# Moore-Yvon Durelle Bout Is Set Back To August 12

By W.R. WHEATLEY  
Canadian Press Staff Writer  
MONTREAL (CP)—Yvon Durelle, disappointed that his light-heavyweight title fight with Archie Moore has been postponed for the second time, nevertheless was sincerely sympathetic Tuesday for his ring rival.

"It could have been my wife; I don't blame Archie for going," said Durelle.  
Moore's wife underwent an serious operation for a non-malignant mastoid tumor in San Diego, Calif., and Moore left hurriedly last night to fly to his home.  
The fight was set back to Aug. 12.

**DURELLE HEADS HOME**  
Durelle will fly home to Baie Ste. Anne, N.B., and expects to leave today. He likely will rest a few days and then continue training before returning to Montreal in about two weeks.

Manager Chris Shaban will also return to New Brunswick but was undecided Tuesday night when he will leave. Charlie, Goldman, Durelle's veteran American trainer for this fight, plans to go to New York for a few days to look after some business.

"We all feel pretty badly about Archie's trouble. He's a great guy," said Shaban.  
"I don't think this new delay will hurt Yvon very much, but we must admit it's disappointing coming on top of the first postponement when Moore hurt his heel."

The fight was originally scheduled for July 15, then postponed to July 29 after Archie bruised his heel doing road work.

**YVON READY**  
"Yvon is ready right now," said Shaban. "Charlie has been doing wonders with him and in training Tuesday Yvon was the best I've seen him. We have been keeping his weight around 177 or 178."  
"Yvon wants to keep right on training. He said he doesn't want to quit now, but we will leave it to Goldman how much work Yvon will do."  
"At any rate, he will do some

more training at the RCAF No. 5 Supply Depot in Moncton where he trained during the last two-week postponement.

The sympathetic comments of Durelle and his manager came after they learned the extent and seriousness of Mrs. Moore's operation. Earlier, they had talked about vetoing any postponement and claiming Moore's title.

**LETOURNEAU COMMENT**  
The possible storm over a claim for Moore's crown—without a fight—brought comment from Gene Letourneau, chairman of the Canadian Boxing Federation of Quebec City, he said.  
"It's up to the National Boxing Association in the United States to take a decision in such a matter, after taking into consideration the views of all parties interested. The CBF has no jurisdiction over a world title fight, only Canadian title championship fights."

Trainer Charlie Goldman was optimistic over Durelle's chances. "When I came up here to take over Yvon I was not too confident. Now I feel differently. I had been told Durelle wouldn't do anything—at least the things he should do."  
"But I have found him as cooperative and willing as any fighter I have handled."

**HOPES FOR NEW CHAMP**  
"I have had champions in most of the weight divisions except light-heavyweight, and I am

hoping to get that one now."

Goldman said Durelle would have to watch his diet while back home and will have to continue road work. Goldman plans to rejoin him in Moncton after a few days in New York.

"This situation was unexpected and couldn't be helped. What I didn't like was that sore foot business when the fight was first postponed. The foot wasn't sore enough to stop Moore training within a couple of days."  
"There was something funny about that and I also didn't think much of that phoney stuff about four days of secret training for Moore. I don't know what it was all about but I've been in this

business long enough to know that each fighter has his path, especially when two men have met before. Besides, they have to change their plans for style in the ring anyway," he said.  
"Durelle's further training now will depend a lot on how he feels. He's at the fine point right now and was better today than anytime I have been with him."

### FANS ENJOY LITTLE LEAGUE

Little League baseball is getting pretty fair support from the Summerside fans this year as good crowds turn out each evening to watch their favorite teams in

action. And they're not disappointed with what they see as the young fellows are displaying a good brand of ball under the guidance of director Johnny

Carroll. Above is part of the Rotary team: (Front) Doug MacDonald, Eddie Richards, Billy Martin and Donald Gunning.

(Rear) David Perry, James Steadman, Charles Lapp, Paul Mullins, Donald Cameron and Michael Sheen.

### Backstretch

(Continued from Page 5)  
Ann's Boy (D. Constable) 2-6, Angus L. (D. Rotchford) 6-2, five other starters, time 2:11 4-5 and 2:15. Pineland Duke owned by K. G. Fraser, Dartmouth. In the 7th dash of the above race, Famous Boy, driven by J. Bernard of Hunter River, was third.

Race 5—For Colts—Ambro Alleen (L. Austen) 1, Watch Top (G. Mauger) 2, Harry Hal (J. MacGregor) 3, three others, time 2:19; winner owned by Albert Aaron and R. Loye, Halifax. Race 6—Royal Budlong (H. Yorke) 1, Mayhew's Pick (J. Chappell) 2, Falcourt Pal (Carter) 3, five others, time 2:16; winner owned by George Cody, Princess Lodge.

**BEST TIME**  
At Sydney Sports Centre last Thursday night, the four-year-old pacer Jackie Jackson lowered his record to 2:09 4-5. It equaled the best time paced on the Sydney raceway in the past seven years. He was driven by his owner, Duncan MacDonald.

One of the biggest surprises of the season's racing was the performance of the 12-year-old trotting mare, Dainty Diane, owned by Mrs. L. Thompson of Crapaud, and driven by Lorne Kelly, at the Charlottetown Raceway Monday night when she won the first dash on the program in 2:12 2-5—the fastest mile trotted that night.

She has had several foals, and most of her training was done by running around the fields on her owner's farm. We remember him calling to see us a couple of years ago, and saying that he thought she should be put in training. We didn't encourage him, as she was then around ten years old. This year, in the hands of Lorne Kelly, she won at Summerside last week in her first start, and again at Charlottetown, and it looks as though they may have to hunt around the Maritimes to find a trotter to beat her, and then... probably no.

Race classifier Acorn deserves plenty of bouquets, but as a rule, horsemen do not throw them around. However, we must admit that he has given everyone a good chance to show their speed, and his classifications have been very satisfactory. It is due to his enthusiasm and interest that harness racing in this province is in such a healthy condition.

**GOATS**  
The value of a goat in keeping a nervous horse happy has been recognized for a long time, and at the Charlottetown track the Don Seaman stable has two very playful goats. The first time the mare Windy June saw them she nearly went crazy, as she thought she was back home in Maine, where her owner, besides having race horses, kept several goats.

On picking up a recent issue of the New York Herald-Tribune, we

find that Stanley Dancer, who is in front as leading driver in the United States at present, uses goals to help cure the nervous condition of his horses. His three year-old-pacer, Honick Rainbow, 2, 2:00 1-5, was a wild actor last year. On one occasion she pounced on and wrecked her sulky before a race, and she had a habit of kicking anyone who came near her, including her trainer. Now she is a well-mannered miss, thanks to the goat that Dancer acquired.

**NEW RECORDS**  
They had an excellent race meet at Sackville Downs Saturday night, with several horses making new records—one of them, Fresh Girl, knocking four and two-fifths seconds from her former record of 2:15 when she won Race 2 in 2:10 2-5. She was driven by D. Walsh, and she is owned by Dunc and Jack Isner, Halifax. Runnymede Beale (H. Mount) was second, Danville Delegate third. In the sixth dash, with the same field, the trotter Runnymede Beale was the winner, with Fresh Girl second, and Baker (Ratchford) third, time 2:10 3-5.

In Races 1 and 4—Connie French (C. Connors) 2-1, Bothwell (L. Austen) 1-8, Mount Carroll (J. Chappell) 3-2, five other starters, time 2:12 2-5 and 2:15 4-5. Connie French is owned by the Scotia Stables, Halifax, and Bothwell by Fulton Moreside, Lower Sackville, N.S. Races 3 and 7—Darn Good Pick (E. Shaw) 1-2, Slicker Tass (B. MacDonald) 3-1, Mighty Glib (Given) 2-3, Jolly Lad (E. Smith) 4-4, Scotch Feather (Mauger) 5-5, times 2:09 4-5 and 2:06 2-5; Darn Good Pick owned by Dr. George Bishop, Lexington, Kentucky; Slicker Tass owned by Bruce MacDonald, Lincoln, N.B.

Race 5—Miss Ellis (F. Daniels) 1, Little Johnnie (Jones) 2, Jolity Jet (G. Turner) 3, five other starters, time 2:19 4-5; winner owned by Arthur Rogers, Kentville, N.S. Race 8—H. There (L. McHugh) 1, Mighty Again (D. Ratchford) 2, Marilyn Creed (R. McCarthy) 3, Beck'n Call 4, four other starters, time 2:14, a new

record for H. There; winner owned by Leigh McHugh, Lower Sackville.

**FASTEST MILE**  
At Truro Raceway Saturday night, the fastest mile of the season there was paced by Robertdale, owned by Frank T. Stanfield, and driven by Clayton MacLeod. Robertdale won the third and seventh dashes, with Jolly Castle (Conroy) 2-2, Pegaway (Haley) 3-3, three other starters, time 2:09 2-5 and 2:10.

Races 1 and 4—B. a. d. News (Fletcher) 1-2, Madam Diplomat (LeBlanc) 2-1, Lou Creed (MacLeod) 3-4, Jerry's Nightmare (Haley) 4-3, Ellen Joyce (Willis) 5-5, time 2:16 and 2:14 4-5; Bad News, owned by H.E. Fletcher, Advocate Harbor, N.S., and Madam Diplomat owned by Dr. J. A. Delaney, Moncton.

**DRUG ADDICTS INCREASE**
