Dunlops Win Again; Beat Americans In Rough Game

OSLO, Norway (CP)—Canada's world amateur hockey hopefuls crushed the United States team 9-2 Friday in an exhibition game that the fans turned into a free-for-all.

A Norwegian spectator was arrested for hitting a Canadian player.

The game, a fast-skating affair with more body checking than is usually seen on European rinks, erupted mid-way through the second period.

The outburst began with a struggle between George Gosselin of the Canadian Whitty team and Bill Christian of the U.S. With Canada leading 4-1, Christian tried to cut in on the Canadian goal.

Gosselin stopped him and the two fell to the ice, wrestling. As the 8,000 fans started booing, two policemen hopped over the boards to separate the combatants.

The two Russian officials assigned the players a minor penalty each and the policemen escorted them to the penalty box.

A large crowd of spectators swarmed around the box, several jumping on to the ice to get closer to the players, and jeered and shouted at them.

PUNCH ON NOSE

One of the excited fans crowded close to Gosselin and fired a punch to the Canadian's nose. The fan was arrested.

Police and the officials finally cleared the ice and play was resumed.

A few minutes later, Jean Paul Lamirand, lent to Whitty from the Quebec Hockey League, traded punches with Frank Eisenzoph of the U.S.

Players of both teams and the officials separated them, however, and the fans took no further part in the game.

Almost hidden behind the spectator's display was the fact that Canada completely dominated the play.

Starting fast in the first period, Canada whipped into a 3-0 lead added two more goals in the second period and finished with a four-goal outburst in the third.

Charlie Burns, in the centre of the fighting in an exhibition game in Sweden three days ago, opened the scoring at the five-minute mark of the opening period.

ATTERSLEY GETS TWO

Other Canadian scorers included Bob Attersley with two, George Samolenko, Gosselin, Tex O'Connor and Connie Broden, a centre with Montreal Canadiens in the Stanley Cup finals last

spring. European spectators have been quick in the past to jump on North American hockey teams for what they consider unnecessary roughness.

After the game at Sweden Tuesday, which Canada won 12-0, there were reports that a complaint would be lodged with the Swedish Hockey Association regarding the Canadians' play.

Five Canadians and one Swedish player were thrown out of the game after fighting broke out in the last minute of play.

There has been no indication of any official action, however.

Canada now has played 10 exhibition games since arriving in Europe Feb. 4 for the championship, to be held here Feb. 28-March 9. They have won all 10 games, four by shutouts.

OUTSCORE RIVALS 8-1

Canada has outscored its opponents by an 8-1 average a game. The offence has fired home 96 goals while the defence has allowed only eight into the net.

The team returns to Sweden today for three more exhibition games before returning here Feb. 27.

Tod Skipped Rink Beats B. C. 8-5 In Final End

Tom Tod and his Northern Ontario quartette from the lakehead city of Fort William are four of the happiest boys in the country today as they begin their reign as the Dominion Boy Curling champions. They did it the hard way with a last end effort that eked out a win over Prince Edward Island in an afternoon match and another come-from-behind victory last night in the final round over British Columbia.

Prince Edward Island appeared to be off the pace in their final game against New Brunswick but managed to drop their Maritime opponents 3-7 to solidify their hold on second place in the final standings. Third place was a three-way jam session with Ontario, Nova Scotia and Alberta ending up with six wins and four defeats.

Other 10th round matches saw Alberta drop Nova Scotia 12-4, and in two 11-enders, Saskatchewan took a 10-7 win over Ontario and Quebec eked out an 8-7 decision over Manitoba.

British Columbia were two stones up after two end but couldn't keep on the pressure as

the lakehead crew scored singles in the third and fourth. Again the west coast squad skipped by Gerry Wray went two up in the fifth only drop behind by the same number as the champs set up two stones in each of the sixth and seventh ends and added singles in each of the final two ends while holding the school to a single in the eighth.

Prince Edward Island's entry from Prince of Wales College dropped in five stones in the sixth end to salvage their 8-7 win over New Brunswick. The losers kept pecking away at the Island crew and carried a 3-2 lead in the fifth end. After dropping behind 7-3 on the Island big sixth, back again and trailed 7-6 in the eighth end before the winners could connect with what proved to be the winning stone.

Following the playing of the final stone, the Pepsi-Cola trophy emblematic of dominion high school curling supremacy was presented to the winning crew of skip Tom Tod, mate Neil McLeod, second Patrick Moran and lead David Allin at center ice by Miss Pepsi, Joan Corbell.

ber of the team is to his left. MacLeod is seen behind the Coach, F.R. Symes. Former Mayor J.D. Stewart can be seen in the background.

Key Game Was One Of Most Exciting Matches Seen Here

By DUCK ACORN

The key game between Canadian Schoolboy champions, Northern Ontario and P.E.I. is now history and the Islanders were on the short end of a 7-6 score after one of the most exciting curling matches witnessed here in this field.

We say tense and exciting because the pressure was really something on both teams, and we could almost include the fans on that. It was the key game for the reason that the winning team would be sitting in the preferred spot of a one game advantage in the win column and the worst they could get out of this series was a tie, which would necessitate an extra end, providing PEI won their game against N.B.

In the first end the Island started with two good rocks in the house. N. Ont. then made a good shot to take out the No. 1 and roll. Bell missed his take out. N. Ont. came back with another take-out. Saunders was narrow and just rubbed the shot rock out.

SAUNDERS MAKES MISTAKE

Saunders making no mistake this time took out an Ontario rock and rolled in for No. 2

ISLAND MISSES

The Island skip missed his take-out with Tom Tod doing the same thing on his shot. Burke made no mistake on his second try and was out of trouble as far as a big end went. Tod made a beautiful take out and N. Ont. picked up the first point.

N. Ont. lead was heavy. Smith put one on the back twelve. N. Ont. took it out and rolled out with it. Smith dropped one at 7:30 in the eighth footer. Ontario missed and Bell was a foot short. N. Ont. made the take out for a clean house.

Bell came in at 1:30 in the front circle. Neil MacLeod, the Ontario mate missed his take out. Saunders was asked to draw and slipped through the house. MacLeod North Tryon winning at the Stadium by the score of 6-4.

For Sherbrooke scorers were: Gerry Ranahan 3, Greg Deighan 2, Joe Gallant 1 and for North Tryon, Gord MacFarlane 2, Blair Delaney 1, and Gordon Dawson 1.

Amherst Ramblers Capture First Game From Flyers

DARTMOUTH, N.S. (CP)—Amherst Ramblers trounced Shearwater Flyers 9-4 here Friday night in the opening game of a best of seven series in Nova Scotia Senior Hockey Playoff.

Second game will be played here tonight. The series then moves to Amherst for the next two games.

Pint-sized Gerry Boss, high scorer in the Maritime Senior Amateur League this season, led the Ramblers with three goals. He was followed by Doug Poitry and Jim Gouchie with two goals each while single markers went to Bob Furze and Eddie Belliveau.

For Flyers, champion of the Armed Forces League, it was Wes McBean with two goals. Others went to Les Shatford and Jim Veyssey.

The Maritime Senior Champion Ramblers grabbed a 5-1 first

did the scoring. The Georgetown Eagles took all advantages of the visiting Nine Mile Creek Bulldogs and beat them 11-5. It was a fast and well played game.

Goal getters for the winners were H. Stevens, S. C. David, 2, MacNeil, 2, Martel and MacPhee one each. The goal getters for the losing team were Taylor, 2, McDougall, 2, and MacDonald, 1.

With Bold Ruler Out Of Race, Calumet's Favored

MIAMI, Fla. (AP)—With Bold Ruler out of the race, four other horses became entries Friday to build the \$100,000-added Widener Handicap into a 10-horse field.

It cost only \$200 to nominate but owners had to pay \$1,000 to enter the winter's first big handicap at Hialeah Park today.

Calumet Farm entry of Iron Liege and Pintor Lea was expected, and with Bold Ruler, the 4-to-5 choice, out because of a sprained foreleg, the Calumet pair became a 1-to-2 choice. If 10 start, the 1 1/4-mile race will gross \$130,000 and net the winner \$92,800.

Second choice probably will be Mrs. Wallace Gilroy's Oh Johnny, rated at 5 to 1. Champion jockey Willie Hartack will ride Iron Liege, assigned top weight of 125 pounds, with W. M. Cook on Pintor Lea and Robert Ussery making up most of Oh Johnny's 117-pound package.

Happy Hill Farm's Kingmaker, winner of the recent Royal Palm Handicap, was a surprise entry along with Hasty House Farm's Mahan. Others who had not been counted as starters are Mrs. J. A. Leone's Rockcastle and Laury Larence's Beast Diable, both 20-to-1 shots.

OLIGARCHY TO RUN

Mrs. Ada L. Rice's Hoop Band, C. T. Cheney's Third Brother and Brookmeade Stable's Oligarchy complete the field.

Allie E. Reuben, Hasty House owner, had said he would not enter Mahan but when Bold Ruler was declared out late Thursday, Reuben telephoned Eddie Arcaro, Bold Ruler's regular rider, and the jockey agreed to fly to Hialeah from Santa Anita and ride Mahan, assigned 112 pounds.

Owners must pay another \$1,000 to start but all are expected to go since they paid the entry fee. Most of them apparently hope for a share of the purse, which provides \$20,000 for second, \$10,000 third and \$5,000 fourth. Clear, balmy weather and a fast track was in prospect for the race.

Saints To Play St. John YMCA

St. Dunstan's University intercollegiate basketball team goes after its eighth exhibition victory of the season when it meets the St. John Y.M.C.A. at the S.D.U. gym. Game time is 9:30.

The St. John squad, which is participating in the Maritime junior playdowns this season, already owns an exhibition victory over the Saints. In a recent road trip the local collegians dropped a contest to the Y in St. John by a six point margin.

An outstanding feature of tonight's game will be the appearance of Keith Scott, a former star with the touring House of David basketball team, who is the playing coach of the Y. Scott is an outstanding ball handler and will be a rare treat for local fans to see.

St. Dunstan's will possibly be without one or two of their key players. Bob Fearon, bothered lately with a bad ankle may not be in uniform, and Brian Noonan, high-scoring in last Sunday's victory of the Moncton CYO, was a doubtful starter yesterday after injuring an ankle in practice.

Premier Has Warm Praise For Curlers At Banquet

"I don't know what future has in store for our vast country but if we have boys like you ruling the way you have been curling over the past week, we will surely be in the best of hands."

These words by Premier A. W. Matheson at yesterday's banquet for the visiting school boy curlers, summed up the feelings of curling fans in the provinces capital.

The Premier told the gathering that the visitors had conducted themselves like gentlemen both on and off the ice and that he considered it a privilege to extend the official welcome to the team on behalf of the provincial government.

Premier Matheson was introduced by provincial secretary B. Earl MacDonald whose duty it was also to present to each team three large portraits for their individual schools along with the separate souvenirs usually accorded visiting curlers for their participation in a bonspiel.

The portraits included the Confederation Chamber members of the first sitting of Confederation and the third was a souvenir photo of the Sports Arena interior on the opening day of the Dominion School Boys Curling Bonspiel.

Banquet M C Dave Stewart, general chairman of the Bonspiel Committee, introduced the final speaker, Mr. F. W. McIntosh, president of the spiel's sponsoring firm, who briefly extended his congratulations to the curlers and, especially, to the Bonspiel Committee who had done such a wonderful organizing job. He also said that he was proud that his firm was connected with high school curling across Canada.

HUNTER'S CORNER

Snow Covered Fields Show How Much Wildlife Hides

The past week has been one of typical winter weather—crisp, clean and sunny. There is nothing takes the place of new fallen snow when it comes to beautifying a landscape. I have heard the visiting School Boy curlers speaking in complimentary terms about our province and also about the people who live here. King Winter treated us royally during our Bonspiel week—in fact we couldn't have done much better if we had the choosing of the weather desired. Winter is not really winter without its quota of snow. Woodland jaunts I remember most distinctly were on days when clean, white snow covered the ground and a sun shining brightly from a blue sky tempered a frost laden atmosphere.

DOWN THE BACK STRETCH

CAPTAIN A. GREY?

A good friend of this column has sent us a story which, we are sure, will be interesting reading to horse lovers all over the Maritime provinces. It is titled "Remember Captain Aubrey?" and it reads as follows:

A few days ago, Dr. M. Cumming, Principal Emeritus of the Nova Scotia Agricultural College—and actually, at one time, the whole Department of Agriculture in Nova Scotia dropped in at the office, where he is certainly a welcome visitor.

The conversation turned to the decrease in the horse population of the province, and to the scarcity of good driving horses as a result of the introduction of automobiles on every farm. This led Dr. Cumming to recall what great interest used to be taken in horse-raising during the first quarter of this century, and the place which the Nova Scotia Agricultural College had in this program. The College, actually according to Dr. Cumming, developed into the focal centre of horse breeding, and this resulted in the purchase, by the College, (Continued on page 7)
