Mr. & Mrs. E. MacNeill Celebrate Anniversary

On Saturday evening, October 14, friends and neighbours of Mr. and Mrs. Emmett McNeill of Wellington Centre gathered at their home to honor them on the occasion of their silver wedding anniversary. When the visitors had assembled Mr. John E. Cameron called the group to order and explained the purpose of the gathering. When the guests of honor had been escorted to their places by

the bridesmaid and groomsmen of twenty-five years ago, Mrs. Russell Callaghan and Mr. Ambie McNeill, a fine address was read by Mrs. Sadie Cameron. At the conclusion they were presented with exquisite gifts of silver by Mr. Ray Gillis on behalf of the community and by their younger son Justin, on behalf of the family. Mrs. McNeill was also the recipient of a gift from the Women's Institute presented to her by Mrs. Mac Goodwin. Although taken completely by surprise, both Mr. and Mrs. McNeill spoke briefly to thank their friends and to pay tribute to their excellent neighbours. All joined in singing "For they are jolly good fellows", and then they danced the Wedding Reel. Refreshments were served by the ladies and everyone enjoyed a game of cards before they departed, expressing the hope that they would be able to join them to celebrate their golden wedding.

The Address

Mr. & Mrs. Emmett MacNeill, Wellington Centre, P. E. I.

Dear Bertha and Emmett: Your friends and neighbors of Wellington Centre School District have invaded your home this evening to extend our congratulations and best wishes to you on this joyous occasion, the twenty-fifth anniversary of your wedding. A quarter of a century has passed since that happy day when you set out on the sea of matrimony, and through those years you have shared your joys and sorrows and laboured together to provide all the comforts of a happy home for you and your children.

As neighbors, we cannot express in words the esteem in which you are held by us, for you have been true to us all, especially in time of need. You, Emmett, have always been a valued member of our community where much of your time was given to church and school and

other social affairs. We trust that you will continue to take the same interest in the future for many more years.

Bertha, you also have done a great deal for the district of Wellington Centre, where first you came as a stranger to teach school, and on being quick to learn of all the good things to be had in Wellington, decided to settle here with your life partner. Since that time you have been a faithful member of our Women's Institute and Catholic Women's League and at all times were ready to help your neighbors when help was needed.

We know you are both happy tonight as you look back over the years and realize that you have reached a milestone in your lives—

your silver wedding day, with your family around you tonight to share your joy. We ask you to accept these wee gifts as a token of our esteem for you, and with them go the good wishes of your friends that the rest of your journey through life shall be filled with happiness. Our fervent prayer is that God will give you health and strength to carry on to another mile stone your golden wedding day. Signed on behalf of your friends and neighbors of Wellington Centre School District.
