

Poetry.

MAKE ME A SONG.

Out of the silence make me a song,
Beautiful, sad and soft and low;
Let the loneliest music sound alone
And wing each note with a wail of woe.

After Many Days.

The words of truth are never lost;
Like long-buried seed they will bloom
forth at last. A youth of fifteen once
heard the celebrated Flavel preach a
plain, powerful sermon, from which he
received no immediate impression.

Little thought Flavel that his living
words should echo over the sea of time
across the ocean between the Old and
New World, awaking a sleeping soul
to everlasting glory.

The seed of truth has a wondrous
resurrection power. Sown in one heart,
planted and transplanted, it lives and
grows from year to year, from century
to century. Binney sat alone and wrote
his book of Christian experience—full
of thoughts born in prayer and bap-
tized in tears.

Let no preacher think his true, earn-
est words hermetically sealed and dead
in the vase of some hardened soul.
They live even in the dust of memory's
tomb.

Spring Has Come.

Spring is the season of the year to
adorn and improve one's home. Who
that loves home does not wish to make
it pleasant and attractive? Every
spring something should be added in
the way of trees, shrubs or plants, to
make it more lovely, to endear it still
more to parents and child.

A man who married Miss Take, after
having courted Miss Lloyd, was told by
a friend that it was reported he was
married to Miss Lloyd. "It was a
Miss Take, I assure you," he replied.

A train on a Florida railroad the
other day passed a man on horse back,
and there was great hurrahing among
the passengers until they discovered
that the animal was tied to the fence.

The Greatest Medical Discovery since
the Creation of Man, or since the
Commencement of the
Christian Era.

There never has been a time when the heal-
ing of so many different diseases has been
effected by outward application as the present.
It is an undisputed fact that over half of the
entire population of the globe resort to the use
of ordinary plasters.

DR. MELVIN'S CAPSICUM POROUS PLASTERS
are acknowledged by all who have used them,
to act quicker than any other plaster they ever
before tried, and that one of these plasters will
do more real service than a hundred of the
ordinary kind. All other plasters are slow of
action, and require to be worn continually to
effect a cure; but with these it is entirely dif-
ferent: the instant one is applied the patient
will feel its effect.

Physicians in all ages have thoroughly tested
and well know the effect of Capsicum; and
it has always been more or less used as a
medical agent for an outward application; but
it is only of very recent date that its advan-
tages in a porous plaster have been discovered.
Being, however, convinced of the wonderful
cures effected by DR. MELVIN'S CAPSICUM
POROUS PLASTERS, and their superiority over
all other plasters, they now actually prescribe
them, in their practice, for such diseases as
rheumatism, pain in the side and back, and all
such cases as have required the use of plaster
or liniment. After you have tried other plas-
ters and liniments, and they have failed, and
you want a certain cure, ask your druggist for
DR. MELVIN'S CAPSICUM POROUS PLASTERS.
You can hardly believe your own convictions
of its wonderful effects. Although powerful and
quick in its action, you can rely on its safety
for the most delicate person to wear, as it is
free from lead and other poisonous material
commonly used in the manufacture of ordi-
nary plasters. One trial is a sufficient guarantee
of its merits, and one plaster will sell hundreds
to your friends.

Ask your druggist for DR. MELVIN'S CAPSICUM
POROUS PLASTER, and take no other; or,
on receipt of 25 cents for one, \$1 for five, or
\$2 for a dozen, they will be mailed, post paid, to
any address in the United States or Canada.

The Promoter and Perfecter of
Assimilation.

The Reformer and Vitalizer of
the Blood.

The Producer and Invigorator of
Nerve and Muscle.

The Builder and Supporter of
Brain Power.

Fellows' Compound Syrup is composed of
Ingredients identical with those which consti-
tute Healthy Blood, Muscle and Nerve and
Brain Substance, whilst Life itself is directly
dependent upon some of them.
By its union with the blood and its effect
upon the muscles, re-establishing the one and
toning the other, it is capable of effecting the
following results:—
It will displace or wash out tuberculous
matter, and thus cure Consumption.
By increasing Nervous and Muscular Vigor,
it will cure Dyspepsia, feeble or interrupted
action of the Heart and Palpitation, Weakness
of Intellect caused by grief, weary, overtax or
irregular habits, Bronchitis, Acute or Chronic,
Congestion of the Lungs, even in the most
alarming stages.
It cures Asthma, Loss of Voice, Neuralgia,
St. Vitus Dance, Epileptic Fits, Whooping
Cough, Nervousness, and is a most wonderful
adjunct to other remedies in sustaining life
during the process of Diphtheria.

Do not be deceived by remedies bearing a
similar name; no other preparation is a substi-
tute for this under any circumstances.
Look out for the name and address J. I.
FELLOWS', St. John, N. B., on the yellow
