## ABOUT W. C.

Well, it's about that time again. Winter Carnival is not too far away. Dates this year are February 2nd to 7th/81. It's going to be another Wild and Crazy Time, long to be remembered, but we have to start planning now and any help we can get would be appreciated. Before we go home for X-mas, we want to have external advertising and some internal advertising done. To facilitate this, we have arranged a MEETING for SUNDAY, NOVEMBER 30th in the DAY STUDENTS LOUNGE in BERNADINE HALL at 6:00 PM. Everyone please attend. Your support is needed. We have to start now, so Winter Carnival '81 will be the best yet.

## THEME CONTEST

Every Carnival needs a theme - a starting point for the festivities!! Anyone who has any ideas, we would be glad to hear them. The theme has to be kept fairly short, because it has to fit on a button with a diameter of about 2-1/2". Last year's theme was "Just a Wild and Crazy Time"; use it for a guide line. Any ideas can be dropped off at The Barn or given to Jackie MacNeil or Grace Cameron. If at all possible, an accompanying picture would be appreciated. Prize for winning theme.

**SNOW SCULPTURE:** Let's assume there is going to be lots of snow for Feb. 2-7. Everyone likes to play in the snow so get constructive and make some sculptures! We want more than one or two this year, so all the societies, the classes, the clubs etc., get together and put your imagination to work. Application forms will be available in The Barn prior to Winter Carnival. The sculptures will be judged and prizes awarded.

### KINGS AND QUEENS

Another aspect of UPEI Winter Carnival is our Royalty. Each class nominates various guys and gals and by election process it is narrowed down to one prospective King and one prospective Queen per class (including fifth year Education). The candidates are interviewed by separate judges and the royalty are announced at the appropriate moment. Since we feel the royalty should reign over the Carnival, the appropriate moment will be early in the week, probably Wednesday night. Formal crowning and awards will be given at the Formal on Friday night. Elections will take place in mid to late January. (that's 1981) Please watch for them.

**KLOSET QUEEN:** For the girls; if you have any old clothes or makeup for this contest, please round it up and drop it off in Grace or Jackie's room in Bernadine Hall. We need all the finery we can get.

For the guys; be thinking about what "lady" you'd like to dress like and when the time comes, we will see if we have the clothes to match your image of the perfect woman.
