

An Irishman's Will

In the name of God, amen. I Timothy Doolan, of Barrydowderry, in the county Clare, farmer, being sick and wake on my legs, but of sound head and warm heart—glory be to god—do make this my first and last will and old and new testament. First, I give my soul to God, when it pleases Him to take it—shure, no thanks to me, for I can't help it then—and my body to be buried in the ground at Barrydowderry Chapel, where all my kith and kin that have gone before me, and those who live after, belonging to me, are buried, pace to their ashes, and may the sod rest lightly over their bones. Bury me near my godfather and my mother who lie separated all together at the other side of the chapel yard. I have the bit of ground containing eight acres—rale old Irish acres—to my oldest son Tim, after the death of his mother, if she lives to survive him. My daughter Mary and her husband, Paddy O'Regan, are to have the black sow that's going to have twelve black pigs. Teddy, my second boy, that was killed in the war in Ameriky, might have got his pick of poultry but as he has gone I'll leave them to his wife, who died a week before him. I bequeath to all mankind the fresh air of heaven, all the fishes in the sea, they can take, and all the birds of the air they can shoot. I leave them all to the sun, moon and stars. I have to Peter Rafferty a pint of potheen I can't finish, and may God be merciful to him.

The Great French Remedy, Dr. LeDuc's Periodical Pills.

For the cure of Leucorrhoea or White's Ecessive or painful Menstruation, Green Sickness, Falling of the Womb, Catarrh of the Uterus or Vagina, Hysteria, pain in the Back or Piles, or for the purpose of invigorating and giving tone to the Generative Organs, two pills should be taken twice daily, or in very severe conditions, one pill three times a day. To effect cures in chronic cases it will be necessary to continue the use of the remedy for some months. A reasonable trial will create sufficient confidence in the remedy to insure its being taken until a permanent cure is effected.

DR. BENNET, Halifax.

DEAR DOCTOR,—Just a few lines as promised by me. I am more than pleased with the "Liver Pad" I got from you when in Charlottetown, and can conscientiously say that it is the best thing I ever saw or heard of. It has done for me what all kinds of medicine and different physicians could not do for me—i.e., removed a very nasty body eruption, which had given me a great deal of annoyance for more than two years; and, more than that, I have not been troubled with a single headache since I have used it. Before wearing the Pad I was troubled with severe headaches continually; and that very objectionable feeling of sluggishness and dullness has entirely left me—in fact I am a new man, to what I was before wearing it. I am truly thankful to you for what you have done for me, and I hope that you may be long spared to the benefit of the public.

Believe me, Yours sincerely, FRANK ELLIOTT.
