GEORGE WRIGHT, Treasurer.

Treasurer's Office, 31st August, 1865.

Holloway's Pills have been placed by the common consent of mankind at the head of internal remedies for removing obnoxious poisons from the living tissues of the human body. They have saved thousands from falling a sacrifice to the effects of Dyspepsia, dysentery, diarrhoea, constipation, liver complaint, &c., a fact attested by myriads of witnesses. They never fail to give relief to a sufferer from scorbutic affections, and, in most cases they effect a complete cure. Excessive weariness and debility—the warnings of decreasing energy and vital decay—are replaced by vigour and healthful action in every organ throughout the system.
