

**HER HOME ISN'T FOR SALE**

Mrs. William Burgess, 79-year-old Toronto widow, stands defiant on the porch of her home which a developer wants to purchase to make way for an apartment project. The developer has asked the city to approve the project, but Mrs. Burgess is adamant.

"They can pull me out by the hair of my head because that's the only way I'll go," Mrs. Burgess, who has only one leg, is the only holdout on the block and was offered \$40,000 for the house which she said she helped her husband built in 1910.
