CANADIAN REGIMENT HONORED

Lt.-Col. John W.P. Bryan, centre, commanding officer of the 2nd Battalion, Royal Canadian Regiment, is flanked by Gen. Sir Gerald Lathbury, left, quartermaster-general to the British forces, and Lionel Chevrier, Canadian High Commissioner, after receiving the Duke of Edinburgh Trophy on behalf of the Canadian regiment in London Wednesday. Scene was at Buckingham Palace. The trophy is competed for by the 14 Commonwealth army units of which Philip is captain-general, colonel-in-chief of honorary colonel. Units are tested in small arms efficiency, and physical standards under simulated battle conditions. The RCR, only Canadian unit Philip commands, now has won the trophy two years running. **(CP Wirephoto via cable from London)**

Chevrolet built the new Chevelle to fit into all your plans

[including your budget and your garage]

Chevelle fills the bill! It's a new-size, low-price car, tailor-made for people who want a combination of features that other cars simply don't have. Here's what we mean: Chevelle's beauty adds a new dimension to functional design! Chevelle's stylish curved-glass side-windows mean interior measurements within an inch of most regular-size cars. Chevelle slips easily into tight spots—and out of them! Chevelle's jaunty 115" wheelbase is sized right for city traffic—makes parking practically effortless. Chevelle's power is made to measure with Sixes or V8s, transmissions for every taste, and a full array of extra-cost options. Chevrolet reliability keeps Chevelle fit for the future with proven safeguards like Body by Fisher and Magic-Mirror finish. See your Chevrolet dealer and try on a Chevelle for size—he's got 11 models, including low-price convertibles, sedans, sport coupes and wagons—one's bound to fit!
