

# Jock Talk

SGW 8 - U.P.E.I. 2

This is being written early Friday morning and our temper is not too good! At the Athletic Award Dinner last Spring, somebody made off with our new Stat! Last night in an understandable effort to drown our sorrow, we visited the Ryan's Fancy party in the Gym. (What a jolly time!!!) and as we were about to wend our weary way homeward, we discovered our recently purchased Kangol copy has disappeared!! After we had scoured the Town and purchased the only 7½ ton Kangol in the CITY! Is some despicable character collecting Place headgear if so we know it can't be for his father because we are certain this person doesn't know who his father is!!!

About last night's unpleasantness at the Forum ("A funny thing happened to me on the way to") We'd like to reserve judgment - it was just one of those times when everything went wrong - the puck just didn't bounce right.

There's no question about S.G.W. being a GOOD club - they skated and passed very well and, except for a time in the latter part of the first period, we were never in the game - We don't think however, they would have skated head down across the blue line with the same confidence if Luc Bedard had been in the game - although Donnie Brown, who usually deals out some hard licks found S.G.W. pretty elusive. We must, however, give great credit to our boys for although outscored, they near stopped trying and what more can a fan ask? Also, not too many university teams could unexpectedly lose thrie top scorer and not feel a drastic effect. Optimistically, we must stress that P.E.I. breeds good hockey players and with a few games under their belts, we are sure that the Panthers will rate well in the M.I.H.L. this year. Keep on trying Panthers

By the time this is read,

the rejoicing or regrets over the Acadia game will be over and the student body will be looking forward to the S.M.U. game. We had thought that the Acadia game, while important, actually only decide where the first & second place finishers would hold their playoff game. The real team to beat, we believed would be S.M.U. so that a three-way tie would be avoided. We say, we thought we understood, until we read the explanations and projections in Donnie Morrison's and Bob Gray's columns - now we are thoroughly confused and we implore Ed Hilton to win both games so that the matter won't be thrown to the newly formed Debating Society!

Which also reminds us - why such interesting debates at the sme time hockey games are scheduled?

Tis only the end of Oct. and my head is cold already - am I to suffer snuffles until next May - Anyone see a tan 7½ English cap.

## ODDS & SODS

### New Winter Program

THE USSR FOR THE YOUNGER SET

A new programme of inexpensive winter tours to the USSR for young people has just been announced by Aeroflot. According to O. Shuranov, general manager for Canada, the enthusiastic interest shown by young Canadians last year has prompted the Soviet airline, in conjunction with Intourist, to offer an expanded programme for the 1973-4 season.

Specially designed for the under 24 age group, all-inclusive tours of 6 days to Moscow and Leningrad are priced at CA \$360 and of 13 days to Moscow, Leningrad and Kiev at CA \$499. These rates include of course return air transportation from and to Montreal, accommodation in first class hotels and three meals a day, plus evening entertainment, visits and excursions with Intourist guides.

Full information about this programme is available from Aeroflot Soviet Airlines, 2020 Stanley Street, Montreal 110 or from any IATA-appointed travel agency.

### Next Week

Ken Butler of the Philosophy department takes issue with what has become very controversial:

"Knowledge and Belief". His remarks are enlightening as well as critical.

### Man Power

The Public Service Commission of Canada will be providing Career Oriented Summer Employment Opportunities in the fields of Administration, Engineering and Applied Sciences and Economics and Bio-Physical Sciences.

Employment will be with various Federal Government departments in different areas of Canada.

All full-time students intending to return to university in 1974-75 are eligible to apply.

Application forms and further information are available from the Canada Manpower Center, Room 102, Main.

Closing date is January, 15, 1974.

### Senior Meeting

Senior Class Meeting to be held Tuesday Oct. 30th at 8:00 p.m. in the Panther Lounge in the Barn. Agenda for the meeting will include convocation speaker, graduation pictures, rings and an upcoming senior party. It's your senior class, so lets support it.

### Backside

We continue with the Backside at the Barn Monday, Tuesday, and Wednesday, til midnight, so if you blew too much money on Oktoberfest, the Backside costs a nickel. We again put the call out for any suggestions or criticisms on the operation of the Barn, as we try harder and harder each week to get you out of the greasy rut of "chips, gravy and a coke". Look in the near future, for more baked, boiled and broiled surprises from your most expidiant partners and Brinko at the Barn.
