

Souris Snack Bar Completely Renovated

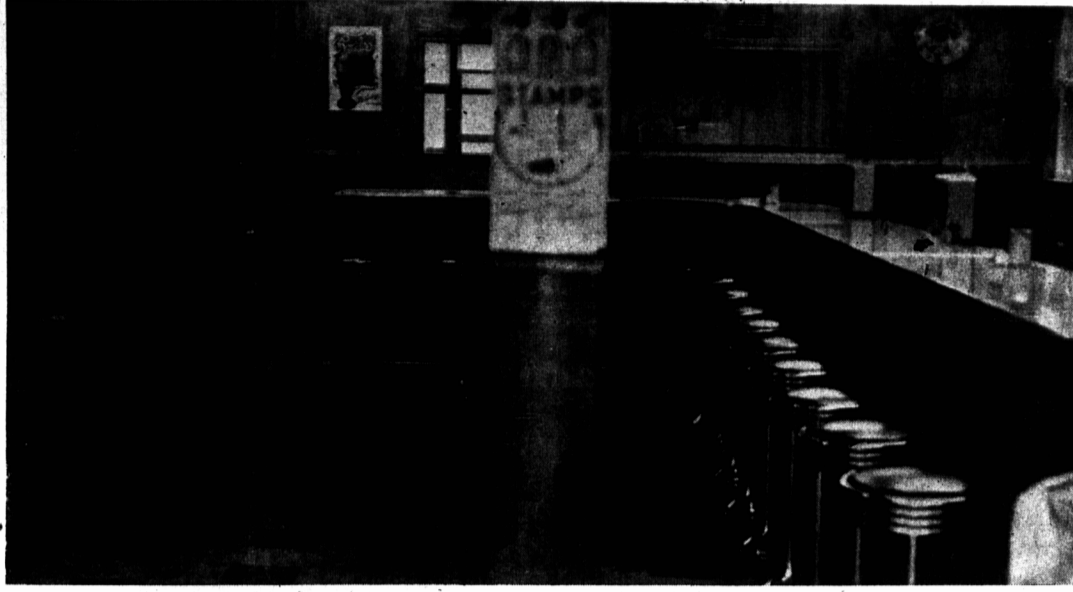

BEST WISHES
TO
Mr. Stirling Gillespie
AND
The Souris Snack Bar
CLARKE FRUIT CO. LTD.

Proprietor

The owner and operator of the Souris Snack Bar, Mr. Stirling Gillespie (above), was born in Carleton and worked in Summerside for 13 years with Central Creameries. Following one year in the service he was appointed plant manager for Central Creameries in Souris and has lived in that locality for 13 years. He opened the Souris Snack Bar six years ago.

NATION'S VOICE
Radio Japan, the voice of that nation and the medium of international shortwave broadcasts, marks its 20th anniversary this year.

The interior of the attractively re-decorated Souris Snackbar is shown in the two photos above. The seating arrangements and booths are pictured in the top photo while in the lower photo may be seen the magazine stand and the refrigerator. Moving ahead with the progressively expanding town of Souris is the Souris Snackbar which has been completely renovated in recent months.

The Souris Snackbar, which is owned by Mr. Stirling Gillespie, celebrated its sixth birthday this year with a re-modelling of the interior and exterior. The inside of this modern snackbar is completely finished in birch plywood. A new soda fountain as well as a new propane gas range, grill, French fryer, dish washer and sterilizer have been installed.

Every measure has been taken to ensure customers of the utmost service and comfort. Thirteen persons may be accommodated at the counter at one time and each of the three booths will service four people. Full course meals are served at any time. The exterior of the restaurant has been attractively decorated with the front being painted grey and trimmed in white. (Photos by Garnham)
