

BENNETT CAMPBELL AT UPEI

The Honourable Bennett Campbell, Minister of Veteran's Affairs in the federal cabinet will be in the Robertson Library student lounge at noon on Tuesday, January 19th. Mr Campbell's role in cabinet also includes representing Prince Edwards Islander's interests in the federal government decision making process - a role he is well suited to having since he has served as this province's premier as well as provincial minister of finance and education. Over the past few years Mr. Campbell has visited the campus regularly to hear first hand student's

concerns as they relate to the government as well as to explain current federal policies. His approach to these discussions has always been informal and frank, eliminating much of the rhetoric which often accompanies politicians. This is an excellent opportunity for students to meet and discuss issues on as wide a spectrum as the Veterinary School and post secondary funding, to acid rain with one of their elected representatives. Light refreshments will be served in lounge and everyone is welcome and encouraged to voice their concerns in the discussions.

BLOOD DONOR CLINIC

On Thursday, January 21st, the second Red Cross Blood Donor clinic will be held in the Barn from 2-4 p.m. I am almost ashamed to say that Holland College beat us on the clinic held before Christmas. A big thank-you to all who showed. But, I don't

know what it takes to motivate all you potential blood donors - it certainly was not an engraved plaque for the winner of the competition between Holland College and UPEI, or the \$50.00 going to the class (Frosh, Soph, Junior, or Senior) giving the most blood.

Would a case of 24 do the trick? What about, simply, that uplifting feeling to know that you have just given the gift of life? That, alone, should be enough to drive us all down to the Barn in hoards!! So, hope to see you all there on Thursday afternoon.

And, a nice plaque is up for grabs again! Let's beat Holland College this time - if not for our sake, at least for those thousands in need of the gift of life.

Blood Donor Committee

Remembering 1981

To start the New Year on the right track, one should recall all the great events which took place on the UPEI campus this past fall semester. Here they are, front page highlights which recap the fall semester, 1981, at UPEI-UPEI Field Hockey win their first league game - Sharon Connolly replaces Joyce Gallant as Health Nurse - Saga Foods replaces Beaver Foods - Cass Building

remodded - Bernadine Hall hires Head Resident Jackie MacNeill, B.A. - Big Freshmen Class for the Fall '81. Robyn Hume elected class president. - Neil MacKenzie returns for another year. - Budget Committee makes funds available for renovation! - UPEI Students march!
