A CROOKED man often finds himself in straightened circumstances. FINE Y CHEESE IN THE CITY—York Factory...

REMEMBER the prayer meeting in the Y. M. C. A. Hall, this evening, at 8 o'clock. Subject: Cheese Life—Deut. 30:15—20 Col. 3:14.

It is said that a good book is the best companion a man can have. This, we imagine, is especially so if it happens to be a bank-book.

"Does our constant chattering disturb you?" inquired one of three talkative ladies of a sober-looking fellow passenger. "No, ma'am," was the reply, "I've been married near on to thirty years!"

The steamship Bonavista sailed from Montreal today, and will probably be here on Tuesday next. She will sail hence for St. Johns, Newfoundland, on Wednesday, the 19th inst. This will, we understand, be her last trip.

SCHOONER ASHORE AT SOURIS.—The schooner Dido, laden with merchandise from Montreal, ran ashore at Souris on the morning of the 13th. Efforts are being made to get her off, and it is thought if the wind holds to the westward for a few hours longer she may be floated again without receiving much if any damage.

A CARD.—To all who are suffering from errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send self-addressed envelope to REV. JOSEPH T. ISMAN, Station D, New York.

STORM ON THE NOVA SCOTIA COAST.—On Wednesday, says the Liverpool Times, we were visited with the severest gale of the season, accompanied by the highest tide ever known in this vicinity, exceeding that which accompanied the Saxby gale. Wharves and cellars were overflowed and considerable damage done to the breakwater at Brooklyn and Summerville. About eighty feet of breakwater at White Point was destroyed by the gale.

QUICK DESPATCH.—On Thursday last, the 4th inst., Donald McKay, Esq., of Oyster Bed Bridge, loaded a schooner of over sixty tons, with potatoes and oats for the Halifax market. During the day a line of carts laden with produce, was formed on the wharf until late at night. Next day the vessel was ready for sea, and Mr. McKay had the satisfaction of seeing his cargo put on board in good order, in the short space of one day. This is, perhaps, the quickest despatch of any vessel on the coast.

A ST. JOHN FAILURE.—The Monetary Times says that the failure of so important a firm as that of L. S. Burpee & Co. is the subject of the hour in St. John, N. B. Two young men, without experience or business education, were told, were placed in possession of a splendid business by their father and uncle, Hon. Isaac Burpee, and have made "ducks and drakes" of it. They are short nearly \$800,000, which Mr. Isaac Burpee and his brother, E. R. Burpee, will make good to the creditors. They are not legally bound to do so, but the former is morally bound, and says our informant, will not shrink the responsibility, I believe. Extravagance, careless management, and operations outside of their business are the causes of failure.

A SUBSTANTIAL TESTIMONIAL.—The committee appointed by the Chicago & Grand Trunk Railroad Company, to investigate the different kinds of policies issued by the various companies, and procure a full paid policy on the life of the retiring manager of that road, S. R. Callaway, Esq., as a testimonial of their regard, spent considerable time in the investigation of different companies and plans, and as a result, showed their good judgment by securing, through G. W. Moore, manager of the New York Life, for the State of Michigan, a full paid Fifteen-year Tontine Policy for six thousand dollars. This only again proves, what has so often been claimed, that careful investigation will always secure victory for the New York Life Tontines.

A BOLD TRAMP.—On Monday night last a tramp was led into a house near the R. C. Cemetery, took off his boots and socks, hung his coat up, and was walking into the kitchen when the inmates observed him. He refused to give any explanation of his conduct further than to say that he came to stay all night. The inmates of the house remonstrated with the intruder, and ordered him to leave the premises, but he stoutly refused. Fan pins and sticks were used as weapons, and it was only when the blows fell thick and fast about him that the tramp was forced to go out. Shortly afterwards he returned to the house and begged the garments he had left in the house. He was allowed to take them. They who saw the strange fellow next day, say that they believe his name is Haine, and that he belongs to Prince Edward Island.—St. John Globe.

We time and again observe that if a crime is committed in St. John by an individual whose place of residence is doubtful, the St. John newspapers credit Prince Edward Island with the production. The unfortunate man, Haine, may be from Prince Edward Island, but it may be possible he was brought up in New Brunswick.

The Bazaar

The bazaar in aid of St. Joseph's convent, was continued in Market Hall, last evening, and will be concluded to-night, when the remaining lotteries will be held and the balance of fancy goods on hand disposed of by auction. On all tables is yet a splendid assortment of goods, and as prices have reached rock-bottom, great bargains may be expected. The refreshment and tea tables have been replenished. Anyone requiring a good palatable hot tea, this evening, should patronize the good ladies in charge. Last evening the attraction was an election to decide the most popular public man in Queen's County. The Poll was opened at eight o'clock, five cents per ballot was charged, and poll began before the third count was most exciting. Ladies canvassed energetically for the respective candidates, and for a time the contest lay between Hon. Mr. Sullivan and Patrick Blake, Esq., M. P. P., but as the balloting proceeded, William Welsh, L. H. Davies, and Hon. Donald Ferguson, began to receive large numbers of votes. Following is the result at the fourth count at noon to-day:—

Table with 2 columns: Name and Votes. Hon. T. H. Haviland 43, Dr. Jenkins, M. P. 56, William Welsh, Esq. 26, Hon. W. W. Sullivan 568, L. H. Davies, Esq., M. P. 142, Hon. D. Ferguson 107, Fredk Peters, Esq. 65, Neil McLeod, Esq., M. P. 76, Patrick Plake, Esq., M. P. 555, Hon. D. Laird 45, D. Farquharson, Esq., M. P. 32, Hon. William Campbell 60.

The election will resume at five o'clock, and the fifth count will take place at 7.30. A large number of ballots have been purchased to-day, and it is expected that the candidates with low numbers will come to the fore on the next count.

The following were the lucky ones in the lotteries last night:— Sugar Bowl—Miss Ellie Sweeney, Doll (Queen of Fashion)—Miss Annie O'Neill.

Doll (Bride)—Rev. Charles McDonald, Writing Desk—Mr. Thos. Crockett, Toilet Set—Mr. John S. McDonald, Doll (Belle of the Ball)—Mr. John J. Trainer.

Western Notes.

(From the Journal.) Mrs. MacDonald, eldest daughter of David Rogers, Esq., left on Friday's boat en route for Portage la Prairie, where, we understand, Mr. MacDonald is doing a very successful business, and intends to reside.

At Queen's wharf Capt. Wm. Richard's barque Olivette is loading black oats for the old country. She will probably hold about 30,000 bushels. At the Railway wharf Hon. John Lefargy's barque Katie Stewart is loading white oats, while that gentleman's fine new vessel the Charles E. Lefargy is taking in black oats.

Mr. Pierce Doyle has advanced the work on the new Post Office to such a stage that it can now be closed in for the winter, and this we understand he intends doing in a few days. The work, as far as completed, is in every way satisfactory. We were in hopes that the building would be in condition to be occupied before the latter part of next summer, as the present office is far from satisfactory, but this cannot be.

We very much regret to chronicle the death of Murdoch McKinnon, Esq., Trout River Mills, Lot 14. The deceased was widely known and highly esteemed for his many good qualities. He accumulated by dint of perseverance and hard work, a very fine property, and, just at the time he was getting it into a condition to enjoy, he is taken away. The true words that "In the midst of life we are in death," is indeed realized almost every day. We extend our heartfelt sympathies to the bereaved widow and children in this their sad hour.

We are pleased to acknowledge receipt in full of the amount of a policy we held in the Northern Assurance Company for which F. W. Hyndman, Esq., of Charlottetown, is agent for this Province. The money was paid over forty days before it was due, in the prompt and business like manner invariably adopted by the Company, and we have no hesitation in saying that a more satisfactory company to deal with, could not be found. Although its losses have been very heavy in this Province since the first of the year, we understand that in each case they have been met in the characteristic manner referred to above.
