

Maple Leafs Tie Bruins; Hawks, Rangers Eke Wins

BOSTON (CP)—Toronto's Ron Stewart took a pass from Allan Stanley and fired a 25-footer with two minutes remaining Sunday night which enabled the Maple Leafs to salvage a 4-4 National Hockey League tie with Boston Bruins.

The Bruins had rallied from a 2-0 deficit to go ahead 4-2 on a pair of third-period goals by Don McKenzie and the Leafs refused to wilt.

Stanley slapped in a rebound by Bob Pulford off the neck of goalie Don Simmons at 9:38 to culminate a three-on-two rush and close the gap to a single goal.

The only penalty of the period, a tripping infraction called on Bruin defenceman Leo Boivin at 16:35, paved the way to the deadlock.

On the power play, Toronto was fighting to keep the puck in the Boston zone when Stanley passed from the right boards to Stewart who had planted himself directly in front of the goal and 25 feet out.

WRIST SHOT

Ron let go a quick wrist flip and the shot rifled under Simmons who was in the midst of a dive trying to block the path.

The 12,926 Boston Garden fans roared with delight when McKenzie scored at 2:21 on a tip-in from Vic Stasiuk and at 5:57 when he beat goalie Ed Chadwick to a loose puck in front, kicked the disc and fired it in behind Chadwick.

The goals were the 10th and 11th of the season for McKenzie. Frank Mahovlich and Bob Pulford drew first blood for Toronto but Johnny Bucyk and Jim Morrison, the latter acquired this year from Toronto, tied it up in the middle period.

CHICAGO (AP)—Chicago Black Hawks rallied with two goals in the second period to defeat Detroit Red Wings 3-2 in a rough National Hockey League battle at the stadium here Sunday night.

By winning Chicago moved into a fourth place tie with the Wings, whom the Hawks now have whipped three consecutive times.

Ex-Hawk Nick Mickoski gave the Red Wings a lead early in the first period when he converted a neat pass by Gordie Howe. Chicago's Ed Litzemberger was serving a penalty at the time.

Litzemberger tied the score shortly after with his eighth marker of the season, but Marcel Pronovost whacked a screened shot past Chicago's netminder Glenn Hall with 42 seconds left in the first period to put the Wings back on top.

Tod Sloan hit his 10th goal of the season and Bobby Hull scored his seventh with only 13 seconds to go in the middle period to put the Hawks on top.

Detroit seemed to tire in the last period and the Hawks pressed in an effort to increase their margin. Only stellar goaltending by Terry Sawchuk, who made 19 of his 35 total saves in the last period kept the score from mounting.

NEW YORK (AP)—Andy Bathgate's second-period goal broke a 1-1 tie and gave the New York Rangers a 2-1 victory over the league-leading Montreal Canadiens in a tight-fisted, brawling National Hockey League game Sunday night. It was the Rangers' fourth straight victory, a high for this season.

Bathgate's goal came at 16:06 of the period on a pass from Larry Popein and Dean Prentice. The play began after a faceoff to the right of the Montreal net. Bathgate lashed a backhand shot that glanced off Montreal goalie Jacques Plante's right elbow and over his right shoulder.

Both teams scored in the first period, when New York erupting for its goal with only 1:08 gone in the game. Jim Bartlett took a 10-foot pass from Hank Ciesla and slammed a screamer right through Plante's legs.

59TH GOAL

Rocket Richard scored the 59th goal of his NHL career with only 15 seconds to play. He had two Ranger defencemen hanging on his back when he took a pass from his brother Henri and sizzled a shot past Worsley.

The officials were as busy as the players in breaking up fights. Ranger captain Red Sullivan and Dickie Moore were penalized twice in the first period for fighting, and Moore made four trips to the box in the game. Three were in the first period.

All told, 19 penalties were handed out, 13 in the first period.

Coach Of Bombers Attributes Success To Strong Offensive

EDMONTON (CP)—Coach Bud Grant of Winnipeg Blue Bombers had a confident smile on his face when reporters met him in the dressing room Saturday following Bombers 30-7 victory over Edmonton Eskimos in the first game of the Western football final.

While his players changed to street clothes, nursing nothing worse than a charley horse suffered early in the game by full-back Charlie Shepard, Grant seemed to be suppressing an urge to predict a Grey Cup trip.

"I hope so," he told a reporter, who suggested the road to the Grey Cup final now might be wide open to Bombers.

He attributed his club's success more to a strong offensive punch rather than any falling apart of the Edmonton defence.

ROUGH LINE

"They have a rough line—one of the roughest in the game," he said of Eskimos, "and they're always in there, pursuing all the time. Maybe we've become stronger offensively."

The Winnipeg plan was to use alternating passes, inside and out-

side running to keep the Eskimo defence spread out, he said. "If they can contain you, they can beat you."

Coach Sam Lyle of Eskimos gave Bombers full marks for playing a good football game.

"You can't take anything away from them," he said. "They've got a whale of a ball club and they played a good game today. Their defence played extremely well."

SIT IN SILENCE

The Eskimo players sat about in silence for the most part, or changed and left without talking. The sick room was crowded as Don Flynn, Oscar Kruger, Frankie Morris, Steve Bendisak and Don Getty got treatment for assorted ailments.

Most serious was to Flynn, who suffered a rib injury in the last game of the semi-final and injured the ribs in the one play in which he took part Saturday.

Lyle said loss of his two first-string halfbacks—Flynn and Ralph Pfeifer, who missed the game to attend his father's funeral—hurt Eskimos' offensive.

Canadian Horse Show Team Wins

TORONTO (CP)—The Royal Winter Fair, with hundreds of agricultural and livestock prizes awarded after the first two days, stirred the white-tie-and-tails set of horse show followers Saturday when a Canadian equestrian team won a five-country international exhibition hockey game in Moscow.

A capacity crowd of 14,000 in Moscow's indoor Sports Palace saw the Russians from the Central Sports Club of the Soviet Ministry of defence go ahead 1-0 in the first period.

The Canadians put on a furious display in the second period scoring three goals to one for the Russians, making the score 3-2 in favor of Canada. At the Soviets came up with the tying and winning goals in the final.

Yuri Pantyukov, Soviet master of sport, got the second Russian goal in the eighth minute of the second period and then came the Canadians' best showing.

They scored three goals in a row to move ahead 3-2.

FIRST PACKER GOAL

Defenceman Tom Stecky of Carville, Alta., scored the first Canadian goal in the 11th minute of the second period. Moeg Young of Regina, a veteran of 30 who has the hardest shot on the club, fired the second goal to deadlock the score two minutes later.

For the first time the Canadians were ahead in the 17th minute when big Russ Kowalchuk, a 200-pounder from Kelowna, rammed in the goal that made it 3-2.

The Canadians held the lead until the final minutes of the game, but Veniamin Alexandrov, 21-year-old high-scorer for the Russians, came through with two straight goals to pull the victory out for the Soviets.

Packers Lose Opener To Reds

MOSCOW (CP)—Russia came from behind with two goals in the third period to defeat Kelowna Packers 4-3 Sunday night in the first of five Canadian-Russian exhibition hockey games in Moscow.

A capacity crowd of 14,000 in Moscow's indoor Sports Palace saw the Russians from the Central Sports Club of the Soviet Ministry of defence go ahead 1-0 in the first period.

The Canadians put on a furious display in the second period scoring three goals to one for the Russians, making the score 3-2 in favor of Canada. At the Soviets came up with the tying and winning goals in the final.

The Canadians held the lead until the final minutes of the game, but Veniamin Alexandrov, 21-year-old high-scorer for the Russians, came through with two straight goals to pull the victory out for the Soviets.

losing one—all by 5-2 scores.

The Russians, many of them veterans of world and Olympic hockey competition, were smaller but faster on the ice. They out-paced and outskated the Canadians and generally outshot them.

Dave Gatherum, 25-year-old goalie for the Packers, was kept busy during the first period and Russia's Baulin got through for the first goal in the ninth minute on a snap pass from Fildorenko.

The Canadians counter-attacked but Russia's veteran goalie, Nikolai Puchkov, a 10-year player, held them off.

Yuri Pantyukov, Soviet master of sport, got the second Russian goal in the eighth minute of the second period and then came the Canadians' best showing.

They scored three goals in a row to move ahead 3-2.

Faloney Leads Tiger-Cats To 35-7 Win Over Riders

By BERNARD DUFRESNE
Canadian Press Staff Writer
OTTAWA (CP)—Bernie Faloney fired three touchdown passes and Gerry McDougall scored two more on ground thrusts Saturday as Hamilton Tiger-Cats crushed Ottawa Rough Riders 35-7 in their first game of their two-game Big Four football final.

The defending Grey Cup champions now carry a 7-1 point lead into the second game of the total-

points series, in Hamilton next Saturday.

The needle-sharp passing of quarterback Faloney, who completed 14 in 24 attempts for 303 yards, and the powerful break-away running of fullback McDougall, who accounted for almost half Hamilton's 221 yards gained on the ground, were big factors in Ticats' victory.

But the biggest contributor to

Ottawa's downfall was the inventiveness of Hamilton coach Jim Trimble who added some fancy-dance plays and formations to his team's offense.

NEW FORMATION

Right from the opening kickoff by Ottawa, the Hamilton offense threw the Riders' defence off-balance with a new spread here this season. It was the tipoff that the 10,930 Ottawa fans in 20,000-

seat Lansdowne Park would have little to cheer about.

The Hamilton forward line formed a slightly-wedged protective wall for Faloney, taking the snap from about seven yards behind the line of scrimmage. Two flankers were split wide, two in each end.

Faloney tried six straight passes from this formation, finally hitting Mill Campbell, deep behind the Ottawa safety. After that Ticats returned to their conventional formation for the rest of the game.

St. F. X. Edge Al Flyers; Now Meet Ft. William

By PAUL COLVEY
Canadian Press Staff Writer
MONTREAL (CP)—St. Francis Xavier University of Antigonish, N.S., pitted its speed against the heavier Lakeshore Alouette Flyers and won the Eastern Canada intermediate football title 27-26 in a tinging see-saw battle Saturday.

The Xaverians won the right to meet Fort William Redskins this Saturday in the Canadian final in the Lakeshore city. The Redskins smashed Victoria Oak Bay Drakes 19-7 in Victoria Saturday, winning the Western crown.

Defensive end Hugh Huck gave the Xaverians victory with five minutes to go in the game. He stole the ball from Alouette quarterback George Tsanos and raced into score from the Lakeshore 25-yard line.

Tsanos was attempting to pass on the play. Huck burst in, snatched the ball before Tsanos could raise his arm to throw, and scampered over untouched. St. F.X. quarterback Ray Sommerville's convert pass to end Dave Farrell in the end zone proved to be the winning margin.

START OFF FAST

The X-men opened fast and had a 12-0 lead mid-way in the first quarter on two converted touchdowns. Halfback Tom Delaney scored the first on a four-yard end sweep. Ralph Hayes notched the other on a spectacular 95-yard pass-run play from Sommerville.

The Montreal team, champions of the new Little Big Four League, bounced back with three unanswered touchdowns, one converted, to lead 19-12 at the end of the third quarter.

Tsanos scored two of them, one on a keeper play around end from the four yard line; the other on a quarterback sneak from a yard out. Hank Lapointe crashed over from the tee for the other Lakeshore major, converted by

Joe Pedicelli. Lapointe and half-back Alf Sklivas were Lakeshore's best ground-gainers.

STAGE LATE RALLY

The Xaverians raced back in the last quarter. Delaney skirted the Lakeshore end from the nine point of Alouettes. The convert attempt was wide.

Then Ernie Foshay booted a pair of singles to put the X-men ahead 20-9.

Following Huck's touchdown and the convert pass, Lakeshore began to move. Lapointe capped a 75-yard march late in the fourth quarter when he barreled over from the St. F.X. three.

In the last minute, Tsanos filled the air with passes but none clicked. The gun sounded with St. F.X. in possession on the Lakeshore five yard line.

Lineups

St. Francis Xavier—halves: Tobin, Danaher, Ambrose, Delaney, Foshay, Hayes, Preston, White; quarters: Sommerville, Townsend; centres: Berry, Merry; guards: MacLean, Shea, Griffin, Dineen; tackles: Fox, McCurnin, Giddings, McIntyre, Theberge; ends: Keenan, Saborn, Farrell, Mongeau, Campbell, Huck.

Lakeshore—halves: Sliwinski, Webster, Cowie, Pepin, Grant, Terryberry, Sklivas, Lapointe, Legault, Quirk; quarters: Cahill, Tsanos; centres: Jones, Char, Carroll, McCleery; tackles: J. Pedicelli, L. Pedicelli, Samuels, Fraser; ends: Whelan, Lyndon, Peters, Whitton, Swan.

Hamilton came back with two more touchdowns before the quarter ended, one on a four-yard run around end by McDougall, a Faloney's pitchout, and the other on an 11-yard Faloney pass to Harry Lammpan in the end zone.

Steve Oneschuk converted all five Hamilton touchdowns.

Riders' net yardage gained as the ground was nine yards. Riders gained 261 yards in the air on 13 completions out of 34 attempts.

SPORTS FRONT

By PIUS CALLAGHAN

WEEKEND FOOTBALL results didn't provide any upsets. Those who were supposed to win did just that and the Tiger-Cats and Blue Bombers did it in most convincing fashion.

However, the powerful Saint Francis Xavier squad just managed to eke out a 27-26 triumph over Lakeshore Alouettes, thereby advancing against Fort William in the Canadian intermediate final. Perhaps the Xaverians were fortunate to whip the Alouettes at all. However we had a feeling they would do it, but thought the victory would be more decisive.

WE HAD NO special reason for that kind of figuring but we got thinking back to last year when Shearwater Flyers went all the way. St. F.X. is stronger than Flyers were in 1957 so we decided they would triumph with greater ease. Then too, we read where the X-men's coach wasn't overly impressed by what he saw in the Lakeshore boys. The story that we read led us to believe that the Antigonish coach expected thing would be too tough.

NEVERTHELESS, the Maritime intermediate champions did win and that's what counts and they should be an even bet to bag the Dominion title. Folks down this way will be pulling for the Nova Scotian to go all the way and bring back the crown the Flyers managed to capture last fall.

Best of everything Xaverians.

UNLESS SOMETHING terrific in the way of upsets occur, you can get ready to watch Winnipeg Blue Bombers and Hamilton Tiger-Cats do a repeat performance in this year's Grey Cup classic.

The Bombers went into Edmonton Saturday and solidly trounced the Eskimos 30-7 in the first of a best-of-three western final. The feud renews Wednesday in Winnipeg and the Blue Bombers shouldn't need a third game to get into the big game in Vancouver November 29. However should the Eskimos force a third tussle, that one is also set for Winnipeg next Saturday.

OTTAWA ROUGHRIDERS have a more rugged task than the Edmonton team. They trail the Hamilton club by 28 points after that 35-7 drubbing at Ottawa Saturday. They have one game left to correct what happened at the capital city. That opportunity comes next Saturday at the Tiger-Cats home park and twenty-eight points is a terrific lot to expect to trounce Hamilton at home. It could be done but it's not very likely and you can be as good as certain that the Tiger-Cats will be there at Vancouver on November 29 defending that Grey Cup they won last year in Toronto.

Next Saturday's game should be nothing more than a warmup for the men who finished first in the regular Big Four schedule.

THIS SEASON of the year is a great time for the football fan but not so entertaining for the young man who suffers injury and probably spends the best part of the winter nursing his ailment.

Football is considered the sport that accounts for the greatest number of injuries each year and the knee injury is by far the most common. Anything that could reduce the number of these knee injuries would definitely bring down the football casualty list.

A 1936 all-American guard at Northwestern university claims that these knee ailments can be greatly reduced and he gives his reason for the statement.

THIS FORMER FOOTBALL star is now Dr. Stephen E. Reid, team physician for Northwestern. He cites that at Northwestern in the 1951 and 1952 seasons, there were 34 knee injuries. After the exercise program to protect the knees was started, the team had only eight injuries in two seasons, 1956 and 1957.

Dr. Reid, an orthopedic specialist, prescribes two main preventative exercises. In one, the player sits on a table and, with weights on his foot, raises the foot. That strengthens the large muscle in the thigh called the quadriceps, which braces knee ligaments.

Another exercise has the athlete stand and raise his leg, bending the knee, with weights on the foot. That strengthens muscles in the back of the leg.

IF THE PROGRAM worked for Northwestern, then there appears no good reason why it can't be applied in other football circles. If the injury list (as far as the knee was concerned) was greatly decreased then the good doctor's advice should be followed wherever football players gather.

Too many careers are shortened by bad knees.

THE ST. LOUIS CARDINALS won a game the other day in Japan, yet manager Solly Hemus was a loser.

While the Japanese were losing to the Red Birds, Solly was losing the equivalent of \$152. His movie camera and films were stolen from the dugout while he was attending the game's opening ceremonies.

Some days you just can't make a nickel.

HERE IS A STORY of excellent relationship between employer and employee. The employee hasn't forgotten the generosity of his overtime boss and, after hearing how the boss treated him, we don't wonder.

It's Joe Judge, former Washington infielder talking, and what he's got to say makes interesting reading.

"I wonder how many people know that for three years when Clark Griffith was managing (Washington) he didn't collect a cent in salary. I don't know how he managed to live. I do know that he owed a lot of people—the butcher, the landlord, the coal dealer. You see, what Cliff did was to have the owners pay him in shares in the club instead of cash. That's how much he wanted to control the club some day. He always stuck up for his ball-players. Late in my career, when I'd drop around the office, he always asked, 'Joe, is there anything you need?' Once I had to say yes. The stock market crash hit me hard. Cliff loaned me \$10,000. I signed a note. The old man tore it up in front of me. I paid it back, but where do you borrow \$10,000 that easily without a penny of interest?"

You can only speak of a man as you find him, and apparently Judge found Clark Griffith a really great gentleman.

Yank Is Top Money Winner

LONDON (Reuters)—A 60-year-old Philadelphia Saturday topped the list of winning race horse owners in Britain—\$54,377 ahead of Queen Elizabeth, last year's champion, who ranked second.

John McShain had won £63,264 (\$137,139) on his horses when the flat racing season ended Saturday. The Queen had won £47,415 (\$132,762).
