

# CANADA

Shining lakes and forests tall,  
Hill and dale, and waterfall;  
Rivers, rills; and mountains high  
Reaching, pointing toward the sky--  
Mighty peaks with glistening snow!  
Sun-warmed valleys far below!  
Birds and bees, and fragrant flower,  
Green-clad groves and leafy bowd  
Nature's gifts on every hand--  
Can this be "The Promised Land"?

Prairie plains producing wheat  
That we and other lands may eat!  
Orchards, farms, and gardens fair--  
God's great goodness everywhere!  
Across stretching far and wide,  
Touching three vast oceans' side!  
Land where freedom's flag is found,  
Land where blessings big abound!  
Highest heritage and great--  
Choicest of the earth's estate!

Like a flowing, flooding tide  
Overflows my heart with pride--  
Patriot pride! And yet to me  
Comes a strange humility  
As in awe I, speechless stand  
Thanking God for this great land!  
This land of mine--land of my birth--  
To me, the loveliest land on earth!
