The purpose of this Volunteer Bank is to create a file of names and numbers of people who want to be involved in their university. This is how it works:

1. You must complete the form
2. Drop it off at the desk (in the slot) or at The Barn.

This is all in the planning stage and hopefully all the bugs and flaws will be worked out. What we need is your support and assistance to make this service a beneficial one. So don't forget to fill out the volunteer file form.

Lone Italian As Close To Ethnic Characters As It Gets
