

Former Tignish Man Drowned In River
Near His Home At Grand Falls, N. B.

Residents of Tignish and the surrounding area were shocked and saddened when they learned of the sudden death of Melvin Doucette, Grand Falls, N. B., which occurred on Thursday evening, April 15th, when the canoe which he was using while fishing in the Tobique River capsized throwing him into the icy water. Death is shocking at any time but for one so young to be taken so unexpectedly it is heartbreaking for the ones left to mourn as this is the second tragic death by drowning in the family. Twenty years ago Melvin's four-year-old brother, Edgar, while playing in a cove at the Black Marsh near Tignish, was trapped by the rising tide and when the family realized he was missing it was too late.

Dwelling At Elmsdale Burns

The home of Mr. Ivan Adams at Elmsdale was completely destroyed by fire of undetermined origin Saturday afternoon about 4:30. All contents of the dwelling were saved by the large crowd of neighbours who quickly assembled but the flames had progressed too far before being noticed for the house to be saved. The Elmsdale Fire Dept. responded to the call but were too late to make any attempt to save the building.

Easter Services At Summerside

In Summerside at the Trinity United Church yesterday the Easter service was conducted by Rev. C. D. Matheson, the morning theme being "The First Easter" and the evening subject "The Road to Emmaus". Both services were followed by holy communion. The organist, Miss Mary Geidart, directed the anthem "O Death Where Is Thy Sting?" with Messrs. Allison MacLean and A. S. Sharp taking special parts. The evening music was presented by the Junior choir under the direction of Mrs. Ralph Emery and Mrs. Eric Sheen, organist. It consisted of a cantata entitled "The Dawn" with special parts taken by Audrey Woodside, Barbara Taylor, Shirley Marlene Rayner, Carol MacLean, Lorraine Johnston, Margaret Joan Carruthers, Arlene Moore and Joan Ramsay.

Quebec Aces Win Opener In Finals of QHL

QUEBEC, (CP)—Chubby 21-year-old Buddy Boone added a sudden-death overtime goal to two third-period markers Sunday to give Quebec Aces a 4-3 victory over Ottawa Senators and the first game in their best-of-nine Quebec Hockey League finals. A crowd of 6,500 fans screamed their approval as Boone grabbed the puck at the Quebec blue line, skated along the boards and drove a shot from 30 feet out that nipped past goalie Ray Federick and into the top of the net after exactly 10 minutes of overtime. Two third-period goals that brought Aces into the running from behind a 3-1 deficit gave Boone his hat-trick. Ray Powell notched the other one for the winners. Jackie Giesbrecht counted twice for Ottawa and Dusty Blair got a single.

Christians In Jerusalem Hold Easter Services

JERUSALEM, Jordan Sector. (AP)—Church bells pealing over this ancient city called Christians of many lands to celebrate Easter Sunday. Chants and hymns chanted in many tongues as Protestants, Roman Catholics and the Greek Orthodox gathered in their churches to commemorate the Resurrection of Christ. The varied holidays being observed in the Holy City this week-end by widely different races, nationalities and creeds underlined the age-old struggle of conflicting religious interests which has contributed to Jerusalem's divided state. As the Easter bells echoed over the Judean hills, Moslems from many parts of Palestine collected on the outskirts of Old Jerusalem to observe the feast of Nabi Musa (Prophet Moses). At the same time grey-bearded members of the Samaritan sect camped on Mount Gerizim to observe the Passover feast.

World Chess Champ Defeats Challenger

LONDON, (CP) — World Chess champion Mikhail Botvinnik easily defeated challenger Vassily Smyslov Saturday in the 15th round of their title series, Moscow radio reported. The victory gave Mikhail an 8-7 lead in the 24-game series between the two grand masters. Smyslov, playing white, started hesitatingly without a clear plan and soon ran into difficulties. Moscow radio said. He obviously was not in form and on the 19th move surrendered a pawn which slightly improved his position. However, by the 37th move the challenger was forced to resign.

Funeral Saturday Of Siamese Twins

MONTREAL, (CP)—A simple burial service Saturday ended the 21-day earthly sojourn of Siamese twin girls, joined at the heads in such a way that they could never be separated. The twins died Friday despite an emergency operation in which a fetus was removed from the life of one of them. They were born in a rare triple birth March 27. The third child, also a girl, is doing well at the home of the parents, Mr. and Mrs. James Savage, Montreal. The births were premature, but in other respects normal. The twins, Janet and Janice, gained strength, but Janet remained "rather sickly" and died Friday, officials at Cartherine Booth hospital reported. The twins were rushed to Montreal Neurological Institute, where an attempt was made to save the life of Janet. The operation showed the twins joined at the crown of the head, shared one of the brain's two lobes. "That put the situation in a hopeless position as far as ever separating them successfully was concerned," said Dr. P. N. Macdermott, the family's pediatrician. Other famous specialists were in attendance while Dr. W. V. Cone performed the operation. The 33-year-old father of the twins saw them for the first time only a few days before their death. "They were the cutest kids you could see," he said. "There wasn't a mark on them; they were perfectly formed—all except at the head. But after the operation, the father said, 'the whole thing was hopeless from the start, I guess.' The babies were joined in such a way that they had to lie end-to-end. Although there have been two previous reported cases of Siamese twins arriving as part of a triple birth, medical annals show none has survived.

Sudbury Wolves Lead Series With Matane Red Rocks

SUNBURY, Ont., (CP)—Sudbury Wolves came up with three goals in the last two minutes of play Saturday night to down Matane Red Rocks 4-2 in the fourth game of their best-of-seven eastern Canada Allan Cup senior hockey play-off.

Sees Hope World Will Be Saved From H-Bomb

By ALVIN J. STEINKOPF LONDON, (AP)—Although the outlook may be dismal, though the world is justified in hoping the world will be spared destruction by hydrogen bombs, the Archbishop of Canterbury said in an Easter sermon at Canterbury cathedral Sunday. "These things make war more hideous, but not more evil," said the Church of England's leading prelate, Dr. Geoffrey Fisher. "War always was and always will be evil. These things may extinguish all hope of man in this world. "But Christian hope never rested in this world, but in God." Efforts to reach agreements to prevent use of vastly destructive weapons must go on, Dr. Fisher continued. "National sins bring disaster. Other nations' sins may bring disaster on us, and ours on them. To abolish the bomb you must agree with others, and others with you, to lower all threats and barriers. Until then the world must bear the hideous burden of its own sins. "It is for Christians and Christian statesmen to bear the burden. The task is already so bedeviled with past failure and present collisions dividing the world that we can only expect progress by 'here a little and there a little.' The Archbishop of York, Dr. Cyril Garbett, second ranking prelate of Britain, also made the hydrogen bomb the theme of his Easter sermon. He preached in York. "The Christian believes that by the power of God sin can be overcome," Dr. Garbett said. "He is utterly refuses to believe that the use of this weapon is inevitable. He will not sit down in fatalistic despair before its threat. He will do all within his power to conquer the sins which might lead to its use."

Three Canadian Records Set Baseball Standings

VANCOUVER, (CP) — Three Canadian records were set here Saturday at an "all-comers" track meet sponsored by the British Columbia Amateur Athletic Union and held at the University of British Columbia stadium. Jerry Bain, 15, Vancouver, set a Canadian one-mile midvet record with a mark of 4:49.6. He broke the record of 4:54.2 set in the 15-and-under group by Bill Ellis of Montreal last June. Another midvet record was cracked when Doug Tagaglia, 15, was clocked in the 880-yard event in 2:55 to break the mark of 2:58 set by Don Aitken of Toronto in 1950. A two-mile juvenile record was set when Ray Hampton, 17, was timed in 10:06.7.

Senators Eliminate Royals In Q.H.L.

OTTAWA, (CP)—Ottawa Senators eliminated Montreal Royals from the Quebec Hockey League playoffs Saturday night with a 3-1 victory in the sixth game of the semi-finals before about 6,200 fans. The win gave Ottawa the best-of-seven series 4-2 in games, and the right to meet Quebec Aces in the finals. Gerry Foley was the big gun for the winners, firing in two goals including the winner, while Bill Red Johnson counted a single. Dickie Wray was the lone Montreal sniper.

Chicago Cubs Roll Up Highest Score In 32 Years

NEW YORK, (AP)—Chicago Cubs rolled up their highest score in 32 years Saturday, winning a 23-dinnar marathon from St. Louis Cardinals. The game lasted three hours and 43 minutes, five minutes more than the previous longest nine-inning game ever played in the National League. The difference was made by the Cubs' six St. Louis pitchers for 20 hits and the Cards' shelled three Chicago hurlers for 15 safeties. Five homers were hit in the game, one triple and 10 doubles. There were also 21 bases on balls issued. Six St. Louis pitchers were committed, five by St. Louis and three of them by third baseman Ray Jablonski. It was the most runs of Cubs have scored since they outlasted Philadelphia Phillies 26-23 Aug. 25, 1922. In that game the Cubs came up with 14 runs in the fourth inning. The previous longest regulation game was 2-3 between Brooklyn and New York, Sept. 1, 1952. The major league record is 3:52 set by the Boston Red Sox and New York Yankees last May.

Find Body From Wrecked Tug

JUNEAU, Alaska, (CP) — The floating body of an unidentified crew member of the wrecked Vancouver tug Cheilan was found Saturday by a fishing vessel, but the fate of the other 13 men aboard remained a mystery. Coast guard headquarters here said the fish boat Adam recovered the unidentified body from the frigid waters of the inland passage near the entrance to Port Malmesbury. This was about 15 miles from the spot where the 148-ton Cheilan and its barge load of ore concentrates went down in a storm Thursday night.

Gov't Inspection Of Meat Urged

TORONTO, (CP) — The Canadian Association of Consumers has recommended to the provincial governments that they introduce regulations governing the inspection of meat sold locally. In a report released Saturday of the April 9 semi-annual meeting of the association's board of directors, consumer research chairman Mrs. John Butterfield reported on a trans-Canada survey to determine the percentage of meat officially inspected. She said that the survey revealed the inspection of meat sold on farmers' markets or from door to door is lax. It was also found that there are no provincial regulations governing the inspection of meat. She said that 10 to 30 per cent of the meat consumed in the country is obtained from local sources and is subject to municipal inspection only. This is often casual, she said. Mrs. Butterfield added that 70 to 90 per cent of Canadian meat is federally inspected and bears the "Canada approved" label.

Many U. S. Lake Ports Too Small For Ocean Traffic

LONDON, (AP)—The board of Trade Journal, British government publication, says U. S. Great Lakes ports will have to expand and improve before full benefit can be had from the St. Lawrence seaway. The seaway project involves construction of a 27-foot channel through Montreal to Lake Erie. It would bring much more Atlantic ocean traffic to lake ports. In a featured article on Chicago's growing importance as a regular port, the Journal noted that regularly scheduled ocean freighters calling at Chicago are small as ocean freighters go, but in the aggregate, they are increasingly important to the city. It contrasted the planned 27-foot deep seaway channel with the U. S. harbor on the Great Lakes, and said only three have a depth of 26 feet. They are Presque Isle, Mich.; Two Harbors, Minn., and Calumet Harbor, Ind. Chicago has only 21 feet, and so have the others: Milwaukee, Muskegon, Michigan, Oswego, N. Y., and Sandusky, O. "Chicago will be obliged not only to deepen its harbor but also to enlarge and improve its port facilities."

Barge Goes Aground In Sudden Squall

CAPE ELIZABETH, Me., (AP)—A sudden squall Sunday ripped a 2,300-ton cargo barge from an anchorage and drove it aground near the entrance to Portland harbor. The two man crew escaped unhurt. The barge was being towed away from New York to Walden, N. S., to pick up a load of gypsum. A freak northeast storm caused the 228-foot steel craft to drop anchor in the harbor while the towing tug Dauntless berthed at a local pier. The anchor line parted when the hook slipped and the barge was hurled onto the rocks like a toy boat. The Dauntless later put a line aboard her stranded charge and dragged the carrier free. The hull of the flat-bottomed barge was reported damaged.

Windsor, Ont. Has Centennial Party

WINDSOR, Ont., (CP) — The mayor of the royal borough of Windsor, England, flipped a switch in Windsor, Ont., Saturday night to light 100 candles on the Canadian City's birthday cake. In ceremonies involving all members of city council, Mayor Arthur Reaume and members of the centennial committee, Sir Cyril Dymon joined with Mayor Reaume to throw on the light. It was part of a 10-month celebration of the city's 100th birthday. The 28-foot-high cake is located on Ouellette Ave., the city's main street. "In just 23 years, Windsor, England, will be 700 years old," said Sir Cyril, "so you see we have had some practice at this sort of thing."

Easter Weather

hunt for children was called off. In Alberta and Saskatchewan fine weather lured the ladies out in their Easter outfits but shortly afterwards they were showered with rain, hail and snowflurries. Easter bonnets were in danger of blowing away in Manitoba as 35-mile-an-hour winds hit most of the province. Sunny skies and temperatures of up to 58 degrees greeted most Ontario residents. "Fewer Montrealers than usual turned out for the Easter parade as crisp winds and warnings by the weather man of cloudy conditions in the afternoon apparently kept many persons at home. The sun broke through in Saint John, N. B., after two days of rain. But it wasn't enough to draw throngs out for an afternoon walk. Churches were crowded and midnight Mass was celebrated in Roman Catholic churches. Most churches were decorated with Easter lilies. One of the prettiest was in Picou, N. S., where three thousand lily blooms were banked in front of the First Presbyterian church. The blooms were the gift of Eugene Outerbridge, a farmer congregation member who grew them on his Shelly bay plantation in Bermuda.
