

The Young Woman Who Lolls.

The very fashion that in moderation was charming in excess is disagreeable. The slangy, lolling, sprawling men-hunters—and some girls of the period are lit more than that—have spoiled the liberty which it was delightful to see the women accepting in moderation. There is a liberty that makes us free and a liberty that makes us slaves, and the girls who take liberties with modesty of speech and manner and cross well over the boundary into masculine territory are not more free but more slavish than before.

In Brief, And to the Point.

Dyspepsia is dreadful. Disordered liver is misery. Indigestion is a foe to good nature. The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order. Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a nation of dyspeptics.

NASAL BALM

TOTTENHAM, ONT., May 3rd, 1887. I have been troubled with nasal catarrh for the last five years. Seeing Nasal Balm advertised I procured a bottle, and although I have only used part of it, I do not hesitate to pronounce it the best remedy in the world for that loathsome disease, Catarrh. It is easy and pleasant to use, soothing and healing in its action, instant in giving relief, removes and changes the poisonous secretions to a healthy state, stops the droppings from the head into the throat, and removes all the symptoms of Catarrh and Cold in the Head. In fact, if the directions are faithfully followed, nothing but a sure and permanent cure can be the result.

Why the Columbus Watch is the Best

THE Main Spring barrel is completely covered, making the watch perfectly dust proof. There can be no interference between the Balance and the Barrel. The Regulator is nearly double the length of others, rendering accurate regulation a very simple matter.

To replace a broken Main Spring, the Barrel can be removed without disturbing the Balance or interfering with the regulation. The pins of the Regulator are so formed and located that two or more coils of the Hair Spring cannot catch between the Pins and cause the Watch to stop or gain time at an unusual rate.

The Balance comes under the round, or edge, the strongest part of the case, not as with all others, under the center and weakest part.

The Main Spring Power is the lightest used in American Watches.

The calculation of the Train is such that this Watch runs 8 to 10 hours longer than others, with one winding, giving more uniform power and rate.

These are improvements that cannot be claimed by any other manufacturers, and once seen, all must agree with us in saying that this is the strongest and best Watch made; and with all the above improvements, the Columbus Watches cost no more than others.

\$500 REWARD

is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are watery, and inflamed; there is a constant itching and sneezing or coughing in the ears, deafness, hoarseness or coughing to clear the throat, expectoration of offensive matter, together with scales from ulcers; the system is debilitated and has a nasal twang; the breath is offensive; small and taste are impaired; there is a sensation of dizziness, with depression, hacking cough, and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache.

Sold by druggists everywhere; 50 cents.

"Untold Agony" from Catarrh.

Prof. W. HAUSER, the famous mesmerist, of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become hoarse, and I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. HRESHING, Esq., 209 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one who only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh.

ELI ROBBINS, Rensselaer P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
