SPECIAL NOTICES.

SPECIAL NOTICE.—The attention of readers is particularly asked to the advertisement in our columns of HUNNEWELL'S CELEBRATED PREPARATIONS. They are based on a thorough knowledge of medicine, controlled by a perfect adaptation to disease, and claim to be remedies only for diseases to which they are adapted. Every evidence of their real character can be found with all dealers, and prices made to suit the means of all. 1m [Oct. 28

Holloway's Ointment and Pills.—Diarrhœa, cholera.—The victims of these diseases are again enumerated in the weekly bills of mortality. With the hot damp weather, defective drainage, and impured exhalations, the number of deaths from these two diseases will steadily increase, unless some treatment be found capable of counteracting and overcoming them. When flatulence and indigestion first give warning of the coming evil, Holloway's Ointment should be assiduously rubbed over the abdomen, while his Pills are taken internally. These remedies act harmoniously together, and effectually arrest diarrhœa, or cholera. Under the judicious use of Holloway's preparations, the tongue becomes less furred, the failing appetite returns, and vigour is renewed. The nervous system is invigorated by them and health restored.

EASE AND HEALTH TO THE SICK!

HOLLOWAY'S OINTMENT.

Diseases of the Skin.

Universal approbation has been awarded to this famous Ointment for its efficiency in removing diseases of the skin. For scrofula scurvy, scald heads, and all eruptions of the skin both in infancy and maturer years, no remedy can be applied which so quickly cures as Holloway's Ointment. In the nursery it should always be at hand to ease the many skin affections to which the majority of children are liable. In all heat and tooth rashes, the Ointment is wonderfully cooling and curative. To soldiers, sailors, miners and travellers in foreign lands, it is invaluable.

Sores, Wounds, Bad Breasts, Bad Legs.

In this class of maladies, an improvement in the appearance of the disease of the patient follows the first dressing with the Ointment. It must not only be smeared on the wound or sore, but be briskly rubbed for some inches round about the diseased swollen or painful parts. It will penetrate to the blood vessels, nerves and muscles and even to the bone, and will exercise the most wholesome healing and purifying power over every tissue requisite for thorough reparation. The effect of the Ointment is increased by fomenting with warm water before the Ointment is rubbed in; but sores, when healing, should never be cleansed with a sponge or anything else, as the young and new flesh which appears like a cream would be washed away.

Blood to the Head, Apoplexy.

Nothing gives so much ease in these complaints from which so many suffer as Holloway's cooling and healing Ointment. When rubbed upon the spine, it acts most energetically in drawing surplus blood from the brain; even to children in teething; this Ointment has a miraculous effect in preventing fits and convulsions so often attendant on tooth cutting. The Pills should be used according to the directions.

Rheumatism, Gout, Stiff Joints.

Every one suffering from these painful affections should use this purifying Ointment, as it has rescued thousands from a life of torture, after every other means had been tried in vain. The Ointment should be well rubbed into the skin at least twice a day, after it has been properly fomented with warm salt and water and dried. The inflammation soon yields, and the patient no longer helpless, resumes his accustomed occupation.

Glandular Swellings, Bronchitis, Mumps, Sore Throat, and Diptheria.

To combat these diseases with success, a remedy is required which will have the whole absorbent system under its control. Such a remedy is Holloway's Ointment, when rubbed on the skin, it penetrates to the glands, and removes any obstruction or impurity which may be impeding their healthy action. This Ointment acts on the very mainspring of life, for through the glands pass all new matter required for the body's reparation; in all the above class of cases, the Ointment and Pills used conjointly will act so searchingly and certainly as to effect cures in the most deplorable cases.

Fistulas and Piles.

All inflammations and ulcerations of sensitive parts may be presently relieved, and ultimately cured, by the diligent use of this cooling and healing Ointment, aided twice daily by bathing the parts in cold water. Immediate ease springs from this treatment; perseverance is necessary to effect a permanent cure.

Asthma, Shortness of Breath.

In these complaints the Ointment should be well rubbed twice a day upon the chest, and between the shoulders, it will penetrate to the lungs, stimulate them to renewed exertions, prevent stagnation of blood, moderate the pulsations of the heart, regulate the current of air through the bronchial tubes, and thus effect a permanent cure.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Chiego-foot	Fistulas	Sore-throats
Bad Breasts	Chilblains	Gout	Skin-diseases
Burns	Chapped Hands	Glandular Swellings	Scurvy
Bunions	Corns (Soft)	Lumbago	Sore-heads
Bite of Moschetoes and Sand-Flies	Cancers	Piles	Tumours
	Contracted and Stiff Joints	Rheumatism	Ulcers
		Scalds	Wounds
Coco-bay	Elephantiasis	Sore Nipples	Yaws

EXTRAORDINARY SUCCESS OF THE NEW AND ONLY SAFE MODE OF TREATMENT. *Through all Booksellers, and of all the agents for Dr. De Roos' medicines, or sent Post free direct from the Author for 2s. 6d.*

THE MEDICAL ADVISER on premature decay of the system, arising from excesses, infection, climate, &c., and its speedy restoration to health and vigour by an improved method of treatment. Chapters on all the more common diseases of the generative system, with the best means by which the most obdurate cases may be speedily cured; remarks on the use of the microscope; observations on Marriage; directions for obviating certain disqualifications; rules and prescriptions for self-treatment, &c. By W. DE ROOS, M. D., *of the Ecole de Medecine, Paris, Graduate in Medicine, Surgery and Midwifery,* 35 Bedford Place, Bloomsbury Square, London, W.

To those who contemplate marriage its perusal is especially recommended.—The knowledge it imparts must come *some* time, and happy they who do not possess it too late. Cure is *certain* in every curable case, and few indeed are they which are not so.—It is calculated to effect a complete revolution in the treatment of these complaints.—Simple and inexpensive, every sufferer may cure himself speedily, privately and at the least possible cost.

From long practical observation of the treatment pursued in the most famous institutions of this country and the continent, for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that uniform success which has hitherto characterized his practice, in which the distressing consequences resulting from the injudicious employment of mercury, capivi, and similar dangerous medicines are entirely avoided. Lasting benefit in these cases can only be *reasonably* expected at the hands of those who devote their chief attention to such diseases; and to those only can confidence be *safely* extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness; and to all who need such aid he offers every assurance of speedy restoration.

FOREIGN RESIDENTS can be successfully treated by correspondence or sending the detail of their case, with a Bank note, or Bill on a London house for £5 or £10, in order that a package of medicines to meet the exigencies of the case may be sent out by next mail; thus avoiding the protracted suffering and unnecessary loss of valuable time, which must otherwise occur.

[TUTO ET CELERITER.]

DR. DE ROOS' GUTTÆ VITÆ, OR LIFE DROPS. *Protected by Royal Letters Patent of England; Seals of the Faculte de France; Royal College of Prussia, &c.,* have in numberless instances proved their decided superiority over every other advertised Remedy for Spermatorrhœa, langour, lassitude, want of energy, depression of spirits, irritability, anger, excitement, needless fear, distaste and incapacity for society, study or business, indigestion, pains in the side palpitation of the heart, giddiness, noises in the head, impotency, impediments to marriage, &c. This medicine strengthens the vitality of the whole system, gives energy to the muscles and nerves, thus speedily removes nervous complaints, renovates the impaired powers of life, and invigorates the most shattered constitution. For skin eruptions, sore throat, pains in the bones and all those diseases in which mercury, sarsaparilla, &c. are too often employed in vain to the serious detriment of health, its surprising efficacy has only to be tested to be appreciated.

As these complaints if neglected often become "chronic" or incurable, sufferers will do well before they waste valuable time in seeking aid from instruments, and other absurdities professing to supersede medicines, to make fair trial of a remedy, which concocted on unerring scientific principles cannot fail, and may be carried about the person, or left upon the toilet table, without exciting a suspicion of its nature. Price 11s, and four times the quantity at 33s per bottle. The £5 packages containing twelve 11s quantities, (by which a saving of £1 12s is effected) and the £10 packages by which a still greater saving is effected, will be sent from 35 Bedford Place only, on receipt of the amount per draft on a London house or otherwise.

Extracts from letters which can be seen by any one. "I am happy to say that I am now quite well, thanks to you and your medicine of medicine."—*D. P., St. Asaph.* "I am happy to say that I shall not require more, thank God, and I hope He will reward you for what you have done for me."—*A. C., Hartlepool.* "If my tongue could speak, or my pen could write to express my gratitude to you I should feel happy, but neither word nor pen of mine can do so."—*H. A. Birmingham.* "Without you I should soon have been in my grave, but now I am a happy man again." *D. F. F., Inverness.* "I can never thank you sufficiently." "Had I never read of the Guttæ Vitæ, where or what I might have been now I cannot tell." *W. G., West Pelton.*

PAINS IN THE BACK, GRAVEL, LUMBAGO, GOUT, RHEUMATISM, DISEASE OF THE KIDNEYS, BLADDER, &c. DR. DE ROOS' COMPOUND RENAL PILLS are a most safe and speedy Remedy for the above dangerous complaints. Discharges and Diseases of the Urinary Organs generally, which too frequently harass the sufferer over the best years of life, and end only in an agonizing death. They agree with the most delicate stomach, and in three days effect a cure when capivi, cubebs, &c., have utterly failed. 2s 9d., 4s. 6d., 11s., and 33s. per box. The superiority of these celebrated medicines over everything of the kind, is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above remedies the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

"I have taken your Pills and always derive great benefit from them." —*W. W. H., Queen's College, Cambridge.* "I have taken your Pills with the most happy result."—*B. Hunnewell's Universal Cough Remedy.

Cures Coughs, Colds, Asthma, Bronchial Complaints, and all Throat Irritations, leading to

ACTUAL CONSUMPTION.

Its great feature is a freedom from every component which produces debility, and its unerring certainty in all of the above Complaints rests with the fact that it may be used every hour without restraint. Therefore from childhood and its terror, *Whooping Cough,* to old age and its infirmities, allow it to be the companion from the cradle, and the grave will be spared many of its early victims.

Make it your *pocket companion* by day, and your *bedside* friend by night, using it whenever you please.

Hunnewell's Tolu Anodyne Cures all Complaints of Nervous and Spasmodic character, such as Neuralgia, Gout, Rheumatism, St. Vitus Dance, Tooth and Ear-Ache, Bowel Complaints, Nervous and Spasmodic Sick Head Ache, to that terror of all nervous dispositions, and probably the chief cause of Insanity,

"LOSS OF SLEEP."

Hunnewell's Eclectic Pills. Designed as special assistant to the above named preparations, when aggravated by Billiousness or Indigestion, and the great substitute for all Mercurial preparations.

THE ECLECTIC PILLS, without the common fatal necessity of almost making a meal of such, will in most cases, by the application of a single Pill, produce all the requirements of a sure, gentle, and reliable

FAMILY PHYSIC.

Let me have your confidence to make trial of the above-named Remedies, as the only sure tribunal by which real character can be attained, and my declaration is that such confidence will not be misplaced. The greater justice is to procure and read the descriptive Pamphlets to be found with all dealers, or will be sent free, by
