Maritimes Shipping Bait Worms To U. S.

OTTAWA, (CP)—Don't step on that worm. It can bring you sixtenths of a cent.

The fisheries research board reported Thursday that diggers in the Maritimes last year shipped some 3,000,000 bait worms, packed in seaweed, to American sports fishermen. The worms provided a tidy $50,000 income.

Most of the bait worms are found in Yarmouth county, N. S., and some in the Lepreau area of Charlotte county, N. B.

CHINCHILLAS
FOR THE BEST IN FOUNDATION BREEDING STOCK
An Industry Worth Your Immediate Attention

Raising chinchillas has gained the reputation of being the most profitable fur industry of today. Being strictly vegetarian, they cost very little to raise, are odorless, can be raised in your dry basement, spare room, or garage.

Right now is the time to enter this new thrifty industry. Many say they get their initial investment back in less than one year.

We handle only the best grades of chinchilla, all registered with Canadian National Livestock Records, Ottawa, through the National Chinchilla Breeders of Canada of which we are members.
