ability that both these pacers will lower their records by several seconds. Then there is the old campaigner Jo-Jo Spencer 2:16, that always gets a good share of the money and headed fast class pacers to the wire ten times in season and was four times second and four times third out of 34 starts — certainly a most excellent showing. The 5-year-old trotter Winnifred G. 2:16% by Kalmuck, that many predict will go 2:10. She has all the determination of the Kalmuck's that are slow starters as a rule, but strong finishers and improve with age. Watch for Winnifred G. in the trots this year. Another that Andrew has high hopes for is the 4-year-old trotter Christy's Liacci, that was started three times last year for education and this year should win a good share of the money. She is out of that wonderful trotting mare Christy Budlong 2:06%, that forced Watchtim to the track record of 2:07% at Charlottetown, Aug. 17, 1945.

Bernard Peck of Sydney Mines, N. S., who sent us a partial list some weeks ago of the horses in training in Cape Breton, and promised the remainder, has now filled his promise and here are those at the Sydney track. The Joe MacDonald stable with assistant trainer Brendon Peck, has Mighty Bold 2:08 4/5, holder of the Moncton track record, owned by Lloyd MacAnlay, Farscut 2:07 3/5 and Judge Morris 2, 2:09 2/5, Angus Morrison of Glace Bay has Vella La Vella 2:08 1/5; Angus MacRae — Grey Eagle 2:10, owned by the Iron Club of Sydney, Lily Belle Lee 2:22 2/5 for Ronald Stevenson, and Lucky Logan, purchased at Harrisburg last fall, Worrell Lewis and assistant trainer Johnny Walker of Charlottetown, have Garth Tryax 2:09 4/5, Shining Hour 2:10 1/5 and Crusader Chief 2:09 4/5 for Don Cadegan, Inkus Trux 2:13 and Miss Judy Hal 2:09 for Bill Young, Bras d'Or, an Alpha Hal colt and Philco Harvester, a 5-year-old trotter by Simcoe Harvester out of Wes Vickers' grand old trotting mare Aliset. Aliset is also the dam of Dale B. This horse is owned by Cyril MacQuinn of Sydney.

"Duncan MacDonald stable with Red Donovan doing the training, has Red's own Colonel Hansford 2:10 1/5, that won over \$1,500 last year. Vanguard 2:08 3/5, Hi-Lo's Kilt 2, 2:29 (now three), Bud's Best 2:12 and Grace Reamore 2:17 2/5. Greg MacDonald is training the Joe Slaght stable of Hum Dale 2:11 2/5, Ada Harvester and Saun-

dered a broken arm in an accident on the track last year, has improved so much that he is bringing his horses into the track next week and will supervise their workouts. Summerside can now boast three tracks around its vicinity. They include the Summerside oval, George A. Callbeck's track and a new one which contractor Jack Curran has built on his farm at St. Eleanor's. Later we expect to have a full list of the horses in Summerside.

S. Thane Belyea writes from Fredericton, N. B., that training is in full swing over that fast oval and 14 horses are taking regular training with ten head from St. Stephen and Calais coming there in about two weeks time. There will also be more from Woodstock and Maine after Woodstock has had their matinees. Races will be held twice weekly and this change of stables is expected to fill all the programs throughout the season. These are the horses at present stabled there. The four horses from Gagetown and Hants Hanover, owned by William A. Clark, are in Wilbur MacKay's stable. . . .

### Owner

Dean Gallon keeps up his winning streak. At Roosevelt Raceway Friday night, April 29, he won the A. Trot, purse \$5,000 from a fast field in 2:08 1/5. On July 19, 1945 he braved the heavy rain to watch the races and also the track telecast on a 24-foot screen which was placed at the turn into the stretch. They were enthusiastic about the clear picture of the last 16th. Later it is expected to put in several more large screens. This is a new feature that has never been used before at any race track. Dean Gallon has won his three starts with total purses of \$8,000. The divy for first horses at Roosevelt is 50 per cent, so that \$4,000 has already been credited to R. J. Logue of Sydney, N. S.

We acknowledge with thanks a complete list of the horses now being trained at the Charlottetown Driving Park track. This was compiled by the energetic race secretary E. Frank Acorn. In passing we may say that the Charlottetown track was never in better condition for early training. Jim Lewellyn and assistants have spent a lot of time after the track was plowed up picking out all stones so that injuries could not occur to horses. It is really a delight to work a horse over it and we anticipate the horses being trained there will show up well when the June program starts.

his brother is getting Newfie Girl 2:28 1/5 ready. Ernie Frost is training his own Evelyn Budlong 2:23 4/5. Ernie had a good season behind J. S. J. 2:11 4/5 last year. Tom Hawco has Jimmy Counsel, J. S. J. 2:11 4/5 and a colt by Guy C. Atwater. Russell Haloran is training his own five-year-old trotter, City Harvester. Alec James MacLean is training the Onward 2:13 and Tryon 2:21 1/5, p. 2:12 2/5. Earle Graham has Berdina Hanover 2:15 2/5 in his charge. Tom Dick is out rain or shine with Abegweit Milady 2:14 4/5 and Jimmy Moffat is training the fast trotter Jack C. Chips 2:15 2/5. It's always nice to see the trotters in action. Alec Cameron is training two trotters, Question V. 2:09 2/5 and Dian Mac. Neil Reamore 2, 2:16 while Allister MacAulay is getting Billy Sunday 2:10 2/5 ready. It looks as though the Cape Breton race fans are in for a good season of racing. There is certainly lots of new horses. Thanks, Bernard, for the trouble you have taken, which we appreciate very much.

DON'T BE PENNY WISE-DOLLAR FOOLISH!

use a **WOOD PRESERVATIVE**

Moisture is paint's greatest enemy! Seasoned wood, if left unprotected, can quickly be ruined by moisture which penetrates under the paint film causing rot, warping, discoloration and peeling.

DO THE JOB RIGHT THE FIRST TIME

Don't pinch pennies now and risk many dollars in repairs later... before painting bare wood, apply "Pentox", the penetrating toxic primer-sealer wood preserver. "Pentox" effectively seals the pores of the wood with a synthetic resin preservative, barring the way to harmful moisture, keeping the wood in good condition for years to come. "Pentox" also prevents termite attack. One easy application of "Pentox" saves paint, ensures a better, longer-lasting paint job.

New Building Products Limited, Canada's largest manufacturer of Asphalt Shingles, presents the most outstanding advance in roofing in years — **PATENTED B.P. ROOFMASTER Asphalt Shingles**. A truly new concept in modern roofing, B.P. ROOFMASTER Shingles are dramatically different in appearance, unlike any other shingle ever made! They combine a "built-up" grained pattern (No. 1) with an extremely natural-looking shadow band (No. 2) to give your roof amazing design depth, rugged beauty and appealing character.

**10 BEAUTIFUL COLOURS**

B.P. ROOFMASTER Shingles are available in ten pleasing, practical colours: — Quaker Grey, Carnelian Red, Gulf Green, Cobalt Blue, Copper Blend, Manor Blend and four 2-Tone Blends — Green, Blue, Red and Black. All owe their distinctive beauty to the unique B.P. ROOFMASTER design. Whether you are building or re-roofing, there's a B.P.
