Varsity Sports: Team(s) _____
If transportation (i.e., fan vans) was available to varsity games, both home and away, would you use this service.
home games _____ away games _____

This is all in the planning stage and hopefully all the bugs and flaws will be worked out. What we need is your support and assistance to make this service a beneficial one. So don't forget to fill out the volunteer file form.

The purpose of this Volunteer Bank is to create a file of names and numbers of people who want to be involved in their university. This is how it works:

1. You must complete the form
2. Drop it off at the desk (in the slot) or at The Barn.
3. We collect and compile them in our computer.
4. A list of interested people under each activity will be given to the heads

Of the particular groups; for example the Biology Executive will receive all the names and numbers of those individuals wanting to get involved in that club.

Exam

Panic cuts me
like a knife through the heart,
and my nerve slips through the hole,
as I'm lead into the Arena,
and exposed to the cold, cold, cold,
Crowd.
the Crowd screams for blood-
they have all been killed before; one by one.
they laugh a drunken laugh,
now that it's my turn to run, run, run.
their roar cracks the Earth,
and i wonder what it's worth,
as the cage door goes up in the air,
and i see what they all have seen,
and i become what they all have been;
scared.
i have to run
as you come snarling- but my feet freeze with fright.
as i fall to the ground,
as you come snarling- the Crowd screams its delight.
you get closer, CLOSER, CLOSER
the Crowd gets louder, LOUDER, LOUDER
but i dodge just in time,
and all i do is run, run, run,
'cause there's nowhere to hide.
(i should have prepared)
for you.
(i'm so damn scared)
of you.
i run, run, run,
but it's no use- your hot breath chills my spine.
the Crowd screams, screams, screams,
for my death (and more wine).
then
i feel the pain,
of a thousand hells,
rip through my back,
and I kiss sweet sanity good-bye,
as it slips through the crack.
i bleed.
(i should have prepared)
the Crowd screams.
(i'm so scared)
i turn to face certain death,
but you stop for the Crowd's approval.
i try to catch ny breath,
as you wait for the climax-my removal.
my mind screams for the answer- a hidden clause of escape.
the Crowd screams for the inevitable- my destiny, my fate.
then
i look in your eyes,
and i see you laughing- with humor black as night.
when the answer comes crashing sown and fills
my world with light.
the Crowd grows hungry, screaming for the Kill,
my mind goes numb, and everything is still:
i stand there broken, bloody- barely breathing
the Crowd tears the place apart,
when i pull out the knife (of reason),
and plunge it through your heart.
