EDITORIAL matter crowded out. Go to Goff Bros. for cheap boots. FRESH rhubarb, oranges and lemons at Beer & Goff's. Go to Goff Bros. for latest styles in boots and slippers. OVER 40 Wanner Lamps now in use in the city giving satisfaction. We regret to learn that Dr. Gillis, M. P. P., Summerside, is seriously ill. Mr. J. T. HAWKE has assumed the management of the Moncton Transcript. The civil service at Ottawa is preparing an address of congratulation to the Queen. THE closing exercises of the Model School will take place to-morrow, beginning at 10 o'clock. THREE Scott Act cases will occupy the attention of the Stipendiary Magistrate to-morrow. It is likely that Hon. Mr. Chapleau will accept the Lieutenant-Governorship of Quebec. THE regular monthly meeting of "Silsby" Engine Company will be held this evening at 8 o'clock. REMEMBER the sale of furniture and wagons to-morrow at 2 o'clock.—G. M. HARRIS, Auctioneer. THE incandescent light was on exhibition in the windows of the Diamond Bookstore last evening. MR. FRANCIS P. MCCARRON, Richmond Street, was to-day elected a City Councillor for Ward 2 by acclamation. W. N. TANTON has just received some handsome Jubilee Badges. Call early and see them.—Upper Queen Street. A FINE lot of Silverware, from one of the best manufacturers, opening to-day at G. H. Taylor's, north side of Queen Square. ATTENTION is directed to the advertisement of Miss Katie McLean, who has recently returned from Boston, having completed a course at an Art School there. OUR old friend, "The Buffalo Bill," is extensively portrayed in the London illustrated papers. The Queen's visit to his show has made him the centre of attraction—the lion of the hour. THE silver spoons won at the meetings of the Charlottetown Rifle Club last summer have arrived. They are beautifully engraved with the monogram of the club and the initials of the winners. MR. JOHN J. HOGAN has one of the fingers of his left hand so badly bruised while at work unloading the steamer Carroll yesterday afternoon that amputation at the first joint was necessary. Dr. Warburton performed the operation. WE understand that Mr. James A. Fraser, M. D., formerly of the firm of Fraser & Reddin, but at present practising his profession in Washington, D. C., has decided to return to the Island, and will probably arrive here next month. A FASHIONABLE wedding took place at Quebec on the 31st inst. The contracting parties were Edward Tashereau, son of Judge Tashereau, and Miss Dionne, daughter of Hon. Mr. Dionne, legislative councillor. The nuptial blessing was pronounced by Cardinal Tashereau. ATTENTION!—Received to-day, a fresh stock of Shoe Findings, in Laced and Elastic Gaiter Tops, Shoe Tops, Roans of different colors, Shoe Thread, Bristles, Brass Rivets, &c., all of superior quality, and will be sold 25 per cent. lower than former prices.—M. McQuaid, Lower Queen Street. THE S. S. Carbis Bay sailed last evening for Bristol, via Sydney, with 65,158 bushels oats, shipped by Owen Connolly, Esq., and 954 bushels wheat, shipped by A. M. Wright, Esq. This, we believe, is the largest cargo of grain ever shipped from the Island. The steamer was consigned to F. T. Newbery. THE closing exercises at Mount Allison College, Sackville, N. B., took place on the 30th ult. The various exercises were well carried out. In the list of successful students it is pleasing to notice the frequent mention of the names of the Misses Lathern, Miss Shenton, Miss Burwash, Miss Jost, Messrs. Harrison, Howard, Ayers, and others. THE Odd Fellows of this city will produce the "Danites" Wednesday evening, June 15, and will give a fine rendition of this great drama. The plot is full of interest and well developed, the movement is smooth, the dialogue interesting and the situation well chosen. Judging from the large sale of tickets there will be a packed house. THE promptness of transportation from Quebec to Charlottetown of the six horses imported by Messrs. Gardiner, Richards and Boyver, a few weeks ago, should remove any prejudice hitherto existing to sending live stock by rail from this Island to or from Upper Canada. When we consider that the horses left Point Levis on Friday evening, and arrived at Moncton on Sunday at noon, it shows that Superintendent George Taylor is alive to the interests of the Intercolonial Railway and its patrons. A CITIZEN entered one of the liquor stores on Queen Street yesterday afternoon and called for a beer. While the proprietor was drawing the beer the customer informed him that he had not the necessary amount of specie about him to pay for it, but would settle up again. This intimation riled the proprietor and he threw the beer over the customer. This riled the customer and he threw some unkind words at the proprietor. The proprietor retaliated by giving the customer several blows about the shoulders with a stick. After standing this as long as possible the customer vanished. A summons has been taken out for the proprietor. ABBEY'S Uncle Tom's Cabin Company appear in the Lyceum on Friday and Saturday evenings next. The Utica Herald, of October 24th, referring to a performance in that city, says:—"Abbey's Double Mammoth Uncle Tom's Cabin Company played to a large audience in the Utica Opera House last evening, and their presentation of the time-honored drama was very creditable. The two Topsyes were good, and the specialties of the two Marks created much laughter. Little Gracie Peck, who is not five years of age, assumed the role of Eva, and sustained her part nicely. The other characters were well taken, and on the whole the performance gave good satisfaction.

DOMINION PARLIAMENT.

Fisheries Difficulty and Reciprocity.

Queen's County Election Case

Additional Subsidy for the Island.

OTTAWA, June 1. In the House to-day, in answer, Sir Charles Tupper said the Imperial and Dominion Governments were doing all in their power for the settlement in a friendly way of the fisheries difficulty, and to promote reciprocal trade with the United States. It was in the interests of the public that nothing more definite should be said. In the Queen's County election case, the same formalities as yesterday were gone through, Mr. Speaker informing Mr. Baird, the sitting member, that he had the right to make any explanation, after which he would withdraw. Mr. Baird spoke for about an hour and a half, detailing the circumstances under which Mr. Dunn was appointed returning officer, showing why he continued to hold the seat, stating the opprobrium which had been heaped by the Grit press on himself, and showing the injustice of such action. He made a capital speech, and was listened to attentively, and elicited frequent applause by the vigor with which he handled his opponents. He said the lists had been prepared in a most shameful manner by bitter partisans and were illegal. He concluded by stating he would bow to the decision of the House whatever it might be. At recess the debate was not concluded. Sir Charles Tupper to-morrow will introduce a resolution granting Prince Edward Island twenty thousand dollars a year in addition to existing subsidies. After recess the house resumed the debate on the Queen's County case. Davies moved in amendment to the amendment that Mr. Dunn, the returning officer, who returned the candidate having a minority of votes, be ordered forthwith to attend at the bar of the House to amend his writ by substituting the name of King for that of Baird. After a lengthy discussion a division was taken, resulting in Davies' amendment being lost by 85 for, and 104 against—25 members absent. Peter Mitchell charged that it was an exhibition of infamy which would be connected with the name of Sir John, who dragged the house to vote as it did. Mr. Desjardines repudiated with great vehemence the insult which Mitchell had offered to the house. Mr. Speaker ruled that the word must be withdrawn. Finally Mitchell withdrew his words. After a lively racket, the house divided at 2.25 a. m. on Thompson's amendment, which was carried, 105 for and 85 against.
