had retained an unusual amount of vigor and joy in living.

By occupation Mr. Webb had been a farmer but he devoted much time to two creative hobbies, cabinet making and gardening, and these he continued to enjoy in his old age. Among the many fine pieces of furniture which came from his hands are the pulpit in St. Luke's Anglican Church, O'Leary, which stands as a memorial to his first wife, and the hymn boards in St. Peter's Anglican Church at Alberton and the United Church of Canada in Bloomfield. In summer passing motorists frequently stopped in front of his home to admire the well kept lawn and beautiful flowers grown by this master gardener.

Mr. Webb was born in the neighboring district of Carleton Lot 6, a son of the late Mr. and Mrs. James Webb who had come to this country from England. In 1885 he was married to Lydia McDowell who passed away in 1918. Six years later he was married to Margaret, widow of George Gordon of Montrose, who predeceased him in 1949.

He is survived by the following sons and daughters: Rev. Russell Webb of Waterford, N.B.; Alvin Webb, postmaster at O'Leary; Mrs. Arthur Dignan (Louise) of Woodstock; Mrs. Ward Jelly (Ella) of Unionvale; Ivan Webb of Howlan; Mrs. Bannerman Webb (Hattie) of Carleton, Lot 6; and Mrs. Earl Palmer (Elsie) of Woodstock. There are also eight grandchildren and a number of great grandchildren.

The funeral will be held at 2 p.m. on Thursday from St. Luke's Church, O'Leary Corner, of which he was a devoted and longtome member. Interment will be in the church cemetery.

Colombo in Ceylon was so named by the Portuguese in 1517 in honor of Christopher Columbus.
