

## There IS a Day Students' Lounge on Campus

Although day students come and go daily to the campus, I wonder if they are familiar with all the facilities that exist for them. I'm sure everyone has been introduced to the Barn, the library, and the cafeteria (the most likely hang-out spots) but it seems that not too many are aware of the existence of a day students lounge.

This lounge is located on the ground level at the back of Bernardine Hall and is a large room equipped with the

following facilities: chairs, tables, a cot, sinks, cupboards, stove, and a refrigerator. In the immediate area are washroom facilities and lockers which day students may rent for their personal use.

This room serves many useful purposes. It can be a place to study, socialize, cook a meal, sleep, relax, put in time, meet new friends, or do projects. It is at your disposal from 8:00 a.m. until early evening. Students may bring their lunches from home and eat

there, or they may prepare something in the kitchenette.

Mrs. Mary Ross, Head Resident in Marian Hall, supervises the lockers, and will rent you one for \$1. This fee is refundable when you turn in your key. Should you wish to know anything more about this facility, contact Mary Ross, or the Department of Student Services.

## IWY Again

Although International Women's Year is not receiving as much publicity lately it is still with us. Last semester a committee consisting of administration, faculty, and students, held regular meetings in my office. We discussed a number of issues and out of our discussions, we wrote articles for the Cadre, and organized a panel discussion entitled "Equal Opportunities What Costs?"

We still have a few more months of International Women's Year left, and maybe you wish to get involved in some way. I would be happy to help anyone plan for some activity that they see relevant to promoting International Women's Year, and am available at Department of Student Services, Main Building, Room 134.

## Handicraft Sale to Visit U.P.E.I.

For a shopping spree with the allure of far places, visit the U.P.E.I. campus this week.

From October 6-10, a selection of over 300 different handicrafts including batiks from Kenya, carvings from Ecuador, ponchos from Bolivia, rugs from Peru, plus many more, will be on sale in the Marian Hall lounge.

The sale opens each day at 1:30 pm and closes at 9 pm. There will be no sale Wednesday evening.

Sponsored by the World University Service of Canada (WUSC), an organization of faculty, students, and administration, the sale is being held primarily to raise funds for WUSC projects both overseas and in Canada. The sale also provides a market for the craftsman in developing communities and involves students in a practical form of international cooperation. In addition, WUSC hopes the sale will arouse interest in the crafts and cultures of other countries.

The sale, which opens this week at UPEI, will tour 30 campuses in Canada. The merchandise was purchased from organizations, such as cooperatives and government sponsored handicraft centres.

The countries represented in the sale include Bangladesh, Bolivia, Canada, Ecuador, Guatemala, Haiti, Honduras, India, Kenya, Lestho, Malawi, Niger, Peru, Philippines, Swaziland, and Thailand.
