From childhood to ripe old age since 1810.

**JOHNSON'S ANODYNE LINIMENT** has been used by generation after generation

for INTERNAL and EXTERNAL use.

Many old couples relate that ever since they were boys and girls together, JOHNSON'S ANODYNE LINIMENT has been used and grown in favor with them for many family ills from infancy to old age. I have used Johnson's Anodyne Liniment more than fifty years in my family. For colds, coughs, sore throat, lameness, colic, toothache, etc., have found it always good. THOS. CHESTNUT, South Robinson, Me.

I have been a standard bearer more than 60 years for Johnson's Anodyne Liniment. I have found it superior to any other. My grand-children continue to use it to this day. Mrs. WEAVER L. TOZER, E. Corvuth, Me.

# J. B. MACDONALD & CO Y

**Case of Cruelty.**  
A little girl whose acquaintance with the zoological wonders of creation was limited was looking at one of the elephants in Lincoln park, Chicago, while on her first visit to that popular resort.

Observing that the animal stood motionless near a watering trough, she said:  
"Poor thing! Why don't they lift up his trunk and fasten it back so he can drink?"

**Sold Human Bones.**  
The keeper of the public cemetery of a small Bohemian town near Prague excavated the older parts of the graveyard, and sold all the old bones he could find for industrial purposes, as he found that certain manufacturers paid more for human bones than for those of animals.

He had been earning money in this way for several years before he was detected and suspended from his post.

**Too Often True.**  
It requires 40 horses to pull family vanity at a funeral and only two to pull the corpse.—Catholic Universe.
