reasons why you should buy a watch now, if you intend to purchase in the near future. The Waltham and Elgin Watch Factories have advanced the prices on their watches. I laid in a large stock of these watches before the rise, and will sell at the old prices until this lot is cleared. Buy now, the price is low. I have something nice in Watches to show you when you call.

**ST. PETER'S CATHEDRAL.**—The Rev. E. A. Harris, rector of Mahone Bay, will preach at 11 a. m. The Venerable Archdeacon Brigstocke, rector of Trinity Church, St. John, N. B., at 7 p. m.

**GOSPEL MEETING.**—Remember the Gospel Meeting in the Y. M. C. A. Parlor, Sunday afternoon at 4 o'clock conducted by the railway men. Strangers always welcome. Eph. 3:19. "The love of Christ."

**BICYCLE ROAD RACE.**—It is said that Mr. William Brown, of Pownal, is arranging for a road race from Southport to his hotel. The race is to take place the last of the month, the prizes being oysters for all concerned, the winner to get a barrel and the second to get a half barrel.

**BIBLE WINES.**—The Rev. E. O. Taylor delivered his farewell lecture in Charlottetown last evening, when a good-sized audience assembled in the Baptist Church to hear him lecture on "Bible Wines." According to the Guardian's report Rev. Mr. Taylor firmly believes in the two wine theory, one the pure juice of the grape and the other the fermented or alcoholic wine.

**A HORSE RINGS A BIKE BELL.**—A rather amusing incident was seen at the corner of Richmond and Queen Streets last evening about half past five. A horse was tied to a post against which two bicycles were standing. One of the bicycles had a bell on the handle, which the horse in some way began to ring with his mouth. This occurred several times until the bicycle was taken out of the reach of the horse.

**"JUNE" ON SEPTEMBER 20TH.**—Just think of all that means; a veritable spring in the autumn and a comedy drama in 5 acts given by the Halifax Amateur Dramatic Club, of Halifax, for the benefit of the New Cathedral Fund. In addition to the saw mill scene and the country band, (which latter is better known as the Yankee Doodle Band,) the specialties will be a "home quartette" in well known airs, and little Grace Delehanty, of Halifax, who is only five years old and who has carried her audiences by storm in her rendition of "My Pussy Cat." The Yankee Doodle Band, needs to be heard to be appreciated, and they have a whole fund of merriment in reserve for their hearers on the 20th. Be sure to go, and take somebody with you.

**A MIRAMICHI KLOSDNER.**—Mr. Jacob Blackville, who was in town the other day, tells a story that indicates the existence of good placer gold mining on the Miramichi. Our Klondike is on Savage River. Mr. Esson, who lumbered there last winter, and built a dam for holding water for driving his logs, found something in the bed of the stream that looked like gold and sent it away, subsequently receiving \$1,200 as the value of the nuggets. This fact, if fact it be, must have been kept close, or there would have been a rush to the scene long before this. Mr. Thibodeau, of Barnaby River, while on a hunting trip the other day, found two or three men at work in the bed of the Savage digging and washing, and took them for American miners. Have they heard of Mr. Esson's luck or has he sent them to the place of his lucky find?—Chatham World.

**AN OLD MAID.**

Her eyes, like quiet pools, are clear,  
Her placid face is sweet and fair;  
The frost of many a vanished year  
Lies on her hair.

She has no memories of vows  
Exchanged below an April moon,  
Or whispered converse 'neath the boughs  
Of rose-bright June.

She never planned her wedding gown—  
This sweet old maiden true and good;  
For her life held no sacred crown  
Of motherhood.

Yet to the shelter of her side  
The little orphan children press;  
'Tis known she mothers, far and wide,  
The motherless.

The poor and suffering love her well—  
Such ready sympathy she shows,  
The sorrow-burdened freely tell  
To her their woes.

For those who stumble, those who fall,  
He heart with gentle truth is surred;  
She had a kindly smile for all—  
A cheering word.

With fate she never wages strife;  
'Tis must be right since God knows  
best

And so she lives her useful life,  
Blessing and blest,  
She strews the thorny paths with flowers;  
She turns the darkness into day,  
And as we clasp her hands in ours,  
We can but say:

"Dear friend, so rich in love and truth,  
With large, warm heart, and steadfast  
mind,

'Twas well for some that in your youth  
The men were blind."

—E. Matheson, in Chambers' Journal.

**CHEESE.**

The Montreal Gazette reports that cheese, though it did not exhibit any distinct change on spot, certainly reflected a steadier tendency and a buyer who went out into the market to buy a straight line of cheese today would have to pay full figures for it. In the country there is no change in temper manifested by factory-men. They consider their goods worth from 9 1/2c up, and as that price and more is paid for moderate quantities at different markets, they are likely to stick to their present ideas of value.
