

NOTES LOCALES, ETC.

Il nous fait plaisir d'avoir à dire ceux de l'île qui ont envoyé des animaux à l'exposition, à Halifax, ont remporté presque tous les premiers prix.

Des onze fromageries de l'île qui avaient envoyé du fromage à l'exposition de St. Jean, celle de Tignish a gagné le plus grand nombre de points-93.

Les libraires de Prince-Ouest ont choisi M. B. D. McLellan comme candidat, pour les élections fédérales.

Dans quelques jours, Mlle. Malone doit ouvrir son salon de Modes dans la nouvelle bâtisse de l'A. C. B. M., Tignish.

La dernière tempête a causé des dommages pour la valeur d'un demi-million à l'industrie fruitière, dans Ontario.

Le 9 octobre au soir, il y aura réception à la nouvelle salle de l'A. C. B. M. On est à préparer un magnifique programme que nous annoncerons la semaine prochaine.

Nous attirons l'attention de nos lecteurs sur l'annonce du capitaine J. B. McCarthy, ainsi que sur celle demandant un jeune garçon pour travailler sur la ferme.

De grands préparatifs se font pour l'exposition qui doit avoir lieu, à Charlottetown les 26, 27 et 28 de ce mois. Il y va de l'intérêt de nos cultivateurs de s'y rendre. Les prix de passage pour l'occasion sont très réduits.

Les dévotions des Quarante Heures ont commencé dimanche le 9, à l'église de St. Marc, Lot 7. Le Révd. Père Burke était assisté des Révds. PP. Gallant et Chaisson. La température étant favorable, les fidèles ont assisté en grand nombre.

Lors de l'ouragan de mercredi dernier, l'établissement de pêche de M. Jérôme Poirier, Miminigash, a été entièrement démolit. Outre la bâtisse, M. Poirier perd une quantité de poisson et d'huile.

La plus plate platitude que nous ayons jamais lue sur aucun journal, nous l'avons trouvée, l'autre jour, dans les colonnes du "Saturday Bulletin" de New-Glasgow, Nouvelle-Ecosse. M. McKenzie qui en est le rédacteur, parlant de la récolte disait: "Assitôt que le Manitoba a eu choisi un gouvernement tory, la récolte a été mauvaise. Du temps de Greenway les récoltes étaient toujours bonnes. Laurier a ramené une ère de prospérité dans le Canada. Hugh John McDonald a amené les temps durs au Manitoba."

Ne dirait-on pas, à entendre tout ce galimatias, que Laurier et Greenway peuvent gouverner le temps à leur guise? Quand le Saturday Bulletin en est réduit au point d'avoir recours à ce raisonnement captieux, il est évident qu'il reconnaît comme déjà perdue la mauvaise cause qu'il soutient.

M. J. F. Arsenault M. L. A. qui arrive d'un voyage dans la province de Québec, dit que l'opinion publique dans cette province est généralement en faveur du parti Tapper. Le nom de Laurier ne crée plus l'enthousiasme qu'il excitait en 1896.

Dimanche, les Dévotions des Quarante Heures ont commencé à l'église du Sacré Coeur, Alberton. Le curé de la paroisse était assisté des Révds, PP. Boudraut, Faidant et Chaisson. Comme toujours, l'église était magnifiquement décorée pour l'occasion. Les fidèles ont assisté en foule, à l'église, sous la direction de M. de la Roche.

Comme nous allons sous presse, nous apprenons que M. Maxime Buote vient de mourir, à la résidence de son fils Onésime, Duvar Road.

Your Stomach Distresses You after eating a hearty meal, and the result is a chronic case of Indigestion, Sour Stomach, Heartburn, Dyspepsia, or a bilious attack. RIPANS TABLETS Promote Digestion, Regulate the Stomach, Liver and Bowels, Purify the Blood, and give Relief to all cases of Indigestion, Sour Stomach, Heartburn, Dyspepsia, or a bilious attack. They are the most effective and pleasant medicine for the Stomach, Liver and Bowels, and are sold everywhere. Price, 50¢ per box. At Wholesale, \$1.00 per box. Address: R. T. U. York.

A Prominent Physician. An elderly New York physician in discussing the merits of Ripans Tablets with a brother M. D. said: "Several years ago I ascertained that if one wished to become a philanthropist, and do a beneficent deed—one that would help the whole human race—nothing could be better than to procure the Roosevelt Hospital prescription, which is the basis of the Ripans Tablets, and cause it to be put up in the form of a ketchup and distributed among the poor." Sales Increasing. The latest retail drug store in America is that of Hegeman & Co. on Broadway in New York City. A reporter who went there to learn how Ripans Tablets were selling bought a five-cent carton and asked: "Do you have much call for these?" He was referred to a gentleman who proved to be the head of the department. He said: "The sale of Ripans Tablets is constant and is increasing, due especially to the influential character of the testimonials in the daily press, and growing out of these, through the recommendation of friend to friend. Satisfaction with them is very general. When once they are begun I notice that a permanent customer for them is made. This, I believe, is through their intrinsic merit, which proves the bona fide character of the advertising. I think them specially useful in the general run of stomach troubles." An elderly lady living at Fordham Heights, a part of New York City, and who was known to be a warm advocate of Ripans Tablets for any case of liver trouble or indigestion, said to a reporter who visited her for the purpose of learning the particulars of her case: "I had always employed a physician and did so on the last occasion I had for one, but at that time obtained no beneficial results. I had never had any faith in patent medicines, but having seen Ripans Tablets recommended very highly in the New York Herald concluded to give them a trial, and found they were just what my case demanded. I have never employed a physician since, and that means a saving of \$2 a call. A dollar's worth of Ripans Tablets lasts me a month, and I would not be without them now if it were my last dollar." At the time of this interview there were present two daughters who specially objected to their mother giving a testimonial which should parade her name in the newspapers, but to do this the elder lady argued: "There may be other cases just like mine, and I am sure I take great pleasure in recommending the Tablets to any one afflicted as I was. If the telling about my case in the papers enables some other person similarly afflicted to be as greatly benefited as I have been, I see no objection." The daughters, knowing how earnestly she felt about the benefit she had received, decided she was quite right.

A MOTHER'S VALUABLE ASSISTANT

Home Occupations for Little Children By KATHERINE BEEBE. Home, 144 pages; bound in linen, gilt top. Hundreds of Hints on How to Make the Little Folks Happy Lists of Stories, Songs and Plays Invaluable to Mothers and Nurses

WHAT Miss Beebe's "First School Year" is to the primary teacher this little volume is intended to be to mothers. Miss Beebe believes that the conscious activity of children calls for employment, and "Home Occupations" is full of ways and means for mothers. Enthusiastically endorsed by the press and leading kindergarten gartners.

FROM THE NEW YORK WORLD. "Home Occupations will be welcomed by weary mothers, for it is very clever and full of hints and suggestions they can carry out." FROM THE PHILADELPHIA PAPER. "Home Occupations should be read by all mothers, and all other people who have the care and training of infant children." "One of the remarkable features of the book is the extent to which home occupations and home-made contrivances are brought into play. Cedar blocks, sand, clay, beads, scissors, paper, pencils, bonds, garden tools, flowers, fruits, black boards, and nearly everything called into requisition by Miss Beebe's methods, are within easy reach of most mothers into whose hands her book will fall." FROM THE BOOKSELLER. "Home Occupations for Little Children, by Katherine Beebe, a well-known kindergarten teacher, of Evanston, Ill., will be welcomed by many mothers, who will find it full of valuable suggestions to add in rearing their children. Many cross and disagreeable children would be speedily restored to good nature if their mother or nurse knew enough to guide the immature mind to some pleasant occupation without too great interference with its own freedom." FROM THE KINDERGARTEN MAGAZINE. "Any mother with the problem of restless little people to lead into the paths of happiness and usefulness, can find much assistance in Miss Beebe's little book, and would do well to avail herself of its thoughtful suggestions."
