SIR ALEXANDER BANNERMAN, KNIGHT,

Lieutenant Governor, and Commander in Chief in and over Her Majesty's Island Prince Edward, and the Territories thereunto belonging, Chancellor, Vice Admiral, and Ordinary of the same, &c. &c. &c.

A. BANNERMAN, Lieut. Governor.

PROCLAMATTION.

WHEREAS my attention hath been called to a Letter which appeared in the *Islander*, Newspsper, of the 30th ulti mo, addressed to the Editor thereof offering to the reading public of this Island "the declaration, qualification and obligation," copied (as the letter states) *verbatim*, from the Laws of the Orange Association of British North America: And whereas I would have considered it unnecessary to notice the letter and documents alluded to, had I not ascertained, that they had been published by the authority of a Member or Members of an Orange Association which it is alleged, has been formed and now exists in Charlottetown, in this Island; and had I not also observed it stated on the same authority, that "*the Institution in these Colonies can never be suppressed, but by means which would subvert the Constitution and annihilate the connexion with the mother country*:" And whereas such an assertion may tend to mislead the Inhabitants of this Colony, where no laws at present exist applicable to such Societies,—and none, I trust, will become necessary; and whereas such an assertion is not founded in fact, as unlawful Societies, in a neighbouring Province, are defined by Statute, and among other things, it is enacted, that "*every Society or Association, the Members whereof take any oath or engagement not required or authorized by Law.*" and "*every Society or Association, the Members whereof, or any of them, take and subscribe or assent to any engagement of Secrecy, Test or Declaration not required by Law* (with the exception of acknowledged Lodges of Free Masons, to which the Law does not extend); and under the above Statute, Offenders convicted thereof are subject to transportation or imprisonment:

I have, therefore, thought fit, by and with the advice and consent of her Majesty's Executive Council, to publish this Proclamation; and earnestly recommend Her Majesty's subjects in Prince Edward Island to discourage all such Societies, and not to join Orange, Ribbon, or any Society, where oath, obligations or tests are imposed on their Members, which are not authorized or required by Law; and I would hereby caution all Officers, Non-commissioned Officers and Soldiers from joining or belonging to any such Society, as by the Queen's Regulations and Orders for the Army, they are *forbidden to institute, countenance or attend Orange Lodges in Barracks, Quarters, Camp or elsewhere*;" and I would hereby call upon all Justices of the Peace, Ministers of Religion, and Civil Officers in this Colony, to use their influence in suppressing such Societies, and to discountenance the same in their several localities; and I do hereby assure the Queen's loyal subjects, Civilians, in this Colony, that they will render acceptable service to their Sovereign, by discouraging all such Class Societies, which, were they allowed to increase, could not fail to disturb the public peace, by creating animosities and feuds where, happily, none at present exist.

Given under my hand and the Great Seal of this Island, at Charlottetown, in the said Island, this Sixth day of May, in the year of our Lord One thousand Eight hundred and Fifty-two, and in the 15th year of Her Majesty's Reign.

By Command,
JAMES WARBURTON, Col. Sec'y.

GOD SAVE THE QUEEN!!

AT A MEETING of the BAR, held in the Court House, on Thursday, the 13th of May inst., it was unanimously *Resolved*, That the members of the Bar desire to express their extreme regret for the loss which they, in common with the public, have sustained in the death of his Honor the late Chief Justice Jarvis, and they also deeply sympathize with the members of his family upon their melancholy bereavement.

Further Resolved, That, as a mode of testifying their esteem for the memory of the late Chief Justice, the Members of the Bar do put themselves in mourning for the space of one month.

There are 350 acres of good Land, about 190 acres of good Land, about 190 acres of which are cultivated. On it there is a Grist Mill, four dwelling Houses, Barns and other Buildings.

The publicity of the place, and the water communication from the Spot to Town, and elsewhere, makes it the best situation any where, within many miles from Charlottetown, for the Establishment of a Mercantile concern.

The Cheapest, Safest, Best, and most Effectual Article for all Washing Purposes, is

TWELVETREES BROTHERS'
SOAP POWDER,
AN ENTIRELY NEW INVENTION,

A PACKET OF WHICH IS EQUAL TO TEN PENNYWORTH OF SOAP!!

THE saving of Time and Labour is so astonishingly great, that a WEEK'S WASH can be accomplished BEFORE BREAKFAST,—no rubbing being required.

This wonderful article is MORE SERVICEABLE THAN SOAP, as it produces a better and much quicker lather, and is adapted for purposes, for which Soap cannot be safely or effectually used.

It will not injure the hands, or the most delicate material: but whilst it is incomparable for permanently whitening Linens, &c., after they have become discolored by age, or injured by bad Washing, it is also unsurpassable for improving the colors of FLANNELS, BLANKETS, WOOLLENS, COLORED PRINTS, MUSLINS, AND LACE.

This useful article has been tried on this Island, and can be confidently recommended.
