nes; beating UNB 102-82, and then
3-102 game on a Christian Laettner-
ot by Bryan Elliot. Coach Morrison
he new year with the expected return
brian McLennon, who missed first
personal reasons.

Sports

***Mens hockey is in excellent shape, bursting out of the gate with a 6-3 record good for second place in the MacAdam division, one win behind Moncton (whom the Panthers have already beaten twice-once in exhibition and once in regular season action this season). The Panthers' potent goal scoring attack is averaging 8 goals per contest, while they are surrendering 5.4 goals against. The Panthers' impressive crop of newcomers have made an immediate impact. Frontliners Mike Harding and Tyler Ertel have made heavy dents in the scoring columns so far this season. Talented freshmen blueliners Brett Kowan and Daryl Lavoie have contributed with some timely goals, and Kowan has collected a fair share of assists, including two in last Sunday's 8-5 win over UNB. Team captains K.J. White and John Nelson share the scoring lead with 20 points apiece, Lavoie and Jim Somnez are tied for third with 17 each.
***The women's basketball team had an excellent preseason, going undefeated against fairly weak competition. They went 5-0 with two wins against St. Thomas (which is not yet an AUAA school), a pair of victories over an improved UCCB team, and a tight win over the potentially playoff-bound SMU Huskies. The Lady P's have also played several practice games against both teams of senior women allstars, and against some male senior players.
