On the Use of Campbell's Wine of Beech-Tree Gossote, in Diseases of the Lungs and Throat.

IN the South of France, where all persons threatened by Phthisis go to be treated; where Doctors Bouchard and Glumbert, the two specialists so highly recommended by the world, have experimented with all the proposed medicines against Pulmonary Tuberculosis, it is the years past they have finally adopted, for the comparative experiences, based upon the anti-septic method, having specially in view the destruction of the Bacillus of the Tubercle.

After a few days' use of the remedy, the expectoration diminishes, and very soon one is pleased to witness the gradual disappearance of the Bacillus, the breaking off of the fever, and the rapid recovery of appetite and strength.

When instead of confirmed Phthisis, Catarrh or Chronic Bronchitis have to be dealt with, the use of an uncertain diagnosis, they have always been cured. The excellent results need not astonish us, if we consider by public opinion, associations of complete antiseptic and Balaemic. When our Wine shall have restored health, it will be well to discontinue its use at once, and at all events to use it again about a fortnight season followed by damp weather.

DIRECTIONS.—A small dessert spoonful three times a day, after each meal, gradually increased to a large dessert spoonful. N. B.—The use of Cod Liver Oil, as a powerful stimulant to the remedial properties of the Wine, is recommended. Campbell's "Skrel" Oil being the best, is the kind which should be taken. Sold by C. D. MAKE HENS LAY AT LAST!

A Wonderful Vegetable Discovery That Removes the Terrible Results of Overwork. A True Invigorator. Weakness and prostration of the nervous system surely follow that overwork and worry which brings sorrow and suffering to so many Canadian homes. The terrible results of nervous weakness, are seen on every hand. Pains in the back, poor and unrefreshing sleep, lack of appetite dyspepsia, and lost energy and strength, are the first symptoms of more serious and dangerous trouble. This is the way that Paralysis, Paresis and Insanity begin. Do not delay a moment longer, for some time it will be too late to regain your lost health and vitality. Use Paine's Celery Compound now, and the dull eyes will regain their brilliancy, the cheeks will grow rosy, the brain become clear, the nerves strong and steady, your sleep restful and refreshing, appetite good, and health and happiness will take the place of misery and suffering.

A. Sabiston, the well known lithographer of Montreal, writes: "In the summer of 1888 I had to work very hard, and was troubled considerably with insomnia (sleeplessness). I resolved to try your Paine's Celery Compound, and after taking the contents of two bottles, felt like a new man. A good night's rest gave me strength for the duties of the day, and instead of starting out to business in the morning feeling as if I had completed a day's work instead of being about to commence one I started out in good spirits, feeling fresh and strong. My wife and various friends, to whom I recommended the medicine, have been benefited greatly, and in fact 'Paine's Celery Compound is a household word in our family.'"

WHAT? McLeod & McKenzie, Star Merchant Tailors.

MODESTY forbids us (to use a slang phrase) to blow our own horn, and as it is contrary to our opinion (according to the old proverb) when in Rome to do as Rome does, we put. True, people have gained for themselves a name (not an enviable one) which, to all appearances, served the purpose they had in view. But wisdom dictates, before posing as which those assertions are based. To throw the mantle of charity over such people is our motto; and instead of revealing to the public gaze, through your columns, the errors into acquiesce in what we say, is a foregone conclusion, namely, as Fathers of the trade in this Province we what the several branches of the trade in this city with the same consideration aim high and co-operate in elevating this, the first profession, to the high status to which it is entitled. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, I would speak above a hoarse I could my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months I could not breathe through the nostrils. I thought nothing could be done for me. Luck befell me, and I am now a well man. I believe it to be the only sure remedy for catarrh now fair trial to experience astounding results and a permanent cure. She is now nightingale? Three Bottles Cure Catarrh. ELI ROBBINS, Druggist P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very badly.
