

Local and Other Items.

PROHIBITION VS. LICENSE at Scott's Hall to-night.
NEW GOODS.—A choice supply of Books, Stationery, etc., opened to-day at the Diamond Bookstore.
PROSPERITY.—Many buildings are being erected in and about Charlottetown, and a general go-aheadiveness is visible.
CHARLES WATTS.—The dates for the lectures of this celebrated Secularist in this city are Thursday and Friday evenings, 4th and 5th July.
QUERY.—When is the water going to be put into the jail premises? As the diet there is largely water, it is advisable that the best obtainable be used.

DUST.—Notwithstanding the efforts of the watering cart, the dust to-day on some of the streets—notably the side streets—was very disagreeable indeed.

ASSAULT.—Captain Ferguson, of the M. A. Starr, was struck in the face with a stone in the hands of a young man, on Queen Street, last evening, and badly cut.

TIME TABLE.—The summer running arrangement of trains on the Island Railway goes into effect on Monday. The table will be found in another column.

HOOK AND LADDER.—The regular monthly meeting of the Hook and Ladder Co. will be held on Monday, June 3rd, at 7.30 p. m. By order, C. Bell, Secy.

CHANGE OF SAILING.—The Boston steamers will leave Boston every Wednesday at 12 o'clock hereafter, instead of Saturday, as formerly. They will leave here every Thursday, as usual.

NEW PREMISES.—The premises on the corner of Queen and Water Streets are being fitted up for the Anglo-American Telegraph Company, who, we understand, will remove there shortly.

JOURNALISTIC.—It is reported that Mr. B. D. Higgs is to be appointed editor of the Island Guardian and that some other changes in the management of the paper are to be made.

GOSPEL MEETING.—Sunday afternoon Gospel meeting in the Y. M. C. A. Hall, to-morrow afternoon at 4 o'clock. Subject "Jesus before the Council," 14 Mark, 55-65. All are welcome.

RAILWAY GOSPEL MEETING.—Remember the meeting to-morrow afternoon at 4 o'clock in McLeod's Hall. Open to all. Strangers always welcome. Lesson: Acts 4-11. Rejected of men.

MANURE.—We are continually hearing complaints about the manure nuisance in the lanes leading from the St. Peter's Road. The Board of Health for the Royalty should move in the matter of abating this nuisance at once.

ON THE SLIP.—The Pictou News says: The Stmr. "Stanley" which is now on the marine slip is being thoroughly overhauled; a large new rose is being put on, and the bottom painted with Julian's anti-oxide and anti-fouling paint.

UNDENOMINATION.—Rev. James F. Carney speaks in the Lyceum to-morrow (Sunday) afternoon, at half past two o'clock, when he will explain his views on orthodoxy, and give his reasons for rejecting the teachings of the creeds. The public are invited.

OMISSION.—In the List of Honors won by the Prince of Wales College students and printed in the DAILY EXAMINER of yesterday's date, we omitted the following: Prize of \$3, presented by Hon. David Laird for Essays;—Bessie Brown, Alice Webb, Edith Higgins.

ZION CHURCH.—Services to-morrow in Zion Church at 11 a. m. and 7 p. m. The Pastor, Rev. J. M. McLeod, will preach at both services. The evening will be Mr. McLeod's farewell sermon. Prayer Meeting in the morning at 10.30. Sabbath School at 2.30 p. m.

NOTICE.—All members of the Order of Sons of Temperance in this city are requested to be present on Monday evening next, when an address will be presented to the Rev. John M. McLeod, Past Worthy Patriarch of Victoria Division, No. 4, who is about removing to the Far West.

THE DRINKING FOUNTAIN.—Water was today introduced into the new drinking fountain on Queen Square, and many gathered to view the novelty—for such it doubtless was to many, who were not slow to pronounce the beverage weak, and who evidently would prefer "a stick" in it.

DESTROYED BY FIRE.—The mill of Mr. J. R. Larkins, at Conway Station, was destroyed by fire early on Thursday evening. There was no insurance. This is the third time within the past six years that Mr. Larkins has been a heavy loser by fire. THE EXAMINER sympathizes with him in his trouble.

CROPS DAMAGED.—Additional reports from all over Ontario show that a great amount of damage was done in many parts of Ontario by the frost of Tuesday night last. Barley and corn have suffered severely, and wheat in low lying lands has been badly bitten. Garden vegetables and small fruits have been almost annihilated.

A GREAT ATTRACTION COMING.—Mrs. Scott-Siddons will give one of her inimitable entertainments in this city on Wednesday evening, June 26th. A name which is a favorite household word in the land does not require attestation. We are glad that our people are to enjoy several hours in the company of this talented artiste. She will doubtless be greeted with a large house.

A WHISKEY STEAL.—Yesterday afternoon, some young toughs stole a case of whiskey from a truck which was being unloaded in one of the lanes in the neighborhood of Queen Street, and made off with it. The police were notified of the theft, and started in pursuit but could not find the guilty ones. They, however, found two or three of the bottles hidden under a barn in the neighborhood of Pownal wharf.

IMPORTANT.—Attention is called to the advertisement of Messrs. McInnis & Grant in another column. This firm has now in stock a splendid assortment of all kinds of Furniture at prices so low as to be within the reach of all. They have also a number of choice Oil Paintings, which will be sold low. They invite everyone to call and inspect their stock, and thus be able to judge for themselves. Their show rooms are on Queen Street, nearly opposite Watson's Drug Store.

TELEGRAPHIC NEWS.

FIRST OF THE SEASON.

The Cruiser "Vigilant" CAPTURES A SCHOONER Found Inside the Limit ALL READY FOR FISHING.

NORTH SYDNEY, May 31. The cruiser Vigilant, Capt. Knowlton, arrived here this morning, having sailed from Ingonish on the evening of the 29th toward the north, arriving off Cape North about 4 a. m. Rounding the Cape she sighted a schooner, and running under her lee, found her to be the Mattie Winship, of Gloucester, C. W. Ericson, master, and not being more than two miles distant from the Cape. Before the cutter reached the schooner she had sent out two dories, with trawls baited ready to set. The captain of the schooner, seeing that it was the cutter that was bearing down on him called his dories back and began to weigh anchor. Capt. Knowlton then boarded the schooner and Captain Ericson admitted that he was not more than two miles off North Cape and that it was his intention to fish. Captain Knowlton then sent his first officer and five men to take charge of the schooner and bring her to Sydney, taking five of the Winship's crew on board the cutter. The schooner was brought in this morning and given in charge of the customs officials. Everything was done without irritation.

A RESERVOIR BREAKS WITH DISASTROUS RESULTS Several Houses Swept Away AND MANY PERSONS DROWNED. RIVERS OVERFLOW THEIR BANKS.

PITTSBURG, Pa., May 31. The reservoir above Johnstown is said to have broken through, and the flood swept away many houses in the town, drowning scores of people. There is no communication with Johnstown. The wires are all down, and no trains are running east of Bloisville, about 25 miles west of Johnstown. BRADDOCK, Pa., May 31. At Sand Hollow, six miles west of Johnstown, the railroad operator officially reports that before dark he was able to count 119 persons clinging to buildings or wreckage, or drowned or floating in the current. It is asserted that but two houses in Johnstown proper are entirely above the water line. PITTSBURG, Pa., May 31. A special from Tyrone says the Juanita River overflowed its banks at this place and flooded the entire southern portion of the city, causing great destruction to property and streets. The Susquehanna overflowed its banks at Clearfield, and the entire place is under water, and all means of escape is cut off. This evening it is raining and the water is rising rapidly. PHILADELPHIA, May 31. Despatches received up to to-night at the office of the General Manager of the Pennsylvania Railway, indicate that the situation is hourly growing worse. Land slides and waterpouts are reported all along the line between Harrisburg and Altoona, and no trains will be sent out west of Harrisburg until the storm abates.

The Fast Atlantic Service.

OTTAWA, May 31. The representatives of the Orient Line, including R. W. Anderson, steamship owner, of London, arrived here to negotiate with the Government for the construction of the Atlantic steamship service. Mr. Anderson said that if his negotiations were satisfactory the vessels would be launched in sixteen months. He thought that the fast freight service proposed by the Liberals was unpractical. He will see the members of the Government to-morrow. In a further interview with Mr. Anderson he seems to be anxious to secure a contract for a less rapid service, and alleges that it will require a capital of eight million dollars to place four steamers of the speed stipulated for by the Dominion Government.

Port au Prince Captured.

LONDON, May 31. A cable despatch was received in this city from General Hippolyte, insurgent leader, stating that he has defeated President Legitime, captured Port au Prince, the capital of the country, and proclaimed himself provisional President.

The Tension Increased.

BERLIN, May 31. The tension between Germany and Switzerland has been increased by the arrest, at Seurich, of two travelling booksellers, against whom false information was given by Socialists.

Weather Bulletin.

TORONTO, June 1.—10 a. m. South to east winds; fair; followed by showery weather.

CANNED LOBSTERS.—The New York Commercial Bulletin says: "The pack lobster is coming forward in gradually increasing quantity upon orders placed early in the season, but the market value is not influenced thereby, as the stock of old has about all been distributed. Prices are well sustained at \$1.65 and \$1.85, as to brand, and from present indications there is no prospect of any weakening from this range, as fishing restrictions, coupled with an unusually active demand for export, are regarded as a guarantee against any great surplus the present season.

THE SHORT LINE.—Commencing on Sunday night, June 2nd, the Canadian Pacific Railway will commence running trains from Montreal to St. John, leaving the former place at 8.30 p. m. and arriving at destination at 2.20 p. m. next day, the journey occupying sixteen hours. The Intercolonial trains make close connections. Three trains will leave St. John for Halifax ten minutes after the arrival of the C. P. R. express.

AN UNHEEDED WARNING.—"You will surely fall off your train and be killed if you don't stop drinking," were the words the wife of George B. Davis, aged thirty-three years, a Pennsylvania Railway brakeman, wrote in a letter to her husband some ten days ago. A few mornings ago the mutilated body of Davis was found lying along the track near Fortieth Street. He had fallen from a car and been run over by the entire train.
