NEW YORK

NEW YORK (AP)—The stock market snipped off its string of advances at six straight Monday and ended the session mixed, with some barometers slightly lower. Trading lagged.

The arbitration agreement in the railway labor dispute brought some buying into rails early in the day but the knowledge that a strike threat still remained for Aug. 29 abbed their advance of conviction and the rail stocks ended the day in a thoroughly scrambled pattern.

Steels also faded late in the day, following a report of a drop in weekly steel production, although the decline was small.

The Dow Jones industrial average lost .31 at 718.81 and Standard and Poor's 500-stock index .05 at 71.44—both small declines.

The Associated Press average of 60 stocks gained .1 at 276.5, a historic high, with both industrials and rails unchanged and utilities up .1 to a high for the year.

Volume dipped to 3,650,000 shares from 4,160,000 Friday and was the smallest since Aug. 8 when 3,460,000 shares changed hands.

BIG DROP LORAL

The most active stock was a sharp loser, Loral Electronics, down 2¾ at 13¼ on 128,300 shares. Loral opened late under an accumulation of sell orders following news that a vice-president of the company was arrested on charges of bribing an air force employee handling a contract.

Chrysler was second most active, up ⅝ at 62% on 76,900 shares, backing away from its best gain of a point or so.

Two airline stocks were bought heavily, National and Continental, each rising a point. Continental was reported to have asked the civil aeronautics board for a transcontinental route. National seemed to be benefiting anew from the elimination of Northeast Airlines as a competitor in the lucrative New York-Florida run.

Among Canadian issues, Dome Mines rose ⅝, McIntyre Porcupine ½ and Hudson Bay Mining ⅛. Walker Gooderham lost ½, while Canadian Pacific, Distillers Seagrams, Granby Mining and International Nickel all dropped ⅛.

Prices were mixed on the American exchange on volume of 1,080,000 shares compared with 1,470,000 Friday. Jupiter Corp. rose ⅝ and Preston ¼. Shawinigan was down ⅛.
