DRIVER FINED — Hit and run driver from Wellington was fined \$100.00 and costs when he appeared before Magistrate R. S. Hinton, C. C. in court magistrates court yesterday in Summerside. The incident occurred Thursday evening at St. Eleanors around 10:30 when a truck, proceeding towards Summerside failed to stop after side swiping a passing car from the R.C.A.F. Station, Summerside. Damage to both vehicles was of a minor nature.

This S'ide Man Is Lucky

A Summerside man can thank his lucky stars that he is able to spend this Christmas with family and friends, even though he may be suffering from a headache. Early celebrating almost resulted in death, instead of four or five stitches in the forehead which he received at the Prince County Hospital. The man was proceeding on foot, in an unsteady manner towards Summerside, from the west, when he fell from the back of a car. Summerside man was driving his car towards St. Eleanors, taking his time on the slippery roads, knowing he had several minutes before midnight when he was due to take over his job at the R.C.A.F. Station. At the very last moment, the wide-awake driver saw what appeared to him to be a prostrate form lying on the road and immediately did everything possible to avoid hitting it. But due to the icy conditions made contact before coming to a halt. The R.C.M.P. were summoned and hastened to the scene, taking the prostrate man to the Prince County Hospital where his head injury was seen up and he was returned home—lucky indeed.

ALBERTON

Mr. and Mrs. George Gibson left Alberton yesterday to spend the Christmas holidays with his parents in Springhill, N. S.

Mr. Raymond A'Hearn, Alberton, who suffered a fracture leg in an accident in Halifax recently is convalescing at his home.

The present low temperatures have caused the earliest freeze up in Alberton harbour in over twenty-five years, according to a veteran fisherman at Alberton South. The ice is of sufficient thickness to carry a person and will enable smelt fishermen to set out their nets much earlier than in any recent year.

"DADDY LONG LEGS" IN CINEMASCOPE COMES TO CAPITOL SUMMERSIDE

Enchanting is the word for it, the lovely, lavish new Cinemascope musical production of "Daddy Long Legs" at the Capitol Theatre. Fred Astaire has never been better, and he has always been the best there is; Leslie Caron fulfills meteoric rise to stardom; the story has charm, the humor has warmth, the songs have a lilt, the dances are kick. In short, everything that makes the musical screen is seen at its very best in this happy event.

Oldtimers may think they know "Daddy Long Legs." The new versions does retain the memorable story line of a middle-aged benefactor who "adopts" only a little orphan girl, but only with the provision she never know his identity. Thus, there can be no misunderstanding his motives. But when the patron is a man like Astaire, and the girl a captivatingly lovely French girl like Leslie Caron, you can look for developments.

Twentieth Century-Fox has produced a streamlined, spectacular show. The solid story ingredient immediately raises it way above the level of musical plots; the ingratiating character of the stars adds another attractive human dimension; the new songs, sharply highlighted scene after scene; it dances really come alive; the costumes and lighting, in beautiful, witty and gay, and the most of the full-stage Cinemascope effect.

The High School formal sponsored by the Students Council was held in St. Mary's Hall Thursday night. Lowell Huestis' orchestra supplied music for the many couples in attendance. Ann Wedge and Roy Phillips were the winners of the spot dance.

Just a reminder to you High School girls who wish to join a bowling team. You may go to the bowling alleys on the afternoon of January 4th or give your name to Miss Hill.

School closed for the holidays on December 22nd. While the higher grades were writing the last of their exams the lower grades had classroom Christmas parties and exchanged gifts.

The Civic Stadium will open its doors to the public for the first time this season on Monday afternoon. It is hoped there will be a large attendance at the opening skate to really give the rink a roaring start.

By this time everyone is enjoying the holidays and I do wish you all will continue to do so and will also have a very Merry Christmas and a Happy New Year, too.
