PREVENTION is better than cure; and if you want to prevent many of the ill effects of summer get in good condition by taking an occasional dose of Everybody's Pills.

A BIG SALE.—Over two hundred of these five cent prize stationary packages were sold at the Diamond Bookstore yesterday. The people know where to get the biggest bargains.

NANCY HANKS' LATEST.—The track at Nashville, Tenn., on the 19th, was heavy and the track not favorable for record-breaking. In the attempt to break 2:04, Nancy Hanks made the mile in 2:04. Quarters, 31 1/2; 1:02 1/2; 1:32 1/2, 2:05. All things considered, it was the greatest performance of Nancy Hanks' career.

BACK AGAIN.—A despatch from Trois Rivières says Newton Lee has returned from Quebec. He sold his trotting mare, Lucy Derrick, to Mr. Vall, of Montreal, for a handsome figure. Lucy Derrick trotted two miles in 1:25, and in 1:34, doing one of them in 1:34, besting the celebrated upper province horse James. Lucy also went a half in 1:14.

THERE are more cases of sickness and death from diseased kidneys than from all other diseases combined. It is your own fault if you allow your kidneys to remain in an unhealthy condition when the cure is at hand. Dodd's Kidney Pills are guaranteed to cure the worst cases. It costs but little to give them a trial. They are for sale by all druggists and dealers, or by mail on receipt of 50 cents, or six boxes for \$2.50. Write for book called Kidney Talk.

DIPHTHERIA.—That dread disease, diphtheria, has again broken out in Newfoundland. It will be remembered that last year hundreds lost their lives there by this contagious disease. If it gets seated in St. John's this fall and winter, terrible calamity will be the result, as thousands are in poor condition to ward off disease, owing to their being deprived of homes and comfort by the late fire.

A JOURNALISTIC JOKE.—The manager of the Island Reporter, published at Sydney, C. B., is, undoubtedly, a great humorist. In his issue of the 19th, at hand this morning, he says that he has decided to give his readers the benefit of a "newly outside," and advises everyone to read each page over carefully. Acting upon this advice, we turned over the paper and found that the outside pages were—blank!

THERE is no humbug about the Scotch waterproof coats. They are the best waterproof garments. They are a sure protection in case of rain, and are useful as ordinary garments to be worn during the summer. They not only take the place of a rubber garment, without its disadvantages, but are comfortable garments made of elegant designs in tweeds and other cloths. You will find a large variety to select from at the Scotch Clothing House.

ST. JAMES' ORGAN.—The new organ for St. James' Church will arrive here by the steamer Carroll next Tuesday. It is expected that Mr. Ryder will give his grand organ recital on Thanksgiving night, Nov. 10. Mr. C. A. Ryder is at present in the city to superintend the setting up of the instrument. On his way through Moncton he secured the contract to build a large organ for the Methodist Church of that place.

THE BOSTON WAY.—A school teacher named Theodore Longest, of Boston, Ind., was recently found guilty of hanging 10-year-old Daniel Starr in guilt by the neck with a whip cord till his tongue lolled out. The little fellow had been obstreperous, and was drawn up till he stood upon his toes, and left thus while a class recited, and not noticed until the children in the school raised the alarm by their cries. Longest will be expelled.

CHICAGO, Oct. 20.—The ceremonial festivities of the world's fair buildings began to-day with a tremendous parade of civic societies of Chicago and near by places. It was a magnificent showing of the numbers and influence of the ordinary citizen of the "greatest country the sun shines on." To-day over 80,000 men were in the parade, including the highest officials of the federal government, diplomatic representatives of foreign powers, governors and other officers of nearly every state in the union, the state world's fair boards, commissioners to exposition from foreign countries, and thousands of men prominent in judicial, commercial and professional circles. LONDON, Oct. 20.—A meeting of the anti popery association was held last evening to oppose the election of Mr. Kille as lord mayor of London on the ground that he is a Roman Catholic. It was evident many of those present were not in accord with the spirit of religious interference manifested by the association. NO MAN ever smoked "Myrtle Navy" tobacco for a fortnight and then took to any brand in preference to it. It bears its own testimony of its quality and it is testimony which is always convincing. The smoker who uses it is never annoyed by getting it sometimes of good quality and sometimes of bad. The arrangements of the manufacturers for keeping its quality equal are very elaborate and complete, and are the result of many years' experience and close observation.

The largest selection of waterproof coats in tweeds, cashmeres, melissas and gums, ever imported to P. E. Island by one firm, is to be found at the Scotch Clothing Store, Victoria Row.

COME AND SEE THE BALL ROLLING

THE STAR TAILORING ESTABLISHMENT.

TRADE has commenced to move earlier than usual, and we mean to keep it moving if BARGAINS will do it. As we have decided to run our business, on and after October 1st, for CASH, and CASH ONLY, we have determined to quote prices lower than the lowest to secure the patronage of Cash customers.

We have taken this step after an experience of years in business. We learned that those who pay cash are entitled to the full benefit derived from prompt payments; and as "pay as you go" is the only safe road to travel, we will endeavor to educate public sentiment in favor of that independence of character which is not found in those who defer credit to paying cash.

As we want money, we also want to give value for your money. We must, therefore, have you come in and see what we can do for you. The LATEST NOVELTIES in our line always on hand.
