

An Extraordinary Charter

GRANTED TO BRITISH NOBLEMEN AND THEIR FRIENDS.

LONDON, Nov. 1.—The New York Herald's European edition publishes to-day the following: A most extraordinary charter has just been obtained from the Queen by the Duke of Fife and other titled persons. This charter of incorporation was granted to the British South African company Oct. 29. The terms of this important document and the immense powers conferred upon the English syndicate that have succeeded in obtaining it are of such a nature as to deserve more than passing notice. Queen Victoria has been pleased to grant her petitioners absolute control, extending over, and having its principal field of operations in, that region of South Africa lying to the north of British Bechuanaland, and to the north and west of the South African Republic and to the west of the Portuguese dominions. A glance at the map of South Africa will show these boundaries are capable of exceedingly elastic interpretation, and that the territory granted to seven individuals is, so far as the wording of the charter is concerned, unlimited in extent to the north and west. The terms of the charter are almost as wide as the territory over which the incorporated company will hold sway. Special clauses empower the company to hoist and use the British flag on its buildings and elsewhere in territories and on its vessels, to establish and maintain a force of police and to control the traffic in spirits and intoxicating liquors, to enforce a close season for the preservation of elephants and other game, and to impose game licenses. The charter is to be acknowledged by the governors, naval and military officers, consuls and other officers in British colonies and possessions, and on the high seas and elsewhere, and such officers are to give full effect to the charter and recognize it, and in all things aid the company and its officers. As far as can be judged it is a replica of the East India Company's charter, granted in the days when it was regarded as an excellent thing to give the classes absolute and irresponsible control of the masses. The "humble petitioners" for the concession as set forth in the preamble of deed are the Duke of Abercorn, Duke of Fife, Lord Gifford, V. C. Cecil, John Rhodes, Alfred Best, Albert Henry, George Grey and George Cawston. When parliament meets there will surely be a little excusable curiosity on the part of some of the members over the provisions of the charter.

EPSS'S COCOA

BREAKFAST. "By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Coconos, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood, and a properly nourished frame."—Civil Service Gazette. Made simply with boiling water and milk. THE LADIES!

A New and Distinct Form of Disease which is afflicting Canadian Women. How some of them Regained Fresh Complexion, Hair, Teeth and Superb Physical Beauty.

A great London Physician says that he notes a new and distinct form of nervous disease produced in Canadian women by worry about servants and overwork in caring for the home. This is why we see so many ladies pale, weak, languid, and suffering from headaches and innumerable weaknesses. They cannot stand the strain upon their nervous system. Many of them have found the means to sustain their failing strength, to give color to the cheeks, and new life and vigor to the body, in Paine's Celery Compound. This pure and scientific remedy is especially adapted to the needs of woman, and is daily making the most remarkable cures. Mrs. W. E. Cooper, 60 St. Hyppolite St., Montreal, was for a long time troubled with nervous headaches, loss of appetite, low spirits, etc. After using the Compound, her headaches disappeared, appetite was good, and her spirits revived. Annie Gourley, of River Beaudette, P. Q., found the Compound a certain cure for weakness, and now feels as well as she ever did. Many a Canadian lady has the same reason to be grateful. Paine's Celery Compound can be purchased at any druggist's for one dollar a bottle. If he should not have it on hand, order direct from WELLS, RICHARDSON & CO., MONTREAL.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and appendages in particular. It is especially adapted to "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally. Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic. As a soothing and strengthening medicine, "Favorite Prescription" is unequalled and invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms, commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency. Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial. "Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppressions, prostrations, or falling of the womb, weak back, "female weakness," and all other nervous troubles, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness of ovaries, accompanied with "internal heat." As a regulator and promoter of functional action, at that critical period of change known as "the Change of Life," "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for chronic disorders and derangements incident to that later and most critical period, known as "the Change of Life." "Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system. "Favorite Prescription" is the only medicine for women, sold by druggists, that has a positive guarantee, from the manufacturer, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottles, wrappers, and faithfully carried out for many years, and accompanied with "Internal Heat." Large bottles (100 doses) \$1.00, or six bottles for \$5.00. For large, illustrated Treatise on Diseases of Women (160 pages, paper-covered), send two cents in stamps. Address, World's Dispensary Medical Association, 259 Main St., BUFFALO, N. Y.
