THE Principal of West Kent Street School thankfully acknowledges the receipt of two valuable books from James Paton, Esq., to be awarded as prizes to deserving pupils in the above named school. The Principal and Teachers would be grateful to any friends of our Schools who should follow the good example set by Mr. Paton. WE desire to call the attention of the public to the auction sale on the 7th day of July next, of the farm of Major Ross, on the Hillsborough, Lot 34. This property, although one of the most valuable on the Island, will probably go cheap, and we would advise all those interested in securing a good farm near the city, to attend the sale.

AN American gentleman, now in Ottawa, says that large sums of money are being sent from Boston and other American cities to aid the secession party in Nova Scotia. He states that he is personally aware of one Boston firm having contributed \$25,000, which was forwarded on the day he left that city. He also states that the secession movement is locked upon as the preliminary step towards annexation, which would give the Americans the control of the whole Canadian fishing grounds.

OUR enterprising friend, Mr. A. Newbery, is hard at work beautifying Queen Square. The lawns have been mowed, the walks nicely trimmed, and planting, which was begun Saturday, is being rapidly pushed forward. Mr. Newbery deserves the hearty thanks of our citizens for the great sacrifice of time and money he has bestowed upon Queen Square, and we hope that when the time for soliciting subscriptions in aid of the movement arrives, he will meet with the encouragement which his enterprise deserves.

THE general verdict of the smokers of the Myrtle Navy is that it is the finest tobacco they have ever used. There can be no mistake upon this point for it is proved by this tangible evidence. The large demand for this tobacco shows it to be true, and the character of the demand gives further proof. It has never been of the spasmodic kind, up one month and down the next. It has been a sustained and constantly increasing demand. The unsurpassed quality of the tobacco accounts for this.

A YOUNG LAD named Crane, who performs upon the triangle in the Salvation Army, met with a serious accident yesterday evening. While on his way to the barracks he commenced playing with some revolver cartridges he carried in his pocket, one of which exploded, the bullet entering the hand near the root of the thumb and plunging its way across the palm for about two inches, where it remained embedded. The services of a physician were secured and a surgical operation will be performed at the Charlottetown Hospital this afternoon.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain; and the little shrub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

POTTERY.—The sale of the P. E. Island Pottery on Wednesday next, at noon, offers a rare chance to those wishing to start in business. This Pottery was started seven or eight years ago. It had many difficulties to overcome but succeeded. To-day it manufactures a ware which competes successfully with foreign make for the Island trade. The ground covers an area of about five acres, the buildings and kiln are in excellent order. The business is a live one, and a splendid stock of ware is now on hand, for which the purchaser of the Pottery will have first offer. The shareholders have determined to sell, feeling that a business like this can only be successfully run when under personal supervision of the owner, which cannot be obtained in a company. This is a golden opportunity for any one wishing to obtain a fair business.

DIED. At his residence, Melville Road, Lot 29, on Wednesday, the 26th ult., after a short but painful illness which he bore with exemplary patience and resignation to the Divine Will, Francis Malone, Esq., in the 77th year of his age. Deceased was born in the Parish of the Holy Trinity, County Monaghan, Ireland, in the year 1819, and emigrated to this Island in the year 1841. Shortly after his arrival on the Island he settled on the farm occupied by him at the time of his death, and being an honest, thrifty, industrious man, he soon acquired independent means, and continued to prosper steadily, was possessed of considerable of this world's goods at the time of his decease. He was a good husband, a kind father, an obliging neighbor and a wise and prudent counsellor. Respected and esteemed by all with whom he became acquainted, his presence will be much missed in the community in which he resided. He leaves a wife and four daughters, besides a large circle of friends and acquaintances to mourn their irreparable loss. May his soul rest in peace.

AUCTION SALE

OF A Farm on the Hillsborough, Lot 34.

Fine Wood Land and Excellent Farm Land.

THE Subscriber will offer for sale, by Public Auction his Farm of 110 acres, situated on the Hillsborough River, Township No. 34, on WEDNESDAY the 23rd day of JUNE next, at the hour of 12 o'clock, noon.

This Farm is 6 1/2 miles distant from Charlottetown, is in the near neighborhood of Churches, Schools, Wharves and the Railway, within a mile's reach of an abundance of the best Mussel Mud, and contains any quantity of good Marsh Mud. There is between fifty and sixty acres covered with the best and most valuable wood on the Island, consisting of the finest Pine, Hemlock, Spruce and Fir, which has been valued at from \$1,500 to \$2,000. There is no such wood anywhere on the Island for No. 1 boards, shingles and scantling.

The remaining portion of the land is clear, while all is of excellent quality and has never been exhausted by cyster shell mud. There runs through the whole length of the farm a good stream of excellent water, easily available for a Saw Mill and invaluable for general farm purposes, while a marsh on the shore adds to its many other advantages. There is also a most beautiful site, where the residence stands, which overlooks the river and surrounding country. On the whole the Farm is most desirable and the title is guaranteed.

Terms—\$150 cash down, on day of sale, and the balance on execution of deed. For further particulars apply at the office of Mr. W. S. Stewart, Solicitor, Charlottetown, or to the undersigned on the premises. DAVID ROSS, East River, Lot 24.
