NEW YORK

NEW YORK (AP)—The stock market took a loss Tuesday in moderate trading.

The record is overwhelmingly in favor of a year-end rally—meaning that stock prices usually are higher on New Year's Eve than on Christmas Eve. Sometimes the rise doesn't amount to much, but it's almost always there.

The four-day trading week began with the Dow Jones industrial average sinking 6.90 to 792.20. This put it once more near the 790 support level which has provided a base for a rebound upon occasion this year.

Brokers could not cite any specific news to account for the softness. But note is being taken that the U.S. economy appears to be slowing down.

ALL RECORD DIP

The New York Stock Exchange index declined 24 cents to $44.12, Standard and Poor's 500-stock index lost .47 at 81.09 and The Associated Press average declined 1.3 to 295.3.

Nine of the 15 most active stocks declined, five advanced and General Aniline was unchanged.

American Telephone was the most active issue, losing ½ at 54½ on 79,700 shares. Magnavox sank ⅞ to 38¼ on 79,200 shares.

Financially - troubled Douglas Aircraft was one of the strong features, up 1⅝ to 45. It was reported that Fairchild Hiller is considering proposals about helping to provide some new capital for Douglas. Fairchild stock rose ⅛.

Du Pont sank 3¼ to 145⅝. The company's earnings are expected to dip about five per cent below last year's, says a published report.

Dome Mines nearly 2 points among Canadians. Inco lost 1, CPR ⅝ and Alcan, Granby Mining and Massey-Ferguson ⅝. McIntyre Porcupine advanced ½.

Prices were mostly lower on the American Stock Exchange. Scurry Rainbow was up ¼ and Canadian Javelin off ⅛.
