

The Newspaper Press.

Mr. B. B. Haskell, editor of the Boston Herald, delivered an address at the meeting of the Boston Trade Association on last Wednesday evening on "The Modern Newspaper and How It is Made."

Miscellaneous Items.

It has been computed that in a single cubic foot of my stock and was advised to use B. B. B. Before I had finished the first bottle I was completely well and think B. B. B. cannot be excelled as a blood purifier.

Five to One. Dear Sirs—Last winter I had five large boils on my neck and was advised to use B. B. B. Before I had finished the first bottle I was completely well and think B. B. B. cannot be excelled as a blood purifier.

Knights of Labor. The Knights of Labor aim to protect their members against financial difficulties, etc. Hagedorn's Yellow Oil protects all who use it from the effects of cold and exposure, such as rheumatism, neuralgia, lumbago, sore throat and all inflammatory pain.

The Cherokee form of marriage is, perhaps, the simplest and most expressive of any. The man and woman merely join hands over a running stream, and the ceremony is complete.

A General Overcome. Dear Sirs—I suffered from general weakness and debility and my system was completely run down and I found B. B. B. the best medicine I ever tried. I would not be without it for a great deal.

Hogs are largely used to hunt for truffles in France, and the animal takes the roots of the fungus in his mouth, he eats a sharp blow across the nose and drops the truffle, when it is bagged by the hunter.

Easily Caught. Croup, colds, sore throat and many painful ailments are easily caught in this changeable climate. The never failing remedy is just as simple as the best of all the many remedies offered for the cure of colds or pains.

The night flowering cactus usually open their blossoms at seven or eight in the evening, are full blown by eleven, and by three or four in the morning they fade. Sometimes from six to ten flowers open on the same plant in one night.

Attacked by an Enemy. Dear Sirs, About a year ago I had a very bad attack of dyspepsia. For nearly four months I never ate a meal without suffering pain after. I had got so weak I could scarcely walk, when one day I saw an advertisement for B. B. B. and thought I would try it. Four bottles cured me completely, and I am now strong and healthy.

The first record we have of Coal is about three hundred years before the Christian era. Coal was used as fuel in this country as early as 823, and in 1224 the first charter to dig for it was granted by Henry III. to the inhabitants of Newcastle-on-Tyne.

Bad, Worse, Worst. Cold, cough, consumption, to cure the first and second and prevent the third use Hagedorn's Pectoral Balsam, the never failing family medicine for all diseases of the throat, lungs and chest. A marvel of healing in pulmonary complaints.

A London cabman was recently fined for carrying fourteen persons in his cab at one time. As a cure for paralysis, sciatica, rheumatism, neuralgic troubles, such as suppurative, besting, etc., general debility and that tired feeling peculiar to so many Dr. Williams' Pink Pills stand unrivalled.

The smallest parish in England is Wilcot, Oxon. It contains 7 persons. The age of 30 is a hard corner for women to turn, and 35 is still harder. She feels that she is fast leaving her youth behind her.

To every 100 males in London, there are 1123 females. If it's scintilla, bathe with Johnson's Anodyne Liniment, pressing the muscles and nerves hard.

The theatres in London regularly employ over 12,000 people. Johnson's Anodyne Liniment, used externally, cures rheumatism; not in a minute however.

The Italian Government raises \$15,000,000 yearly by holding lotteries. Soldier's Cove, N.S., Jan. 30, 1890. W. H. COMSTOCK, Brockville, Ont.

Dear Sir,—Your Dr. Morse's Indian Root Pills are the best medicine for rheumatism that I have ever used. Last Spring I was troubled greatly with it in my leg; I used one box of Morse's Pills, and was cured.

A REMEDY that is endorsed by Physicians must have some merit for no physician of any standing will place his seal of approval on a preparation unless he knows it to be good. Now Estey's Emulsion or cod Liver Oil is not only endorsed by Physicians but largely used by them in their practice.

Alexandria possesses the largest artificial harbor in the world. ESTEY'S Iron Tonic works like magic reaching every part of the human body through the blood, giving to all renewed life and vigor.

Grief or expectation, or mental application to any favorite pursuit, destroys appetite. PHILLODERMA is a positive cure for Burns and Scalds. It acts like magic.

A disordered state of the digestive organs impedes the free exercise of the mental powers. For softening, improving, and beautifying the skin, no preparation that has ever been introduced equals Estey's Fragrant Phillo-derma. Druggists sell it.
