

Angus Rogerson was the first to win... Fanningbrook advanced to the finals in the Southern Quebec Baseball League Sunday by defeating Vernon River 19-16 in the final game of their best of three series.

HUNTER'S CORNER
Two-Week Duck Days Of Early Duck Shooting

Tonight, as I type this column, nostalgic memories creep crawling in upon me... The night of August 20th is the day of morning opening days of early duck shooting.

From the North and flew over Pownal Bay with their apparent destination the St. Peter's Island Falls... The Greys were the most abundant among the waterfowl.

Link To Canada Sought In Eng

By NEIL A. MATHESON
Provincial Farm Editor
DO YOU know that P.E.I. sent delegates to England once, in the effort to get a better transportation link with the mainland?

I FOUND the information this week as I was researching the life of Hon. Donald Ferguson, who must add to the list of Islanders who represented this province in the federal government.

Served In P.E.I. Legislature

FERGUSON was elected to the P.E.I. legislature in 1878 after several unsuccessful tries, was re-elected in 1879 when he was Commissioner of Public Works—the term Commissioner was used instead of minister.

Stood Like An Avenging Angel

I LIKE the language used by a biographer who said "he stood in the House like an avenging angel."
The correspondent who was present in 1906 at the celebration in Winnipeg of the establishment of the Dominion of Manitoba.

Some One's Likes, Some Don't

WE HAVE had warm praise and sharp criticism for our P.E.I. camping facilities and the co-operation, or lack of it, from our people.

Is Cancer Infectious?

Hospitality In Guysborough County

TALKING OF hospitality, I found more of it in Guysborough County, N.S. when I was there for two summers 20 years ago than in any other place in the province.

That there is a need for farm units, a urgent need for farm units, is not being met due to lack of proper leadership in the farm movement. The second conclusion is that farm organizations have been inadequately financed throughout their history.

St. Andrew, patron saint of Scotland, also became the patron saint of Russia after preaching the Gospel in Asia Minor.

Final judgment is now being rendered in the case of the late Mr. David Laird, which will be available by September 15th.

Compared to the 1920's and 1930's our present Black Duck population totals a scant thirty per cent. To compensate for the shortage of blacks, our top waterfowl nest in the duck class, we have an increase in both Blue and Green-wing teal and three new species, new to this province at least, the Ring-necked duck, Mallard and Pintail.

In the days before I was old enough to take a shotgun I have heard my father lament the disappearance of a species of waterfowl he referred to as the Grey Duck that used to arrive in late September in considerable numbers.
